FOREWORD

UST as footprints are left in sand, we hope that this book will be a reminder of the happy days spent at Codorus Township High School. These few pages, which we give to you, are only a glimpse of the many heartaches and joys which we have shared. Therefore, it is our fond hope that we, the class of 1945, publish this Annual Review of the Glen Echo to our underclassmates, teachers, and friends.

DEDICATION

WE, THE CLASS OF 1945,
SINCERELY DEDICATE
THIS ANNUAL REVIEW NUMBER
OF THE GLEN ECHO
TO OUR FORMER TEACHER
FIRST LIEUTENANT HARRY HAMM
AND ALL OTHER MEMBERS
OF THE ARMED FORCES,
WHO ARE SO WILLINGLY DEVOTING
THEIR WHOLE LIVES
TO THAT GREAT CAUSE
WHICH PERMITS SCHOOLS,
SUCH AS OURS, TO EXIST.
FEW WILL REMEMBER
WHAT THEY HAVE DONE HERE,
BUT THE WORLD WILL NEVER FORGET
WHAT THEY ARE DOING NOW.

HENRY J. MILLER, B.S., M.A.
Supervising Principal
Problems of Democracy, Math., Eng., Health

Members of the Class of 1945:

America believes in Education. The belief in a better understanding of the significance of the new world community; the appreciation of the meaning of co-operation for the good of all; a better understanding and a keener appreciation of the attitudes of neighborliness with distant peoples through the new sense of nearness in time and space, which has been made possible through transportation and communication develop a new sense of responsibility for good citizenship in this new world community.

As members of the class of 1945, you are confronted with opportunities to build into the lives of the people of the community the best that you know and the best that you are.

During the past twelve years teachers and parents have urged you to take advantage of the opportunities which were granted to you at school thus enabling you to better participate in the duties confronting you.

Your Alma Mater sends you forth in the hope that through your sincerity of purpose, and your knowledge of the requirements necessary for the good life you will strive to uphold the ideals and principles you were instructed to do.

HENRY J. MILLER

RALPH A. BORTNER, B.S., M.S.
Principal
Physical Science and Algebra
Business Adviser of Glen Echo

To the Graduates

The diploma you receive represents the successful accomplishment of the course of training mapped out for you; it is evidence, too, that the faculty's seal of approval has been set upon you. As a piece of parchment the diploma is of little value; but when considered from the viewpoint of what it stands for, it is a document of tremendous significance.

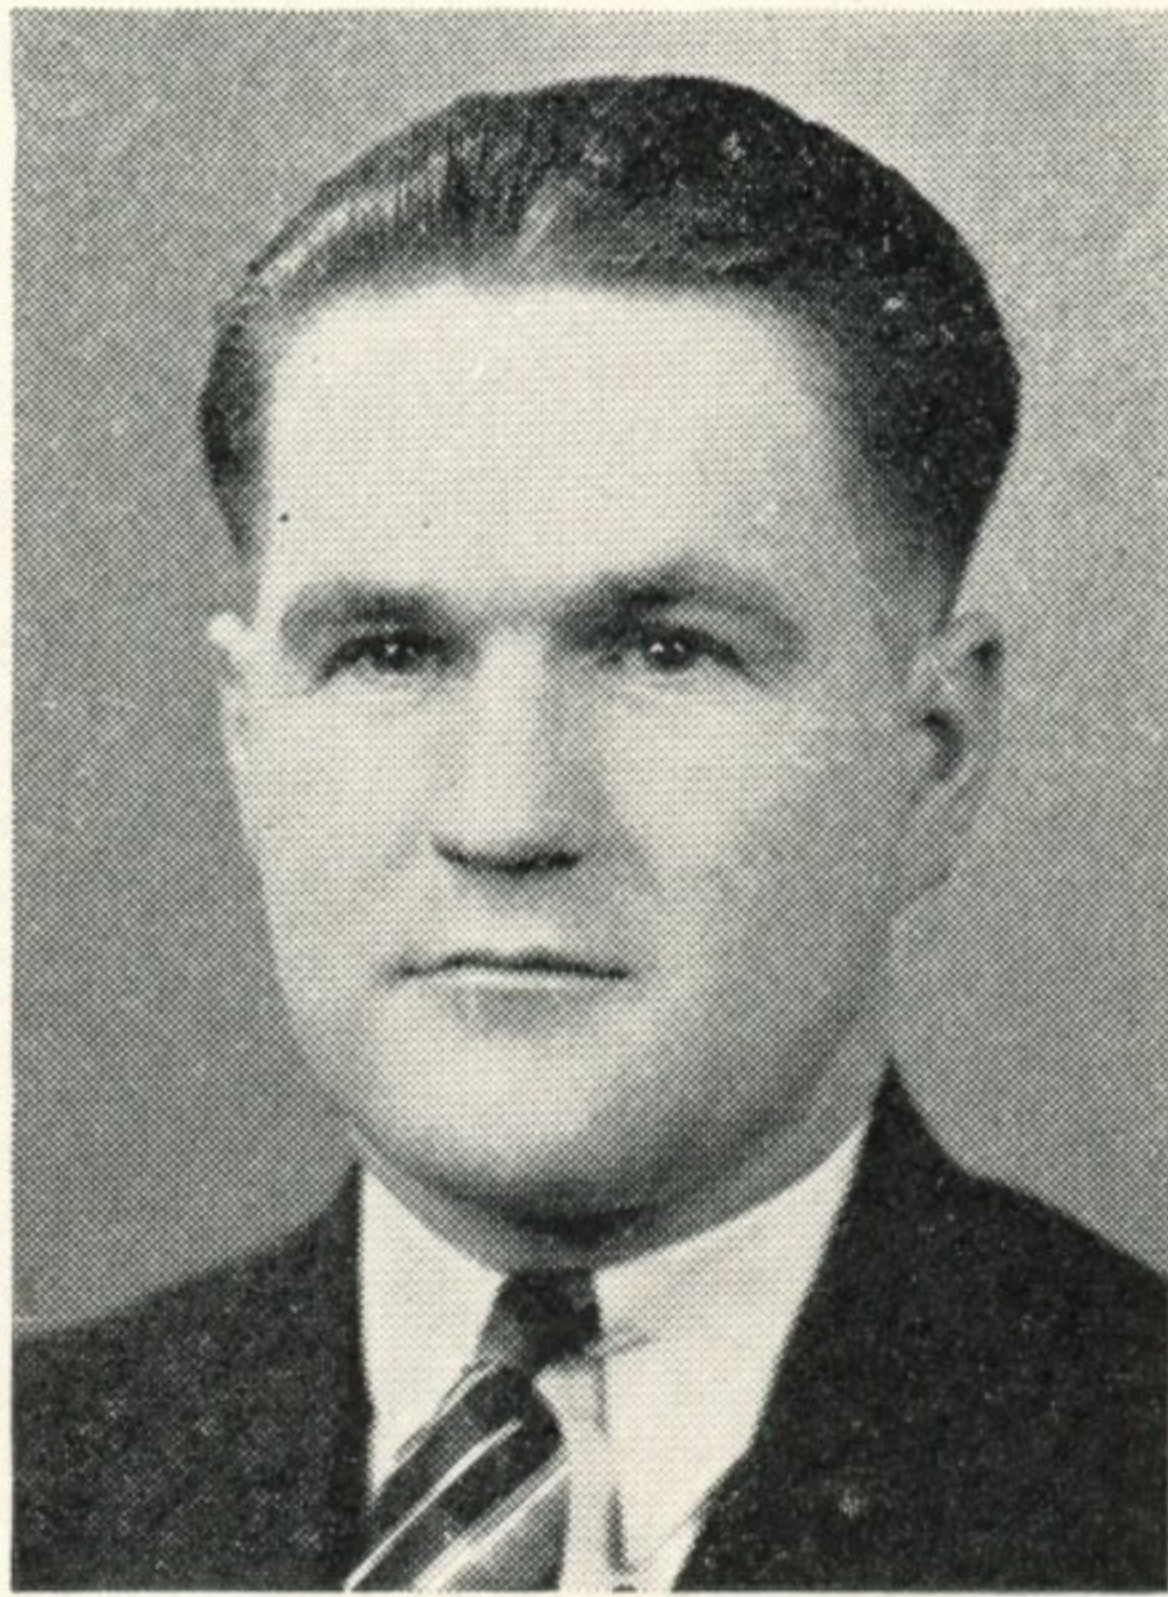

We who have lived and worked with you through these years believe you will prove yourself worthy of your training and of all that has been done, by those who love you, to guide you into the channels of achievement. "As the twig is bent" we are told, "so the tree will grow." You have been trained and encouraged to grow into the finest type of citizen.

"Life begins for you today to use it as you choose
A golden opportunity for you to win or lose.
New aims, new plans, new vistas now open wide to you,
For brain and hand and muscle there's useful work to do.
Life begins this morning be up and strong of heart,
Ignore past fears and failures, today fill well your part."

"Always Lead; Never Follow"

LUCILLE R. ALBRIGHT, Brodbeck's R. D. 1, Pennsylvania

Science Club (1), Literary Society (1, 2, 3, 4), Chorus (1, 2, 3, 4), Operetta (1, 2, 3), Orchestra (1), Debate (3, 4), Class Day (4).

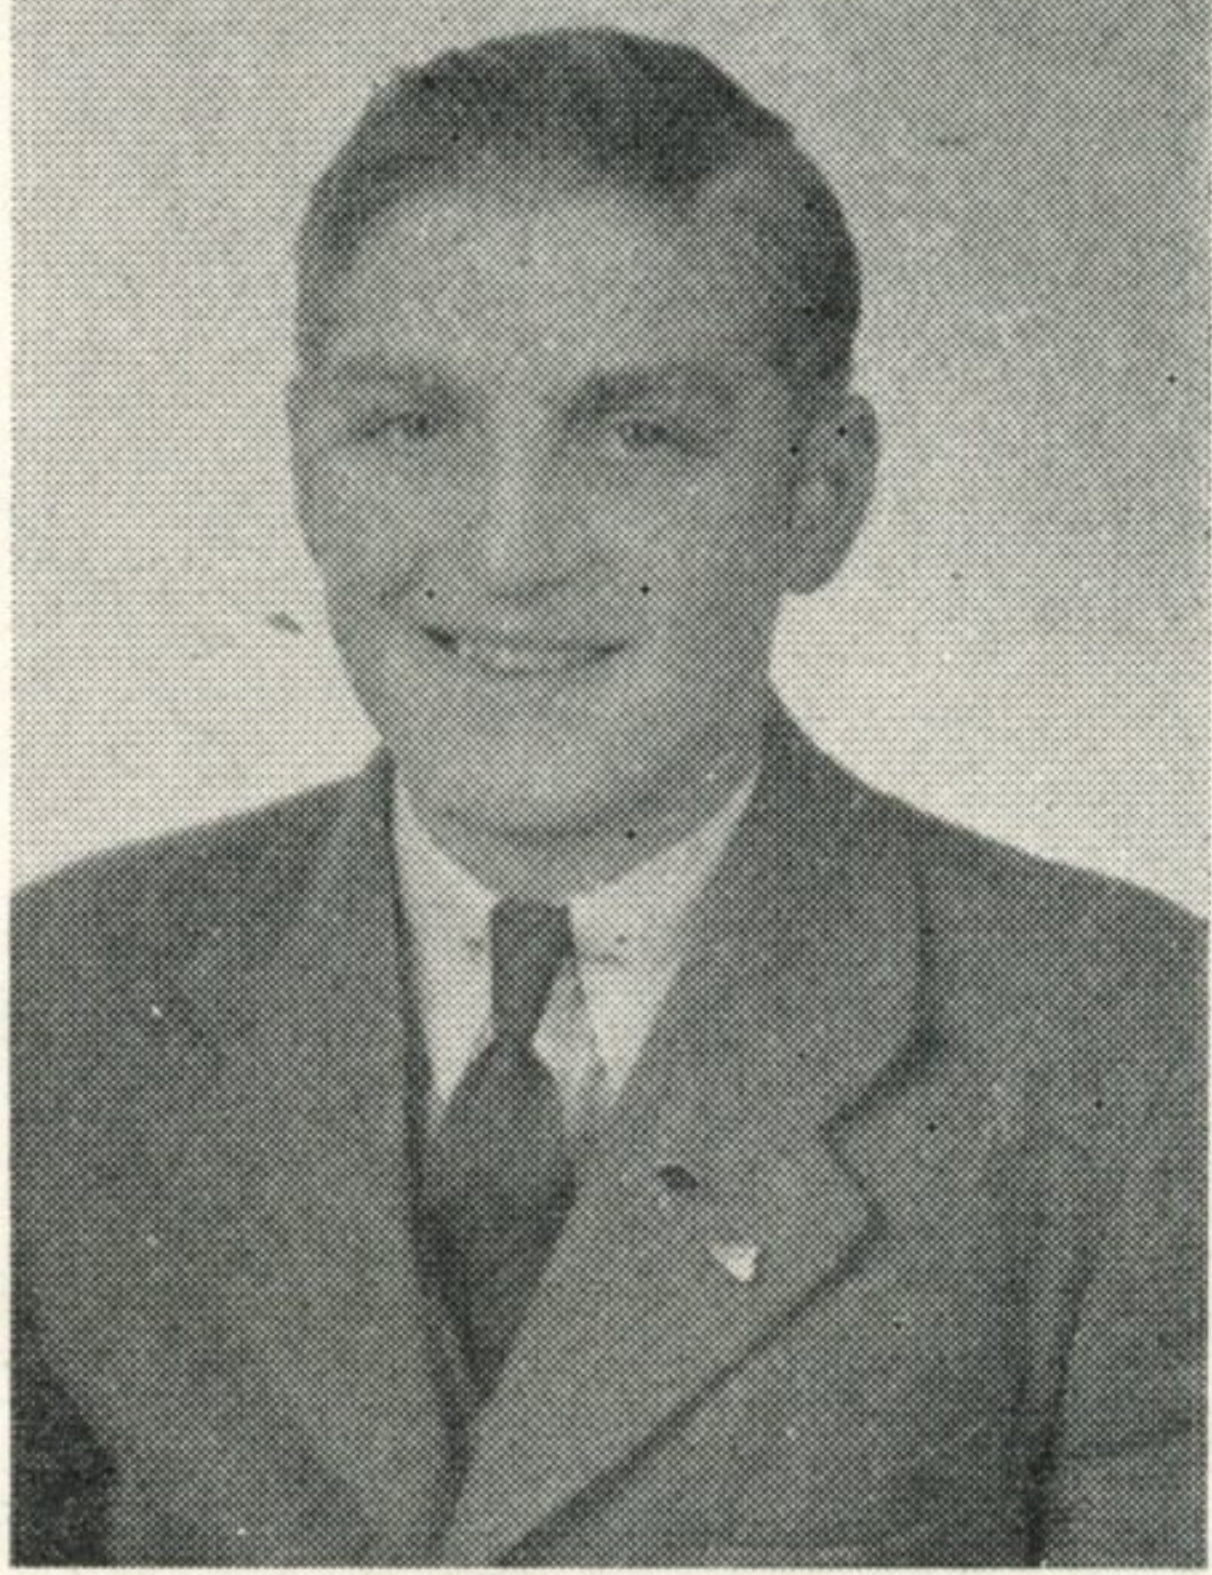

Lucille is a true friend to everyone. She is sincere in her work and ambitious for the future and just as sincere with her ever helping hand.

She is shy and quiet when around any of the opposite sex, but she would not turn any of them down if they needed help.

Her main interest rests around languages for she hopes to, someday, become a language teacher and we know that with hard work she will succeed in this course of work.

To you, Lucille, we wish the best of luck and success which we know the future holds for you.

*Although a teacher she wants to be
Lucille, our friend shall always be.*

DANIEL E. BECKER, Spring Grove R. D. 2, Pennsylvania
"Dan"

Science Club (1, 3), Orchestra (1, 2), Class Day (4).

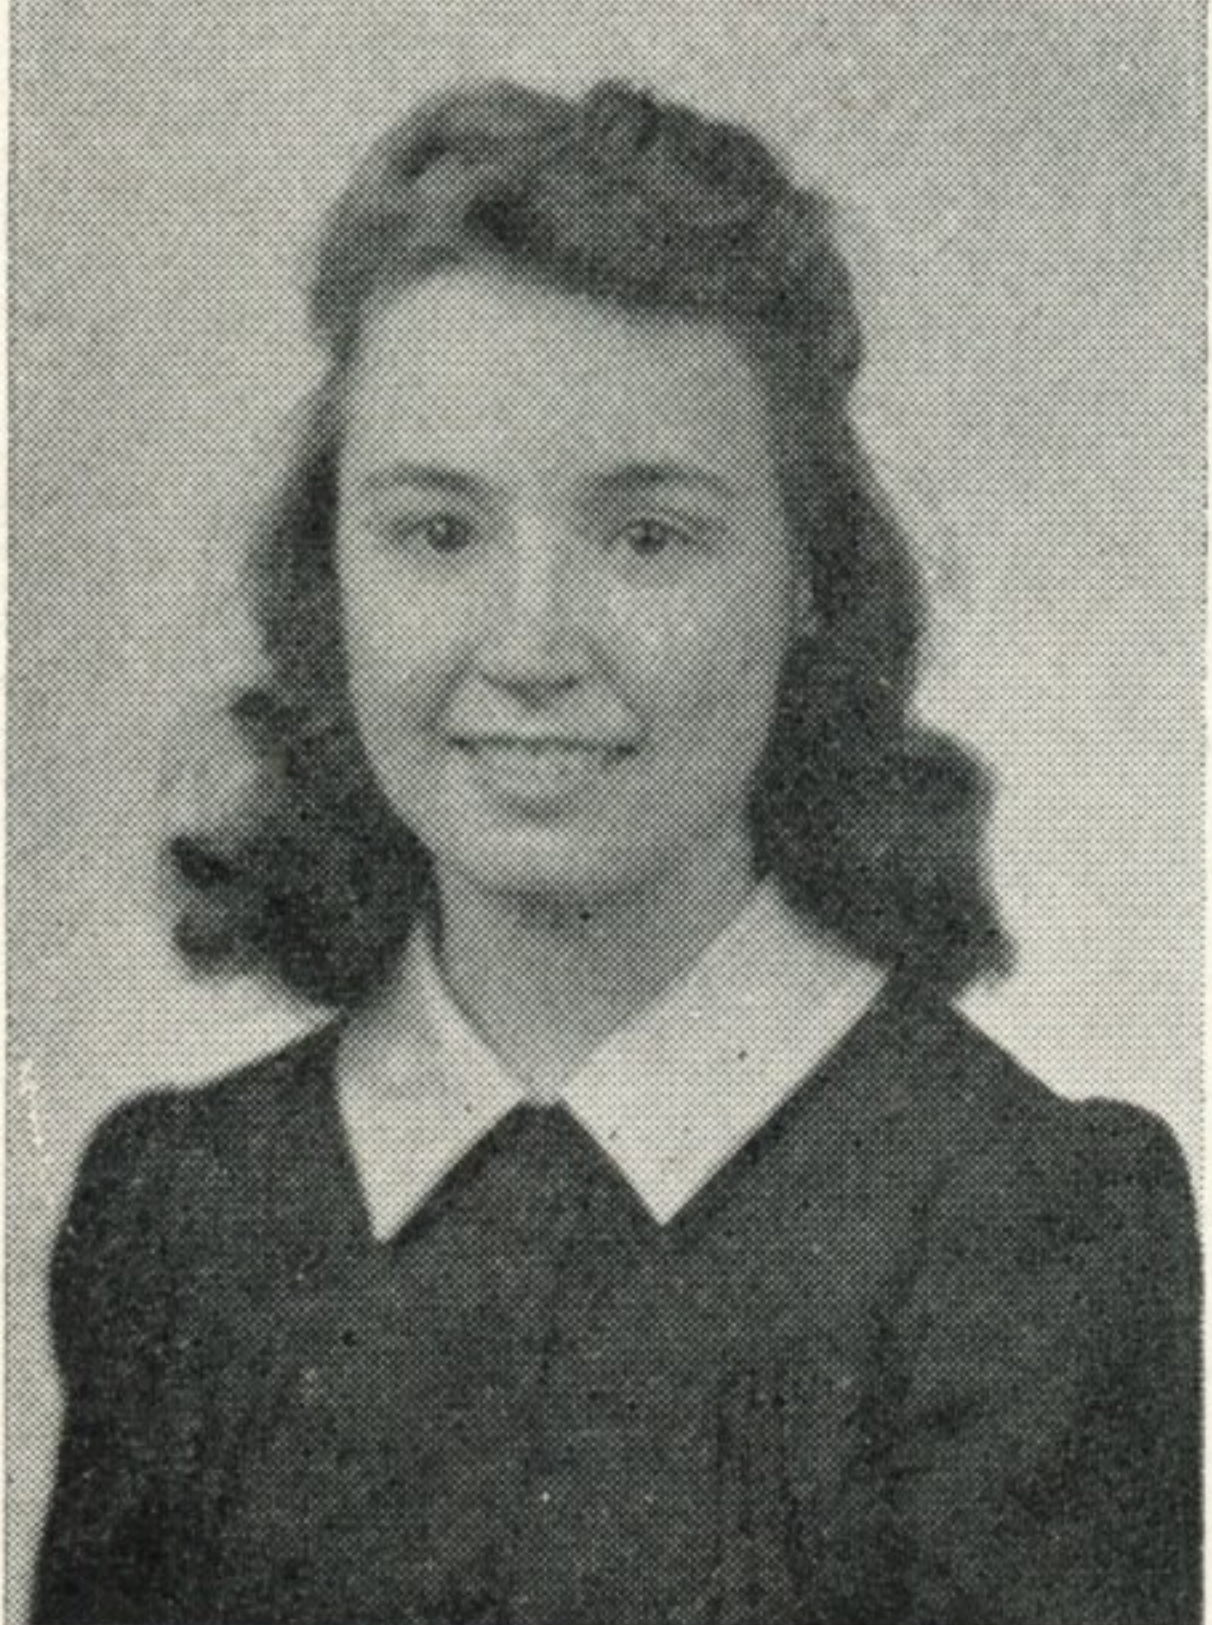

"Dan" is just another guy to have around. His sense of humor, and second-hand jokes make him a friend and a kind of 'go-lucky' fellow of our class who never displays any of his physical qualities (?) in sports. Usually (when he gets there), he serves best as a spectator.

His laugh is amusing. Spend-thrift? No, I wouldn't say that. He usually gives his aid if he receives something in exchange—usually the thing that he has helped with.

You dare not call Dan entirely "stagnant," though, because he will usually try to do his 'able' best at a task if he is given a chance and enough time. His social community has slightly expanded since he drives his father's 'beloved Chevy.'

Obviously, Dan has carried some characteristics with him from earlier days till now they seem to make him slightly odd at times; but add "grease" to the "monkey," and Dan would turn out to be a mechanic. Anyway, this is his ambition.

*To live as a bachelor, Dan couldn't tell why
That he as a husband would be a happier guy.*

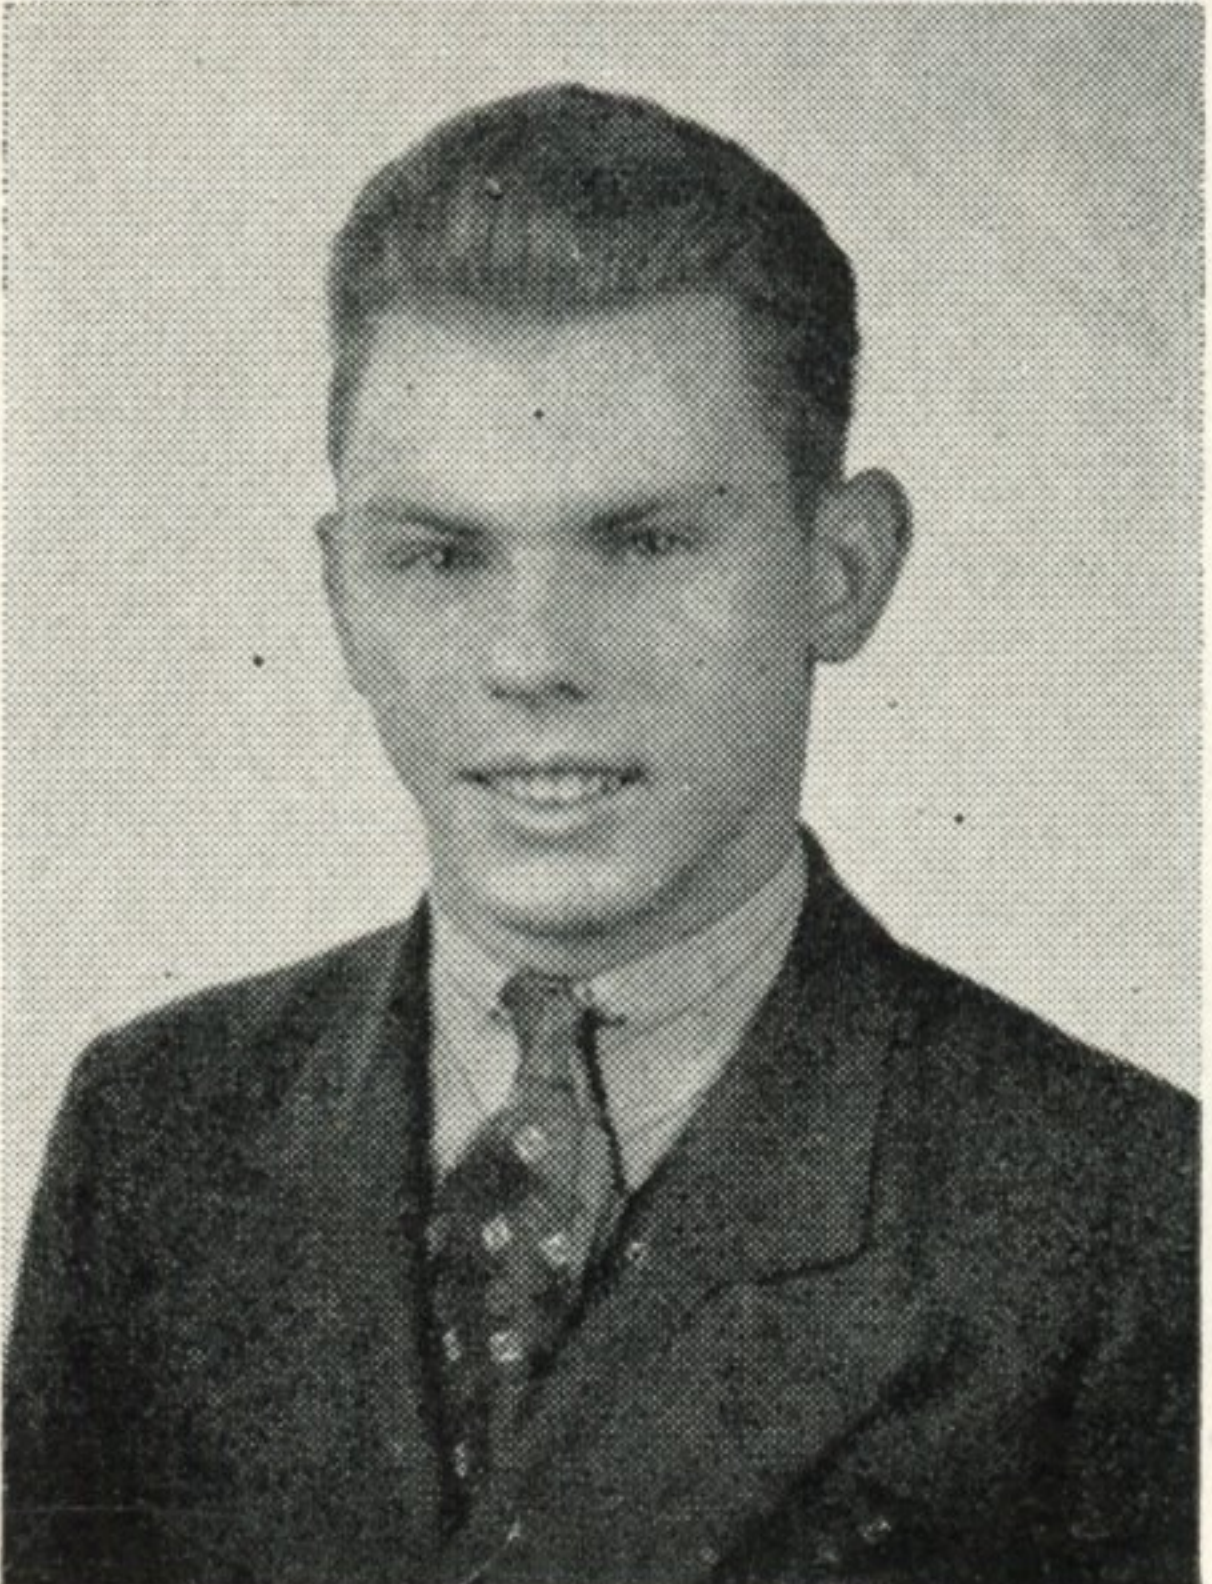

ELAINE M. BORTNER, Glennville, Pennsylvania

Science Club (1, 2), Literary Society (3, 4), Literary Editor of Glen Echo (4), Class Day (4).

One of the short lasses in the class is Elaine, but this has not the slightest effect upon her friendliness. After you have gained her friendship there is not a task that she would refuse you. Although she seems bashful at first, she is very jolly when you have become acquainted with her.

Although Elaine is quite studious, she also finds time for guitar and piano lessons, besides reading. Her chief ambition is to become a teacher. We wish her much success in whatever she undertakes.

*Although she is not very tall,
She has a cheery smile for all.*

STEWART H. BORTNER, Spring Grove R. D. 2, Pennsylvania
"Freckles"

Class Vice President (4), Science Club (1, 2, 3, 4), Art Editor of Glen Echo (3, 4), President of Science Club (3, 4), Operetta (1, 2, 3), Chorus (1, 2, 3, 4), Debate (3, 4), Librarian of Science Club (1), Sergeant-at-Arms Science Club (2), Leader of Curtis Campaign (1), Christmas Play (1), Junior Play (3), Music Festival (3), Class Day (4).

Stewart is a popular boy of the class. He is a born artist, but sports seemed to play no part in Stewart's abilities. Although he is gay and full of fun, he seems to be very serious in his studies. His abilities in chemistry as well as his other subjects will have a great future in store for him.

His greatest desire is to become a minister although at present he shows some interest in the Army Air Force because of having enlisted in the service as a cadet, but his future is based on the ministry. We are sure he will be successful.

*Stewart, who studies his chemistry
Sure can argue for A-C.*

ELOISE I. BRODBECK, Seven Valleys 2, Pennsylvania
"Brody"

Literary Society (1, 2, 3, 4), Glen Echo (4), Class Play (3), Librarian (3), Class Day (4), Chorus (4).

Our first impression of Eloise was that she was very quiet, but wait till you have known her as long as the class of 1945.

Eloise has proved a swell friend to everyone. She is willing to do anything that is asked of her.

She proved her dramatic ability when she played the part of Mrs. Custer in our junior play.

During her pastime, you will probably find her playing the piano.

Eloise does not neglect her studies, and as co-humor editor of the Glen Echo she served faithfully.

Her greatest desire is to join the Cadet Nurse Corps, and we know that Eloise will bring cheer to all her patients.

*When Eloise, a nurse, walks in a room,
She will surely chase out all the gloom.*

MIRIAM L. BRENNEMAN, Glen Rock R. D. 2, Pennsylvania
"Mim"

Literary Society (1, 2, 3, 4), Chorus (3, 4), Historian of Class (3, 4), Sec.-Treas. of Athletic Association (4), Volley Ball (3, 4), Junior and Senior Play (3, 4), Jr. Associate Editor of Glen Echo (3), Christmas Play (2), Sec. of Literary Society (3), Associate Editor of Glen Echo (4), Librarian (4), Operetta (3), Class Day (4).

In our four years at C. T. H. S. we have found many abilities in "Mim." She participated in all the girls' sports, and her studies were not neglected. In dramatics she also took part in our Junior class play; she was known as a dead girl. Miriam did this part well but don't expect to see her that quiet in her daily life. Now "Mim" also has some ability concerning the opposite sex, for how could she be so interested in a certain Jefferson lad. Good luck to you "Mim" in whatever career you choose (even if that certain blonde helps you decide)!

*In books and sports she is not slow,
In Henry's heart she sure doth glow.*

JOHN F. BRILLHART, Codorus, Pennsylvania
"Brillhart"

Orchestra (1, 2, 3, 4), Science Club (1, 3), Literary Society (1, 2), Chorus (2, 4), Operetta (2, 4), Volley Ball (3), Soccer (4), Glen Echo Staff (4), Class Day (4).

Jazzie Brillhart is what we call him at C. T. H. S., for he is the musician of our class. But there is no question about it for he really handles his drums. You don't often find him quiet for he is always talking of the things that happened with "Mable." That's no girl; it's his car.

One of his favorite pastimes is to teach the girls and to check up on sports. He was scorekeeper for all sports for four years. He has also been manager of the basketball team. After he graduates he plans to be a plumber, but we think that what ever he tries he will succeed.

*On the drums he's sure a bet,
But in politics he's all wet.*

RUTH E. BROWN, Glenville, Pennsylvania
"Brownie"

Literary Society (1, 2, 3, 4), Class Day (4).

Ruth's greatest personality is noticed by everyone. You can always find her among the "gang" at all basketball games, but she never neglects her studies.

Her favorite pastimes are writing letters and going to movies. She also takes a great interest in one of the southern states. (We wonder why!).

*Ruth is cheerful and full of fun,
A perfect friend to every one.*

BETTY L. CORNBOWER, Seven Valleys R. D. 1, Pennsylvania

Literary (1, 2, 3, 4), Junior Play (3), Chorus (4), Class Day (4).
This dark-eyed girl you will find with a cheerful disposition and always willing to help you. Her school work and other work has been taken seriously.

The first year at C. T. H. S. we found Betty rather bashful, but until the next year she had forgotten most of it.

During our junior year, Betty showed us that she has dramatic ability by portraying the character of the naughty little girl named "Daisy" in the play "Mumbo Jumbo."

After graduation Betty is not so sure what she will do, but we know she will succeed in whatever she chooses.

*Betty is so bright and gay;
She'll cheer you up most any day.*

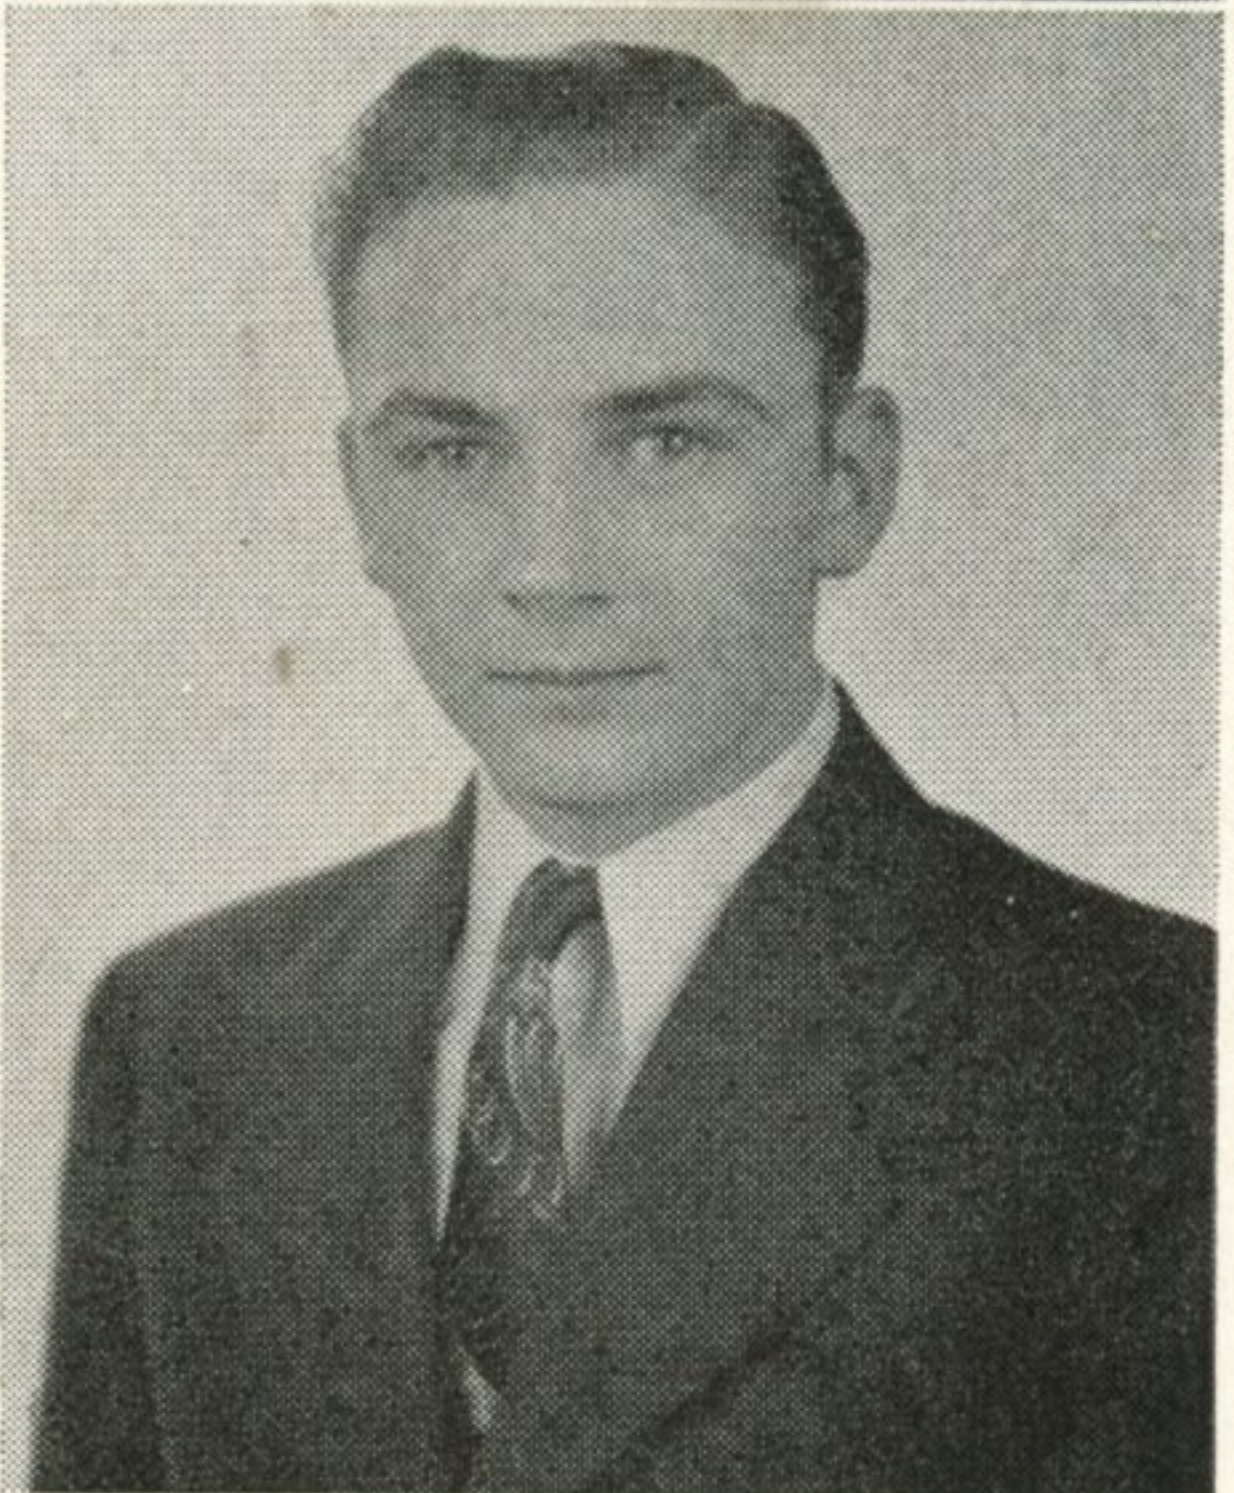

ARLENE P. COX, Glen Rock R. D. 3, Pennsylvania
"Chub"

Science Club (1, 2, 3, 4), Literary Society (4), Class Day (4).
Arlene is one of the blondes in the senior class. Whatever is asked of her, you can count on it being done.

Arlene's pastime, we know, is spent in Hanover. Collecting pictures of service men is her favorite hobby.

Arlene's plans are indefinite as to what she will do after her high school career is over. To whatever you decide to do—the best of luck to you.

*Cox has no desire for every boy,
But Danny is her greatest joy.*

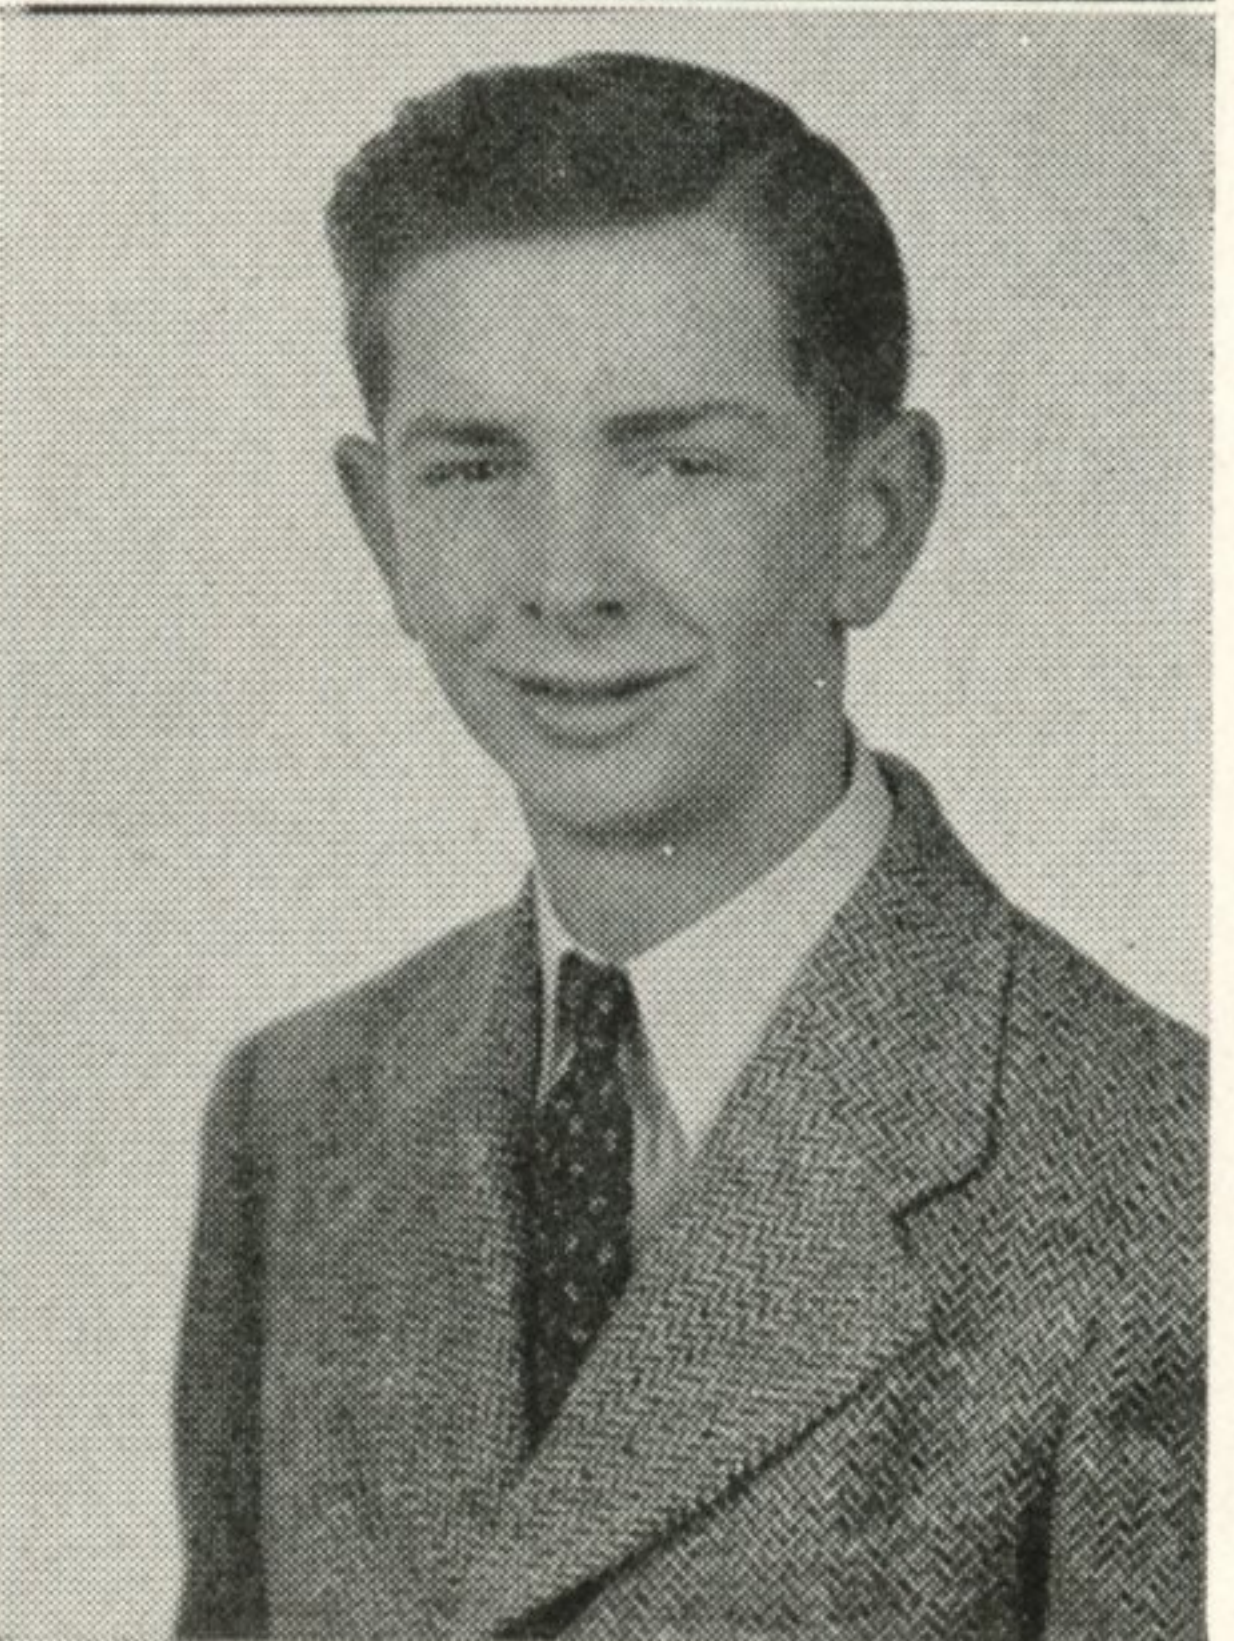

LAWRENCE Z. CRAMER, JR., Glen Rock, Pennsylvania
"Cramer"

F.F.A. (1, 2, 3, 4), Class Day (4), Operetta (4).
Cramer seems to be the most bashful student in the class but has become our most interesting hula-hula dancer.

He is very helpful to you whenever you need someone to help you. He also likes to drive his father's "Chevy" around. His most favorite farm implement is the "Farmall" which seems to be an important part in his life. Of course if you want to argue about tractors, he'll stand up for "Farmalls." He seems very much interested in being a cowboy.

In "Cramer's" future we hope he may be successful in farming and have a horse and saddle to ride all day long.

*Bashful, happy, and full of joys,
Cramer is one of those jolly senior boys.*

WARREN R. EDRIS, Spring Grove R. D. 2, Pennsylvania
"Benny"

Glen Echo (4), Class Play (3), Class Day (4).
"Benny" as he is known by his friends, came to us in his sophomore year from Hershey High School. After becoming acquainted with him we found him full of jokes and wise cracks. Although "Benny's" activity in sports is not great, he has always been an ardent rooter.

To find him talking to a member of the opposite sex is nothing unusual, and they usually find it a pleasure.

Warren's dramatic ability was shown in the junior class play "Mumbo Jumbo" when he portrayed the part of a criminal.

We are sure that whatever Warren chooses to do in the future he will come through with flying colors.

*"Benny" we all know is a regular guy,
And when it comes to girls, he's not so shy.*

MILDRED M. GETTLE, Glen Rock R. D. 2, Pennsylvania
"Gettle"

Literary Society (3, 4), Class Day (4).

Mildred entered C. T. H. S. last year as a junior, having moved from West York. During the two years she has gone to school in Codorus, we have found her to be a good friend. Sports do not occupy much of her time but have a certain portion. Her hobbies are reading books and writing letters, especially to servicemen. Her plans are indefinite for the future, but with her determination we are sure she will succeed with whatever she undertakes.

*With a book Gettle is delighted;
With her future she is undecided.*

MILDRED G. HUNT, Brodbeck, Pennsylvania
"Hunt"

Literary Society (3, 4), Class Day (4).

Here is a girl who is a friend to everyone. She is always willing to help whenever she is able. She is very much interested in her studies, especially algebra and mathematics.

She attended New Freedom High School for a year and a half before entering C. T. H. S., and joined our class as a sophomore.

Her ambition is to become a teacher, and we know that she will be successful and we, the class of 1945, wish her good luck in the future.

*Hunt is short and she is very bright.
Did you ever see her on a Saturday night?*

MAYOLA I. KREBS, Glen Rock, Pennsylvania
"Krebs"

Science Club (1, 2, 3, 4), Literary Society (4), Reporter of Science Club (3, 4), Class Day (4).

Mayola's friendly disposition has attracted quite a few friends.

When you hear a hearty giggle, you can usually be sure that she is close by.

Mayola expresses her interscholastic interest by attending the basketball games or is that the way she goes home? Why does she attend these games? (We wonder!).

Although we don't know as yet what her future plans are, we all wish her success.

*Mayola is a happy-go-lucky girl,
And Bud thinks she is a pearl.*

CHARLES A. L. LEHMAN, Seven Valleys R. D. 1, Pennsylvania
"Charlie"

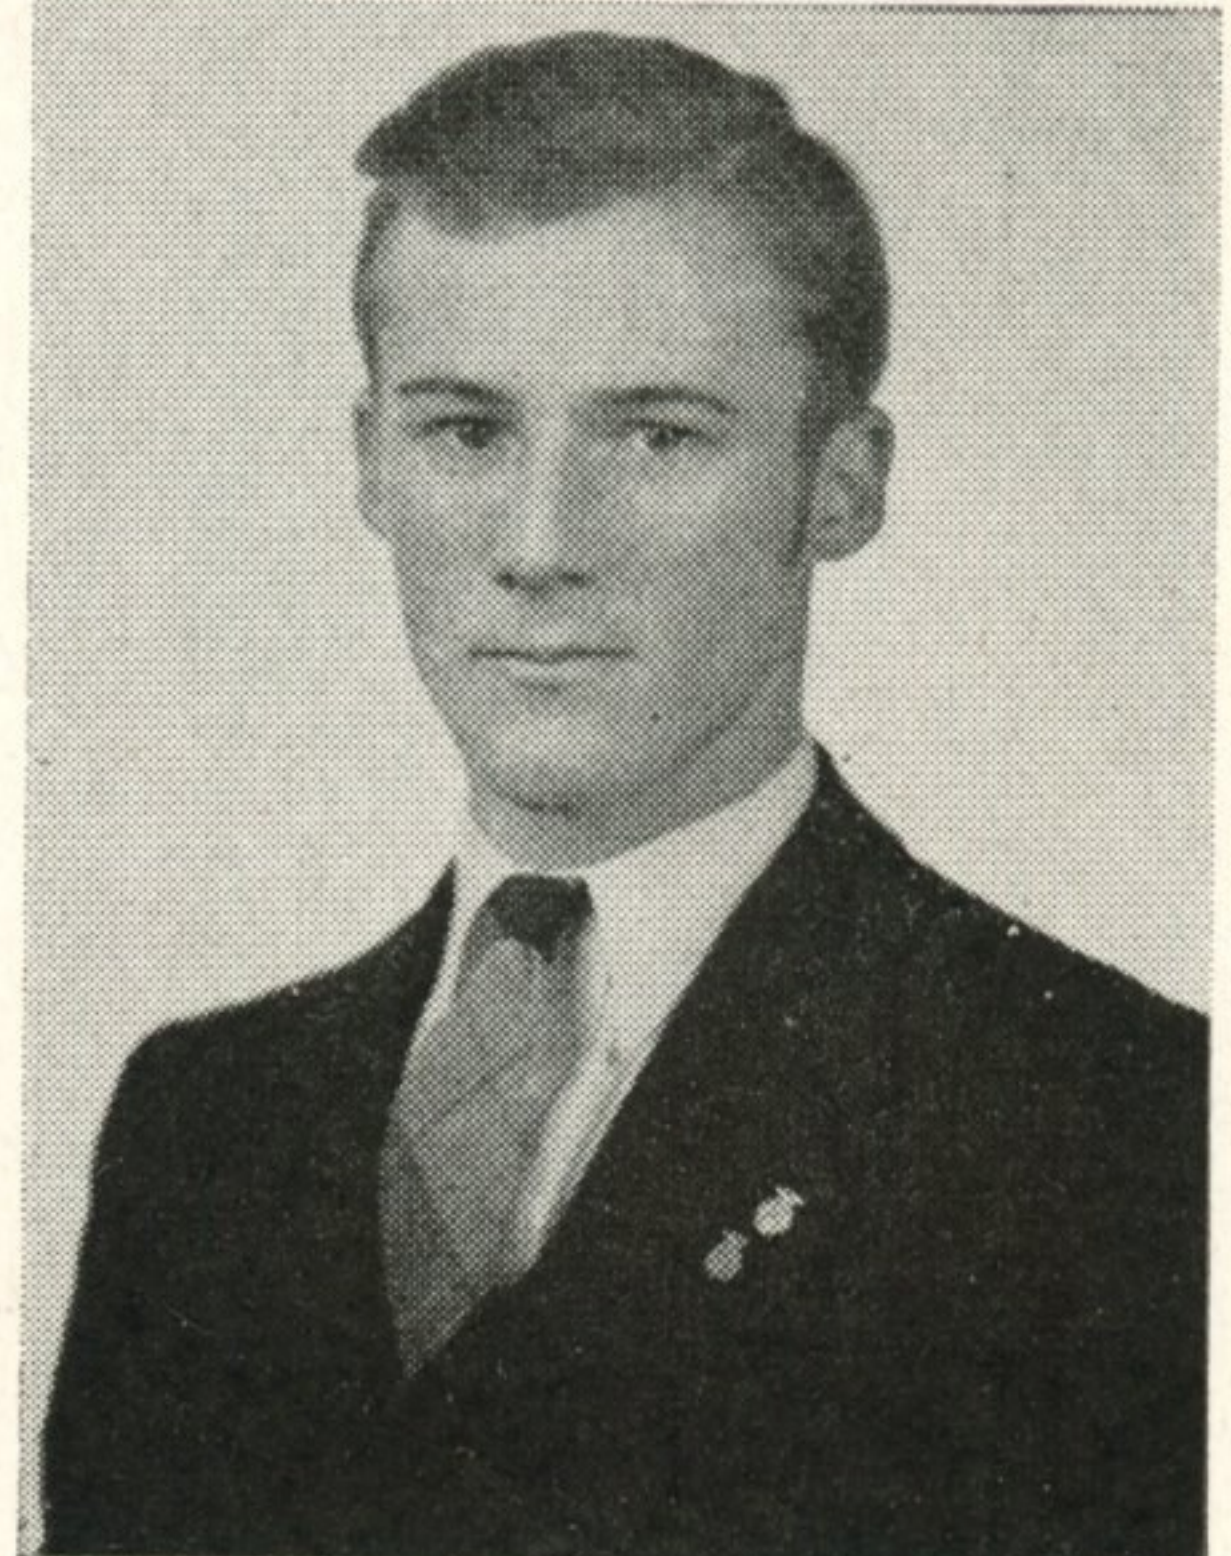

F.F.A. (1, 2, 3, 4), Science Club (1), Operetta (3), Soccer (3, 4), Basketball (2, 3, 4), Baseball (2), Volley Ball (3, 4), Class Day (4).

In his four years at C. T. H. S. "Charlie" has grown to be one of the biggest women pests known in the history of this school. One of his greatest desires is to grow a mustache, at the present time he has merely started, having five, just enough for a basketball team.

He has taken great interest and participated in as many sports as possible.

May he have the best of luck in every task he undergoes.

*If picking on girls is Charlie's delight,
We hope he gets one that sure can fight.*

MARVIN L. MECKLEY, Glen Rock R. D. 1, Pennsylvania
"Meck"

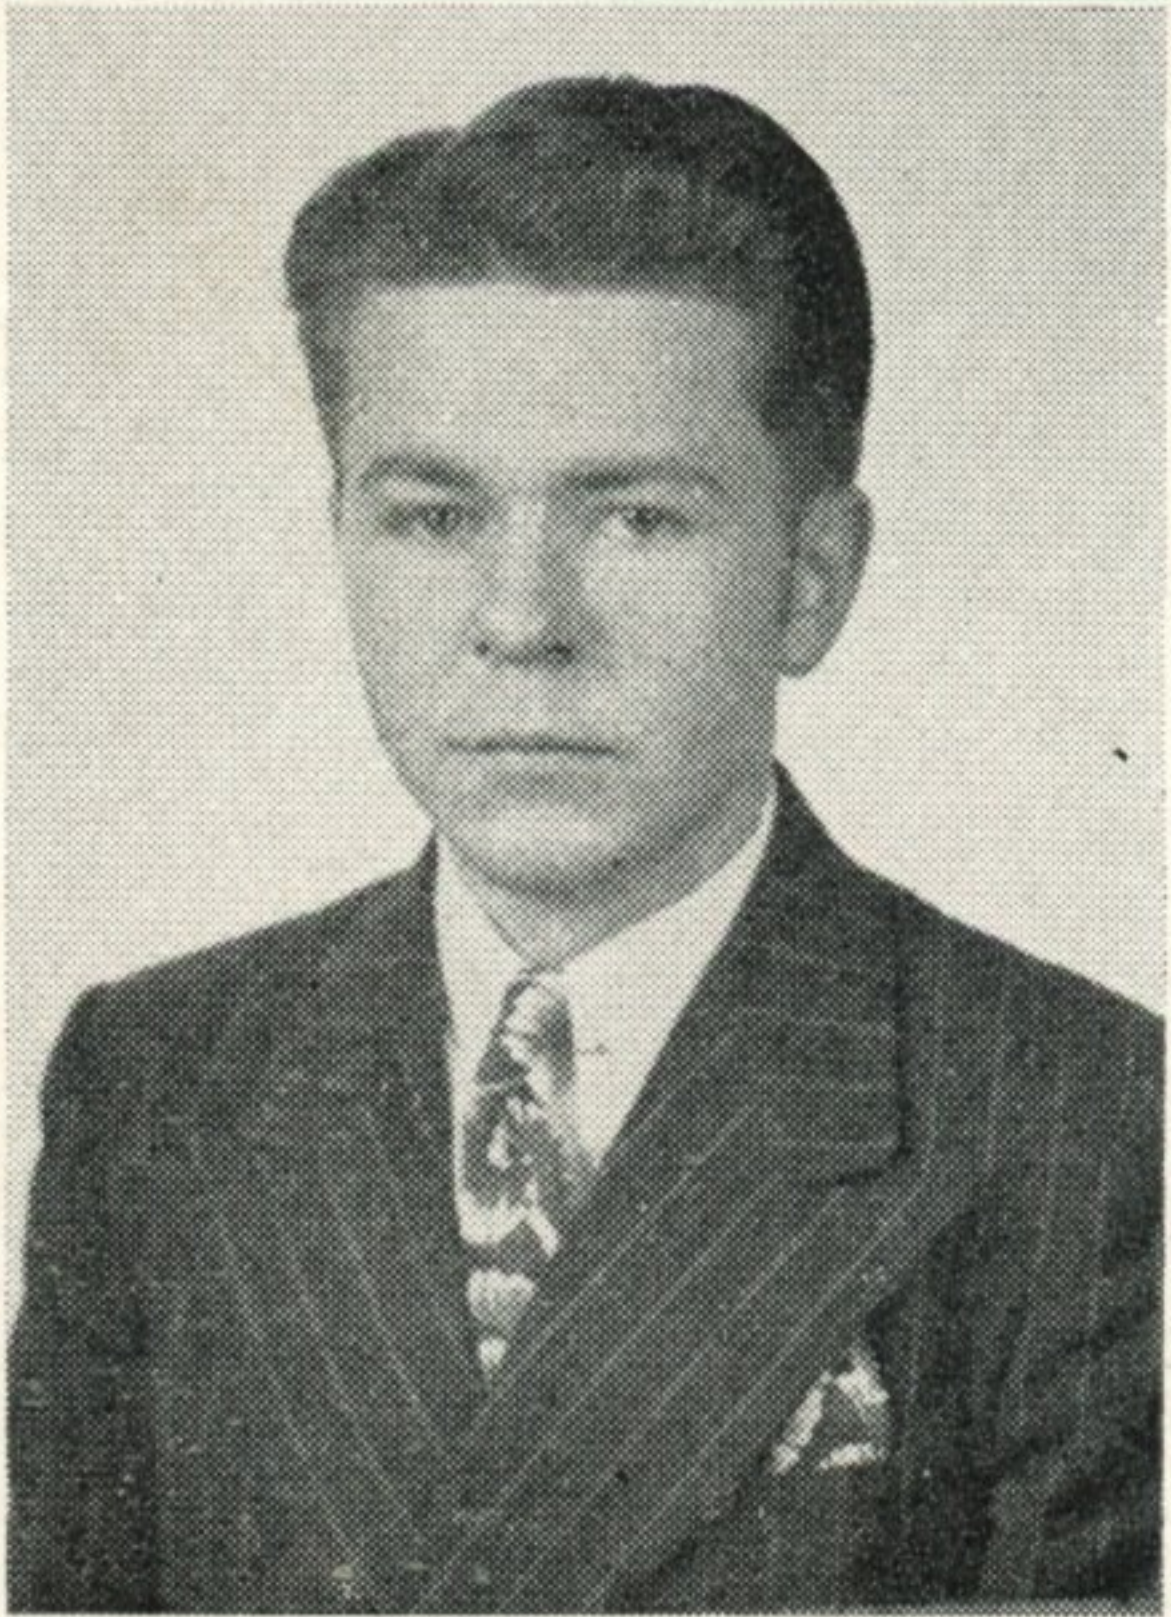

F.F.A. (1, 2, 3, 4), Science Club (1), Class Day (4).

"Meck" is a quiet fellow who keeps all his thoughts to himself. One's first impression when looking at him would be that he is very active. But he seems to show little interest in sports, although he enjoys himself in bowling and skating with girls from some nearby towns.

"Meck's" favorite subject seems to be agriculture and his greatest pleasure is driving a '38 Pontiac.

Although he has not set his mind on what he is going to do in the future, one of his greatest desires seems to be in serving in the U. S. Navy. Whatever it is we wish him success.

*When you get to know "Meck"
You find out he can really raise heck.*

JOHN A. MESSERSMITH, Brodbeck, Pennsylvania

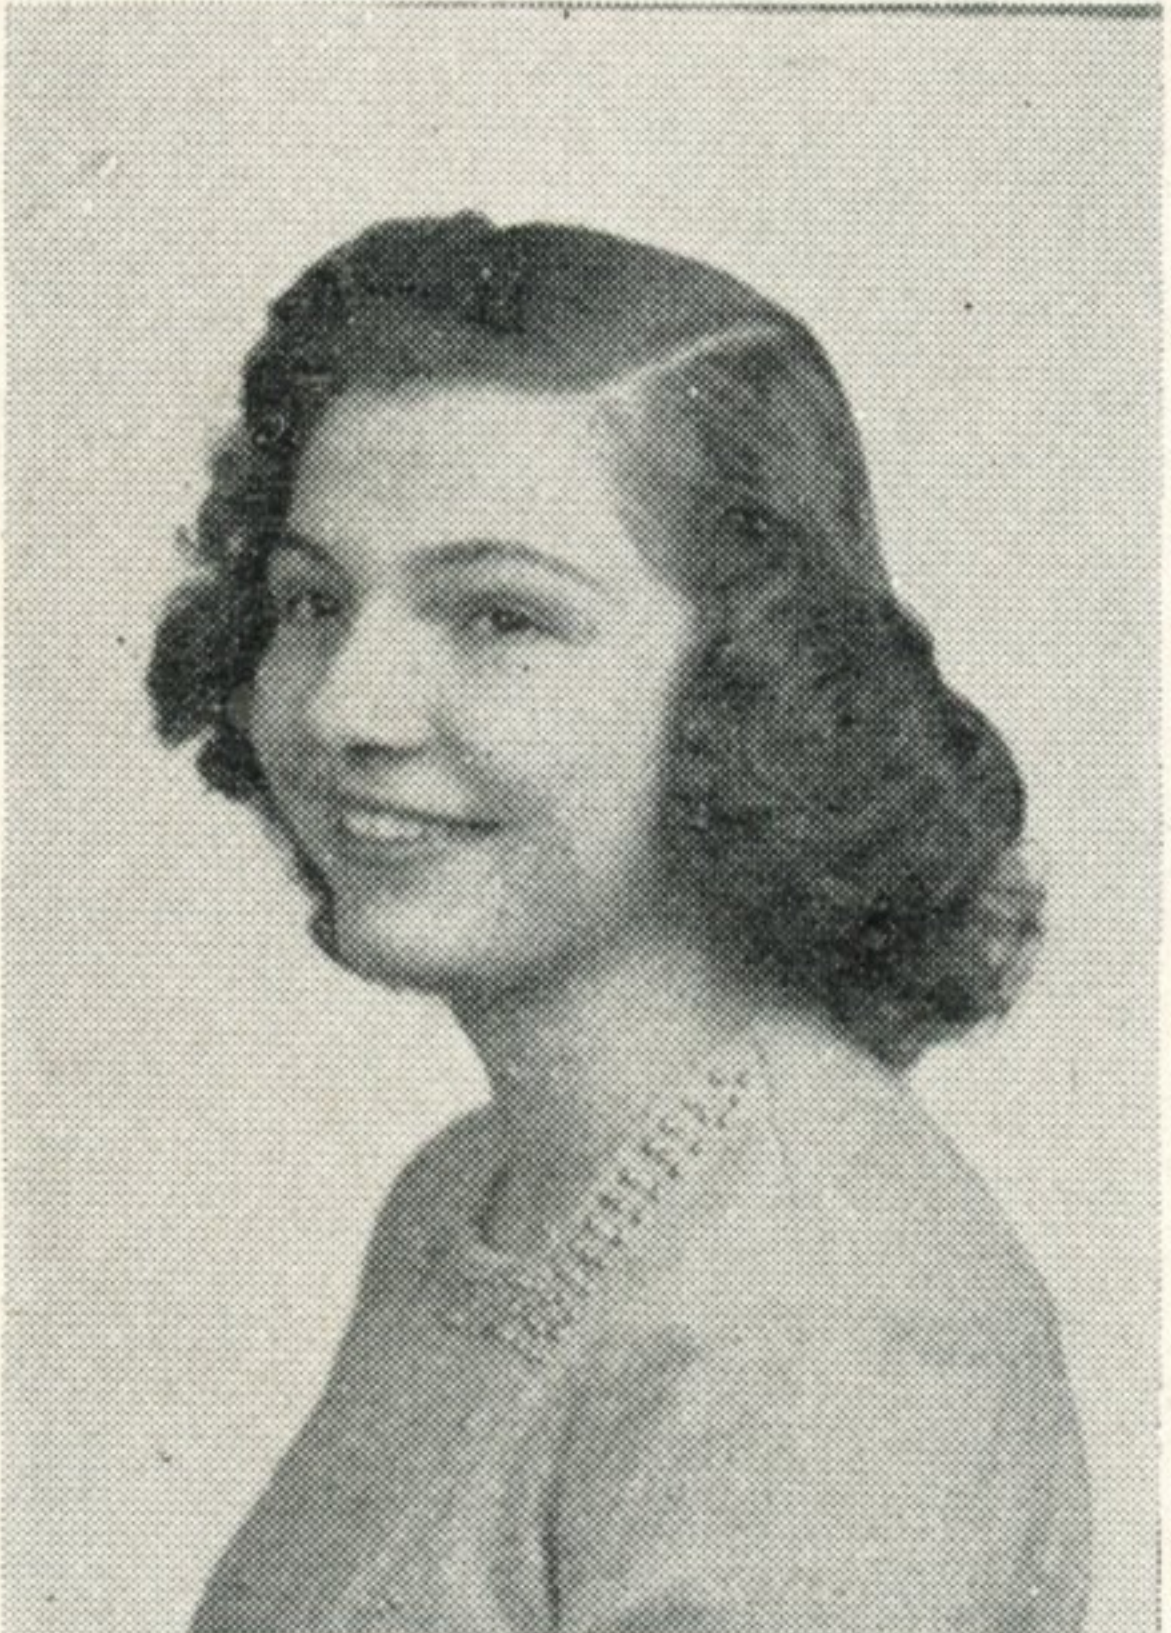

Literary Society (1, 2), Science Club (1, 3), Class Day (4).

A friend like John is hard to find; his good naturedness has won him many friends at school and around the vicinity of Spring Grove.

In school, John always had his work completed on time, and if any favor was asked of him it was always granted. Math is his favorite study and he also does a good bit of writing in his pastime.

John has not decided upon any occupation for the future unless he becomes one of Uncle Sam's nephews.

*In rain, sleet, or snow,
To Spring Grove John will go.*

AMELIA C. MILLER, Brodbeck, Pennsylvania
"Melia"

Secretary of Literary Society (2, 3, 4), Class Play (4), Vice President of Literary (4), Operetta (2, 3, 4), Basketball (3, 4), Volley Ball (2, 3, 4), Class Plays (3, 4), Debate (4), Literary Society (2, 3, 4), Science Club (1), Glen Echo (4), Librarian (2, 4), Cheerleading (3, 4).

Amelia served faithfully as the school pianist for three years. Being very tall, she displayed her great guarding ability on the basketball team and also took her place on volley ball team.

In dramatics she did not lack as she participated in the junior and senior plays, and she also took part in operettas.

"Melia" led a very active and busy life at C. T. H. S. in serving as a class officer and by doing her bit on the Glen Echo staff.

*Amelia, with her great skill,
Will make future music better still.*

LEONA O. MILLER, Seven Valleys R. D. 1, Pennsylvania
"Sis"

Science Club (1), Literary (1, 2, 3, 4), Operetta (4), Orchestra (1, 2, 3, 4), Glen Echo Staff (4), Basketball (3, 4), Volley Ball (2, 3, 4), Librarian (4), Class Day (4).

Meet the girl of the class who likes to eat (especially sweets). "Sis" also enjoys to swing that bow on her violin. She was the only violinist of our school orchestra for the past two years.

Now whenever "Sis" gets tired of her work or environment, she will begin to tell jokes or torment someone. She can find much more pleasure in this than in studying.

In athletics this lass showed some ability by playing on the basketball and volley ball teams. We all admit that "Sis" has given us much pleasure during our school career. She wishes to go in training to be a nurse, and we wish her the "best of luck."

*To be a nurse is one of her wishes,
But not the job of washing the dishes.*

MARY J. MILLER, Glen Rock R. D. 1, Pennsylvania

Science Club (1, 2), Literary Society (3, 4), Class Day (4), Exchange Editor of Glen Echo (4).

Meet one of the tallest girls of our class, Mary. Pleasant, reliable, and thoughtful best describe her. She is ever ready to do her part for her school, class and friends.

During her freshman year at C. T. H. S. she was rather bashful, but later this disappeared.

History seems to be her favorite subject, especially European.

Mary is not quite sure what the future holds for her, but whatever it may be we are sure that she will be successful.

*Faithful, kind, and true,
She will always stand by you.*

JAMES R. NEWCOMER, Glen Rock R. D. 3, Pennsylvania
"Jim"

F.F.A. (4), Class Day (4).

Jim is a friend of everyone, especially the weaker sex. His favorite argument seems to be on automobiles—"what kind? Chevy!" every Saturday night. "Jim" is now eighteen, and he thinks he will soon be following his brothers in the Army. Whatever "Jim" does we are sure he will be successful.

*One glance at "Jim" and you'd think he's quiet,
But get him started and there'll be a riot.*

ROBIN RAE RAVER, Glen Rock, Pennsylvania
"Raver"

Class Treasurer (3, 4), Literary Society (1, 2, 3, 4), Literary Reporter (4), Basketball (3, 4), Volley Ball (2, 3, 4), Cheer Leader (3, 4), Operetta (2, 3, 4), Chorus (2, 3), Class Day (4), Senior Class Play, Valentine Play (1), Library (4).

Meet the happy-go-lucky kid of the class. Whenever you hear a group of girls giggle from Room 6, Raver's sure to be found among them.

A great deal of Raver's time is occupied by playing the piano. One of the main delights seems to be visiting her aunt and uncle in Seven Valleys. It couldn't be because a certain senior boy lives there? ? ? We wonder! Her greatest interest seems to lie in sports and since her aim is to be a physical education teacher, we are sure that she will be successful. Good luck, Raver.

*Yelling at games is Raver's delight,
Cheering for "Spark" with all her might.*

CARROLL L. ROHRBAUGH, Seven Valleys R. D. 2, Pennsylvania
"Bert"

F.F.A. (1, 2, 3, 4), Vice President F.F.A. (4), Science Club (1), Soccer (3, 4), Basketball (3, 4), Baseball (4), Volley Ball (3, 4), Class Day (4).

Known as "Bert," by everyone in the halls of C. T. H. S., he is quite a handsome, husky, young lad. Between his many tricks, witty expressions, and a nature of the best; it is difficult to tell which won the scores of friends he has.

In Agriculture, one of his favorite subjects, he has a very favorable chance of winning the Keystone Degree of a future farmer.

Being a very active member in all sports, he was well recognized for his hard driven long kicks on the soccer team.

Because of his ability and willingness to do great work, we are sure he will have the best of luck which can bring nothing but success.

*A girl to tease, a prank to play;
Is seeing "Bert" the usual way.*

DORIS L. ROHRBAUGH, Codorus, Pennsylvania
"Lefty"

Class Day (4), Chorus (1, 2, 3, 4), Literary Society (1, 2, 3, 4), Science Club (1), Christmas Play (3), Secretary of Literary Society (3, 4), Musical Festival (3), Class Play (3, 4), Basketball (2, 3, 4), Volley Ball (2, 3, 4), Associate Editor Glen Echo (4), Leader Curtis Campaign (4), Track (2), Cheerleader (3, 4), Operetta (1, 2, 3, 4).

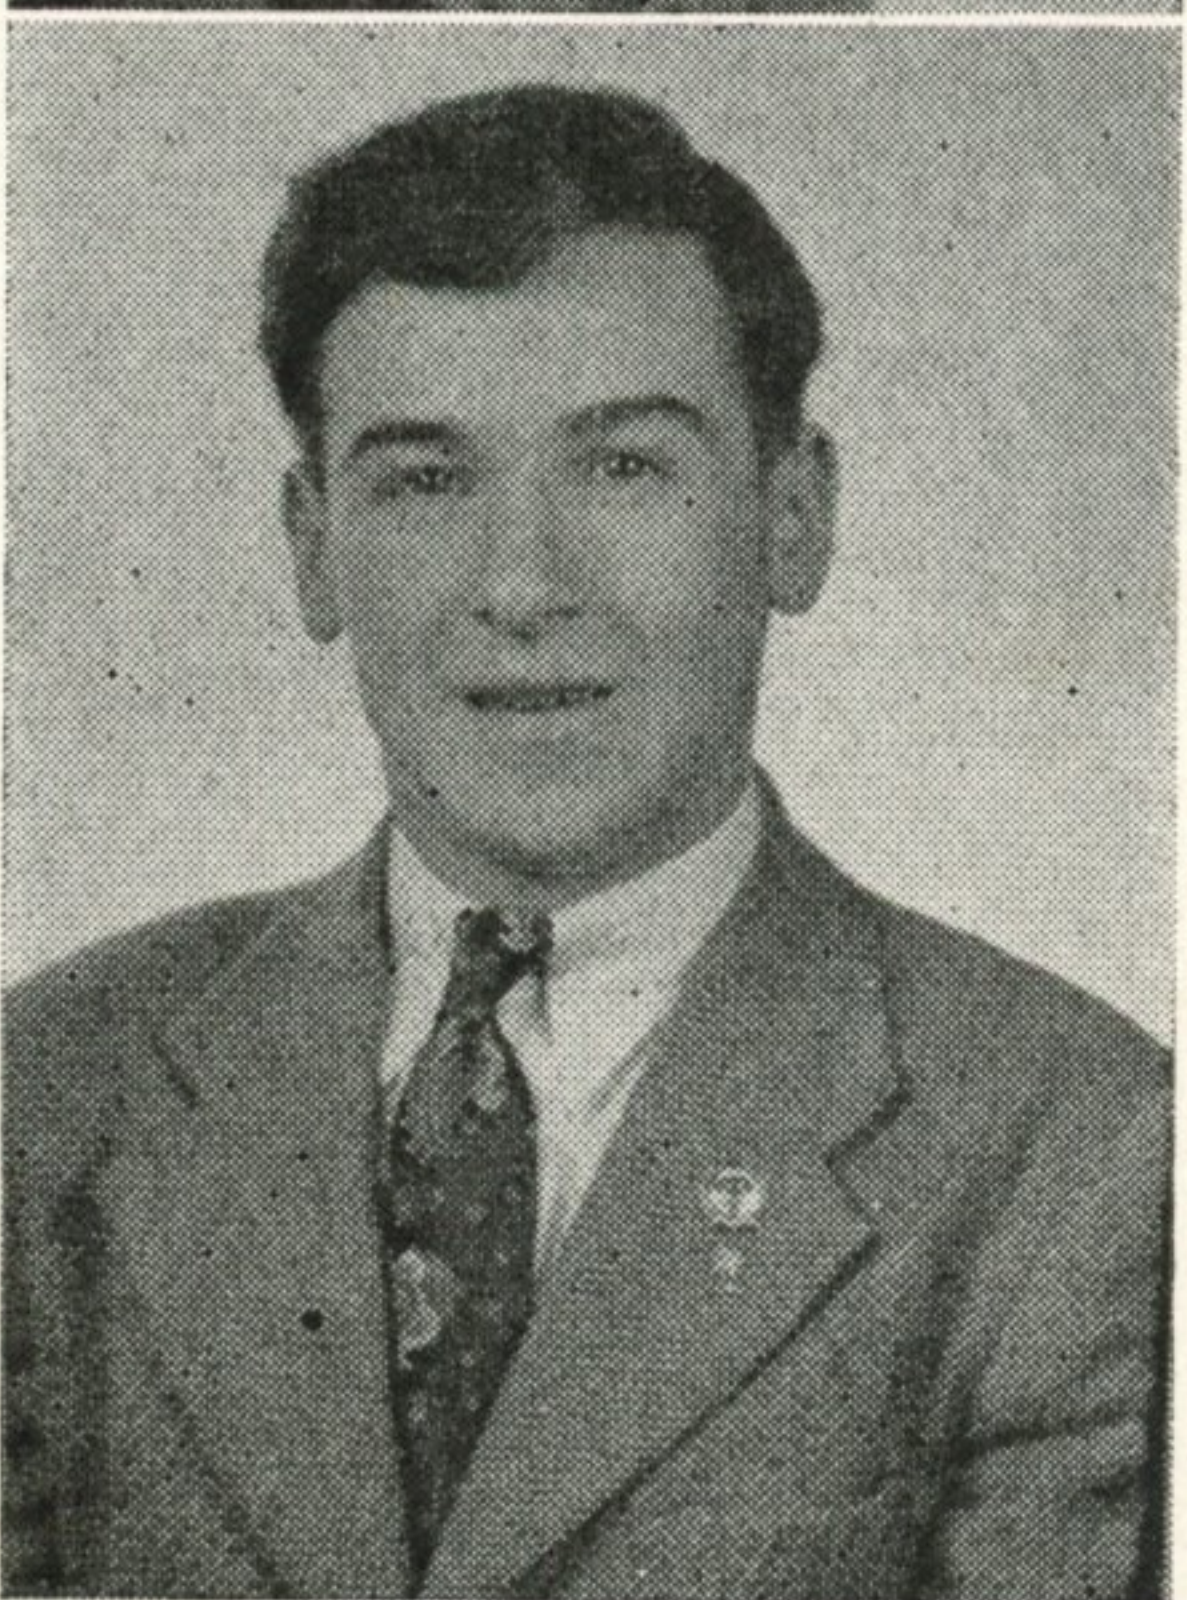

"Lefty" is well known in C. T. H. S. for her swiftness in basketball in which she played center forward and for her participation in volley ball.

She was also a member of the cheering squad which was organized last year.

As "Lizzie Mum" in the senior play we learned to know that "Lefty" also has abilities in the dramatic field.

"Lefty" is not sure of what she is going to choose for a career in the future. But we are sure with a pleasing personality like hers she is bound to be successful.

*While most girls prefer dating,
"Lefty's" heart is set on skating.*

MARLEN L. ROHRBAUGH, Spring Grove R. D. 2, Pennsylvania
"Marlen"

President of Class (4), Vice President of A.A. (4), Operetta (3), Science Club (1), Class Day (4), Class Play (3, 4), Baseball (2, 3, 4), Basketball (2, 3, 4), Soccer (3, 4), Business Manager of Glen Echo (4).

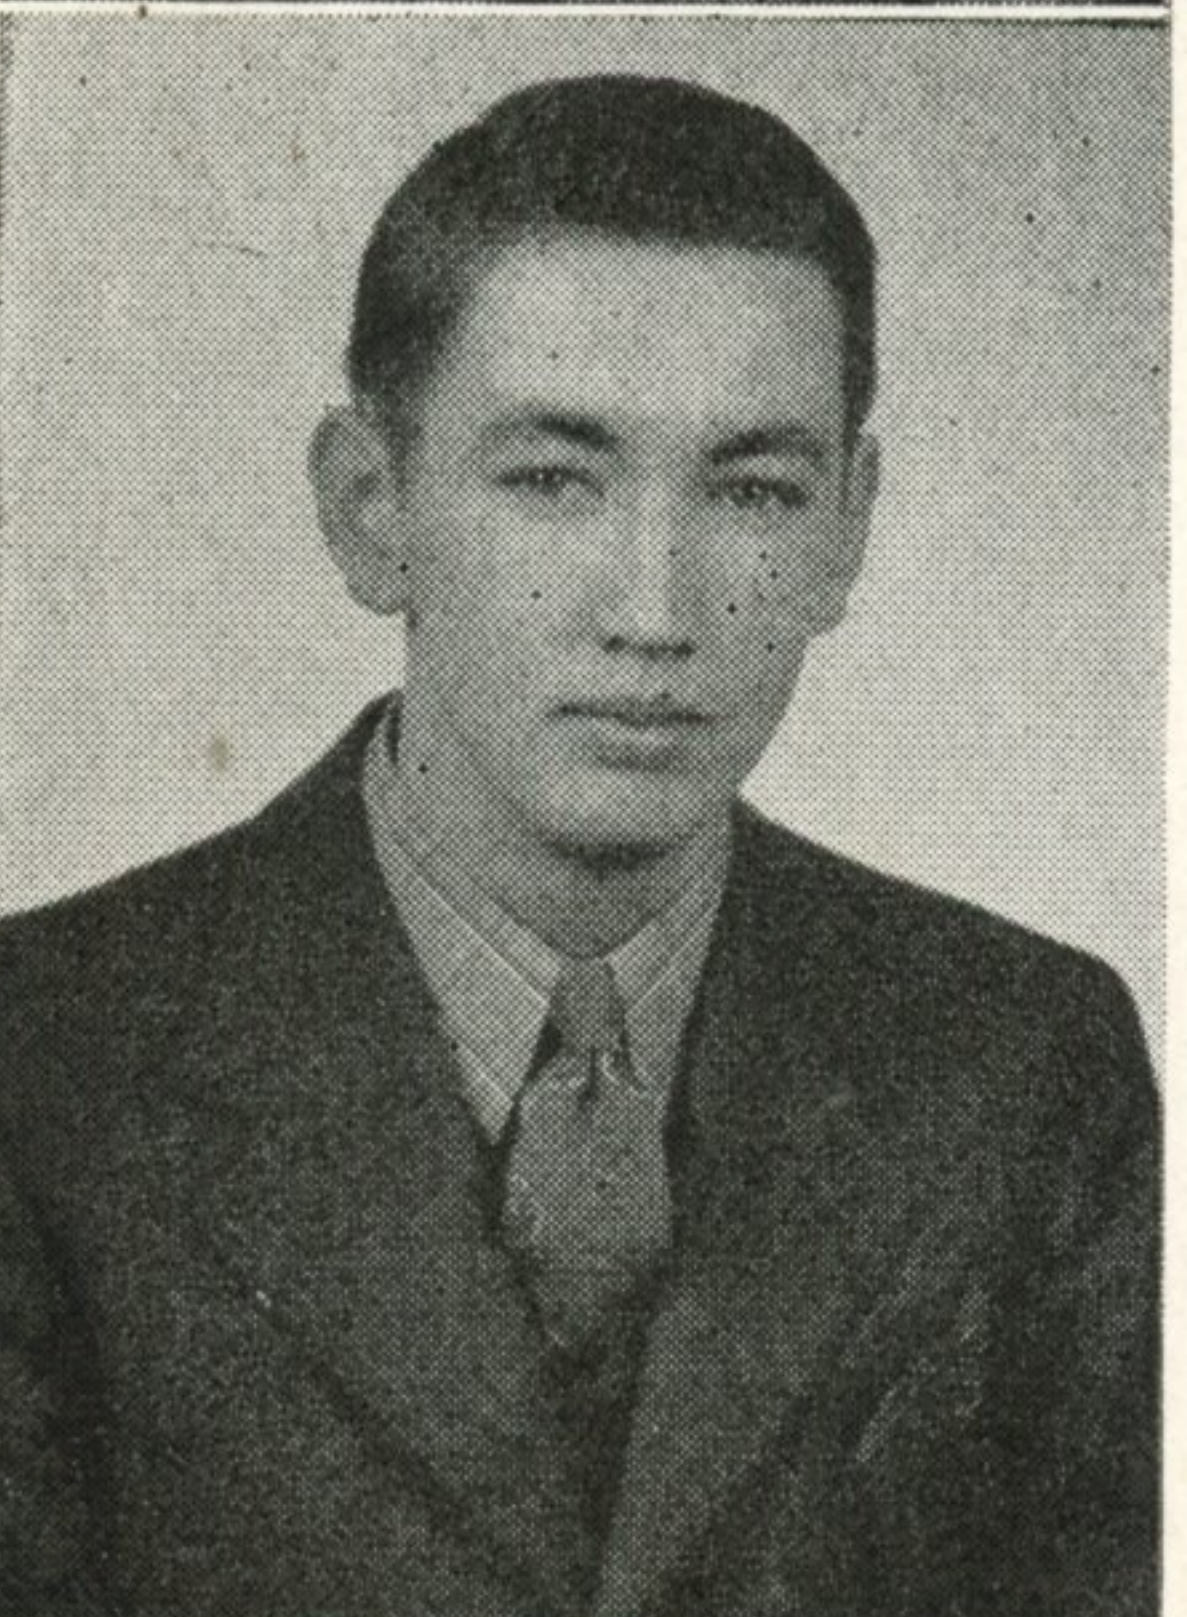

Marlen, a person who has a great athletic talent, certainly expects to make use of it in college, while training to be an athletic coach.

He also took a great interest in dramatics, participating in the junior play and having one of the leading parts, as "Dodd Keyes" in the senior play.

Marlen's Plymouth certainly came in handy to go to soccer, basketball and baseball games. The girls in the class of 1945 will always remember Marlen as one of the pestiest boys in the class.

We are sure that he will be successful and make a good coach.

*Although Marlen is not very tall,
In sports he is the best of all.*

ROBERT L. ROHRBAUGH, Seven Valleys, Pennsylvania
"Sparky"

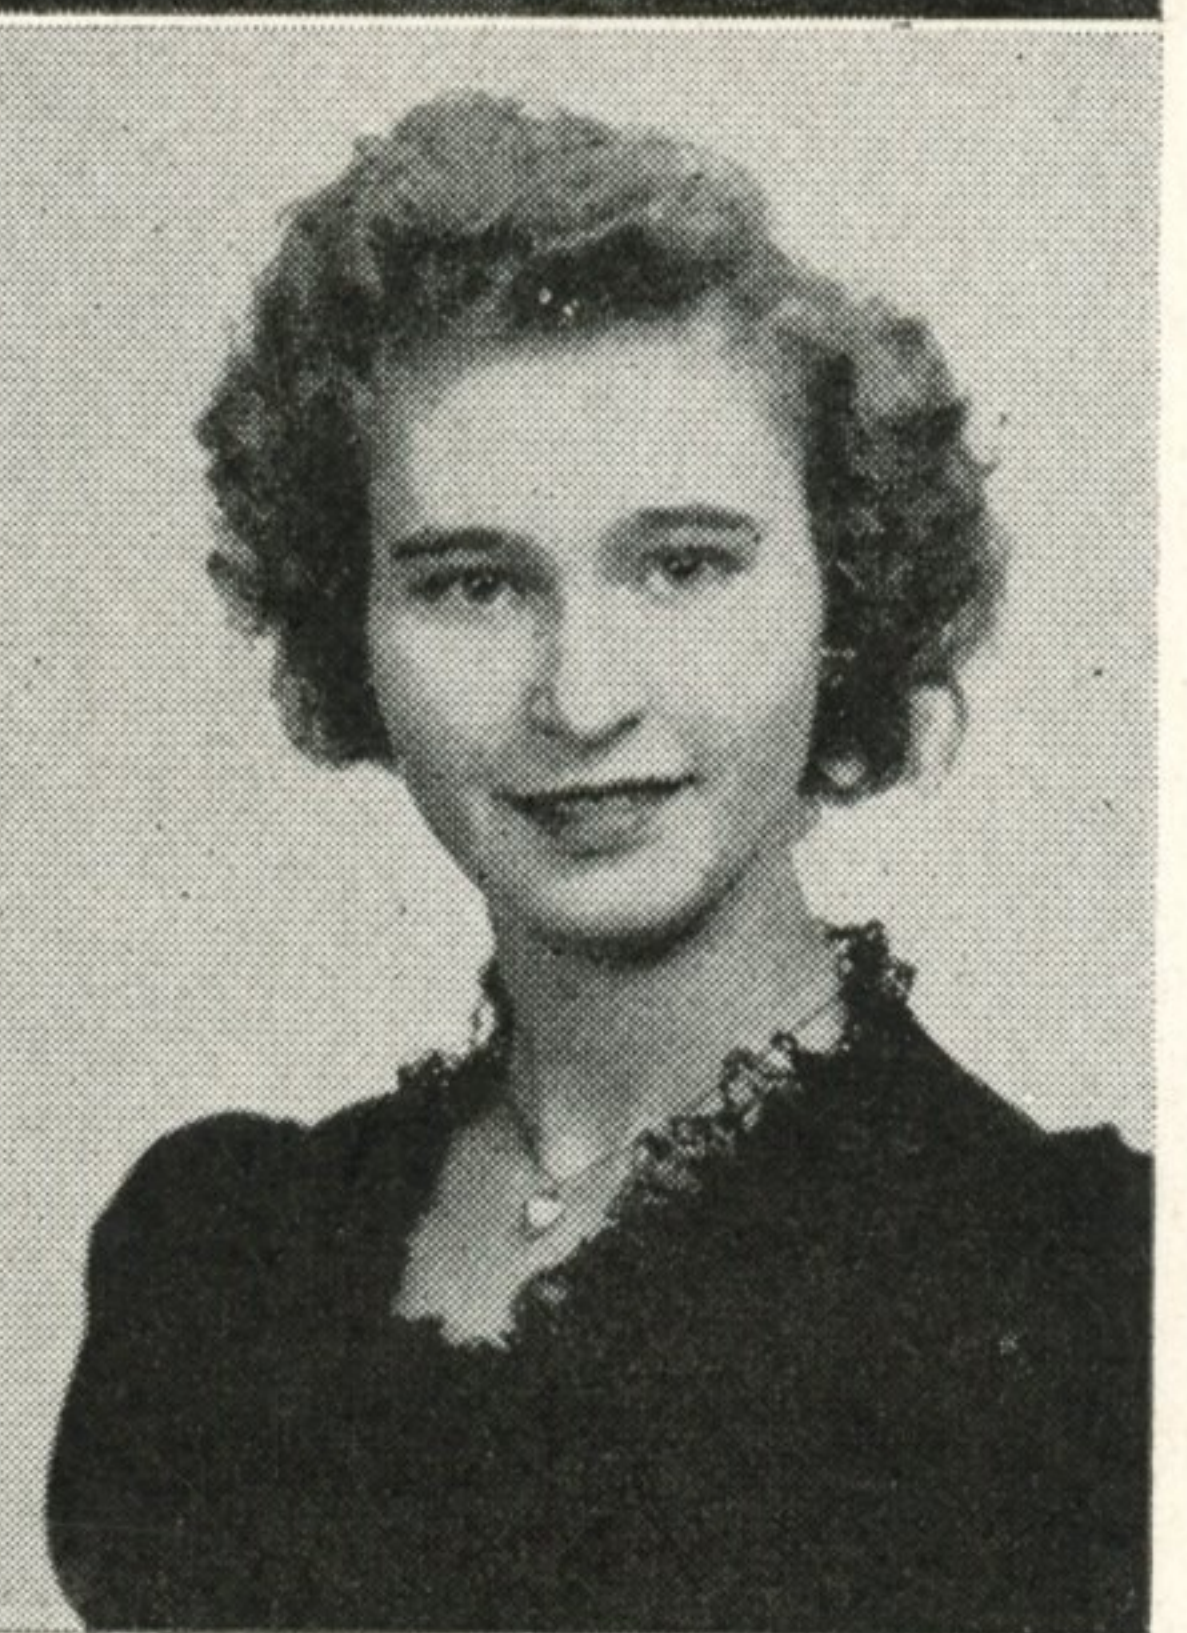

Science Club (1), F.F.A. (1, 2, 3, 4), Class Day (4), F.F.A. Reporter (4), Chorus (1, 2), Soccer (3, 4), Basketball (3, 4), Volley Ball (3, 4), Glen Echo Staff (4).

"Sparky" is one of the tallest boys of the class. Usually he can be seen driving his dad's Ford.

Teasing in study hall is one of his chief delights, but a certain senior girl also occupies a great deal of his time. He takes a great deal of interest in sports, especially soccer.

Whatever "Sparky" chooses as his career will prove to be a success.

*"Sparky's" Ford is his pride,
For those bumpy Rockwell Road rides.*

MARY H. ROSER, Seven Valleys R. D. 1, Pennsylvania
"Roser"

Literary Society (1, 2, 3, 4), Custodian of Literary Society (4), Class Play (4), Chorus (1, 2, 3, 4), Operetta (1, 2, 3, 4), Musical Festival (3), Humor Editor of Glen Echo (4), Leader of Curtis Campaign (4), School Librarian (4), Basketball (3, 4), Volley Ball (2, 3, 4), Cheerleader (3), Class Day (4).

Here is a girl to whom you can always look for help. She can also take her part as an actress. She took a part in the Junior play and in the Senior play as well.

"Roser's" pastime is driving "Catherine" (the name of her dad's car) around.

"Roser" is active in all sports. Her plans in the future are to attend Peabody Musical School. We wish much success to her.

*"Roser" always has time
To drop Carson a line.*

RAYMOND L. SCHROLL, Brodbeck's R. D. 1, Pennsylvania
"Schroll"

F.F.A. (1, 2, 3, 4), Operetta (1, 2), Soccer (3, 4), Basketball (3, 4), Baseball (3, 4), Volley Ball (3, 4), Class Day (4).

"Schroll" is one of the pesty type, especially to the opposite sex. Agriculture is his favorite study in school. He has taken part in all sports of C. T. H. S.

Hunting is one of his delights (especially the story end of it).

"Schroll's" favorite pastime is driving "very slowly" around Glenville with his International.

*To cowboy in a truck is his delight,
Though in sports you will find him ready to fight.*

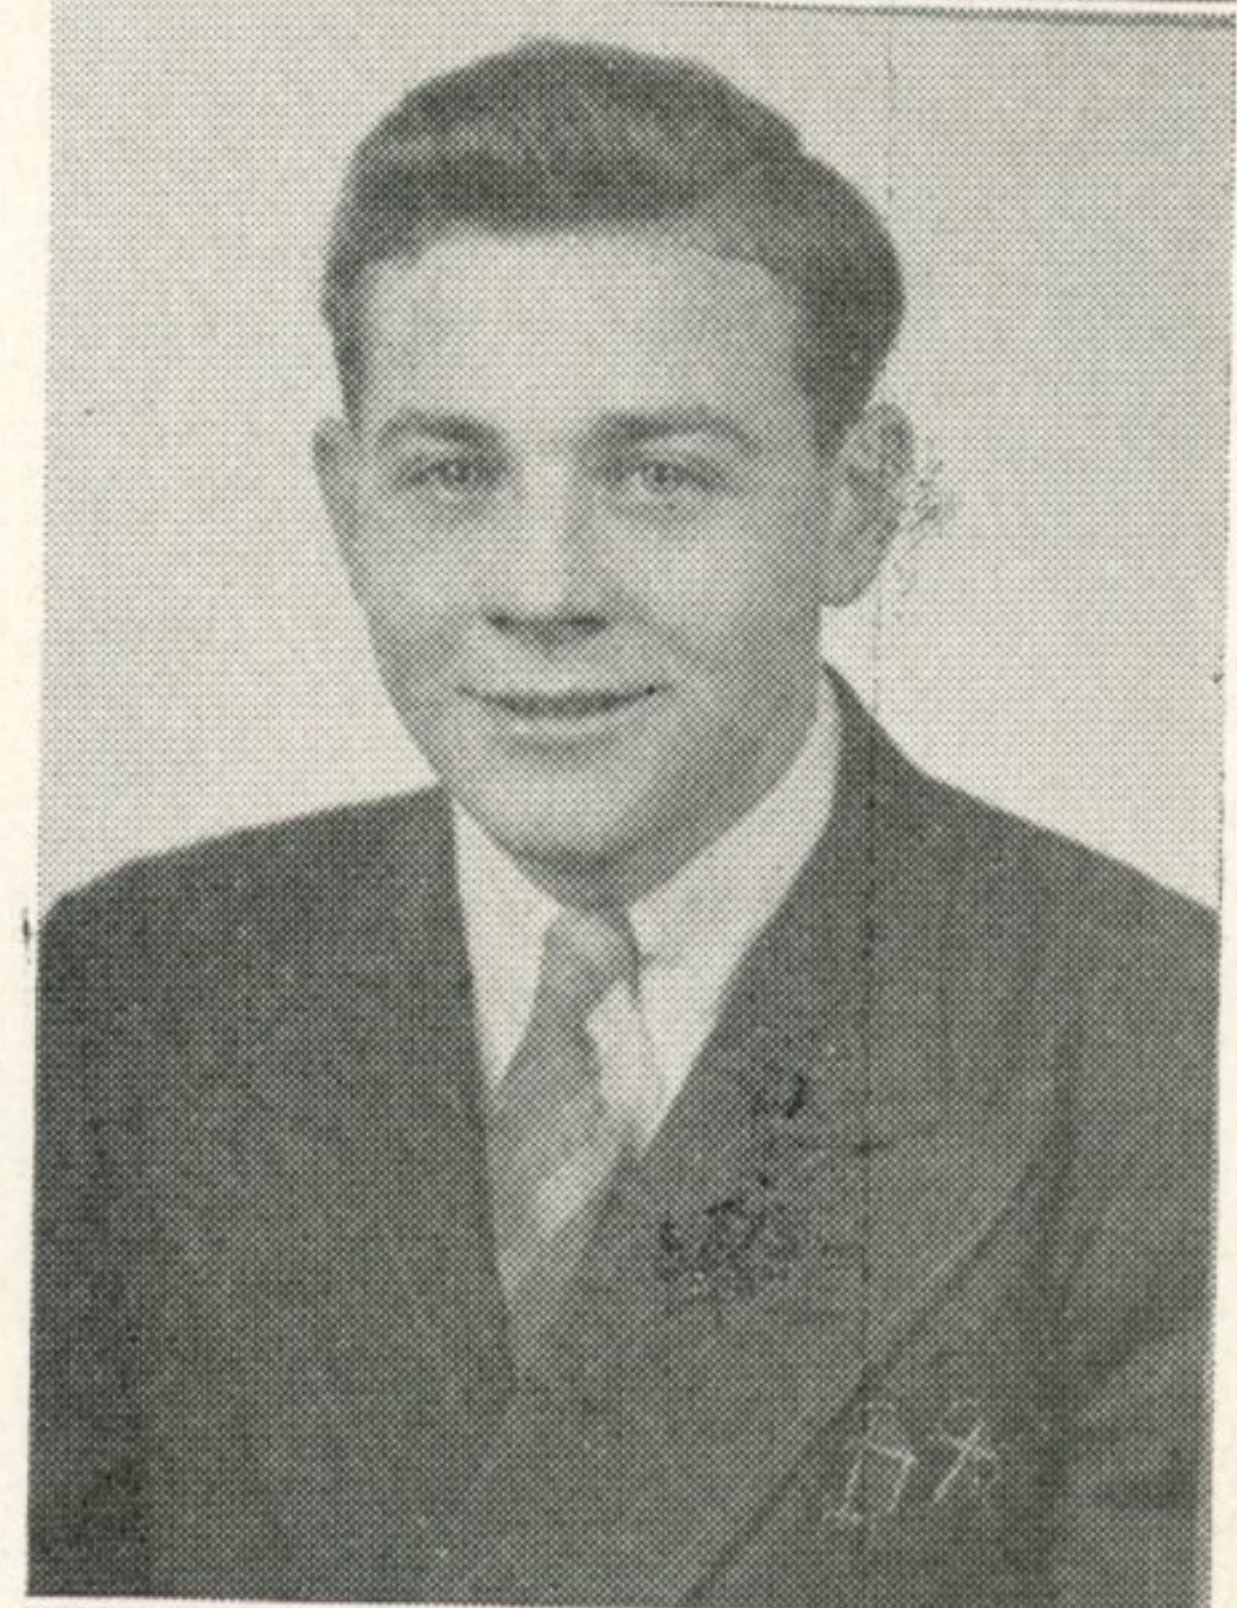

HAROLD J. SMITH, Glen Rock R. D. 1, Pennsylvania
"Smitty"

Basketball (3), Soccer (3, 4), F.F.A. (1, 2, 3, 4), Class Play (3, 4), Class Day (4), Operetta (3, 4), Assistant Circulation Manager of the Glen Echo (4), Vice President of Class (2, 3), President of Class (3).

"Smitty" is quite a classmate. He has excellent dramatic ability as was displayed in the Junior and Senior plays. He also played an important part in the operetta, "In Tulip Time." Harold was a faithful member of the F.F.A. for four years. He took an active interest in some sports. We hope "Smitty" will be successful in whatever he attempts to do, and we are sure he will not fail to find a helping hand in Glen Rock.

*To find his romantic thrill,
"Smitty" goes to Glen Rock hill.*

HAROLD L. SNYDER, Brodbeck's, Pennsylvania
"Rufus"

F.F.A. (1, 2, 3, 4), Class Day (2, 4), Soccer (4), Volley Ball (3, 4).

From the vicinity of Brodbeck's came this little lad who is known to everyone as "Rufus."

In classwork we find he is well prepared and willing to help anyone. However, he doesn't let his studies interfere with Saturday nights. We usually see a '33 Plymouth heading toward Hanover and wonder what can be the attraction there.

His chief desire is a '41 Plymouth or a motorcycle. We know that with his determination and ambition that he will be very successful in whatever he undertakes.

*To "Rufus" we wish much success
And many years of happiness.*

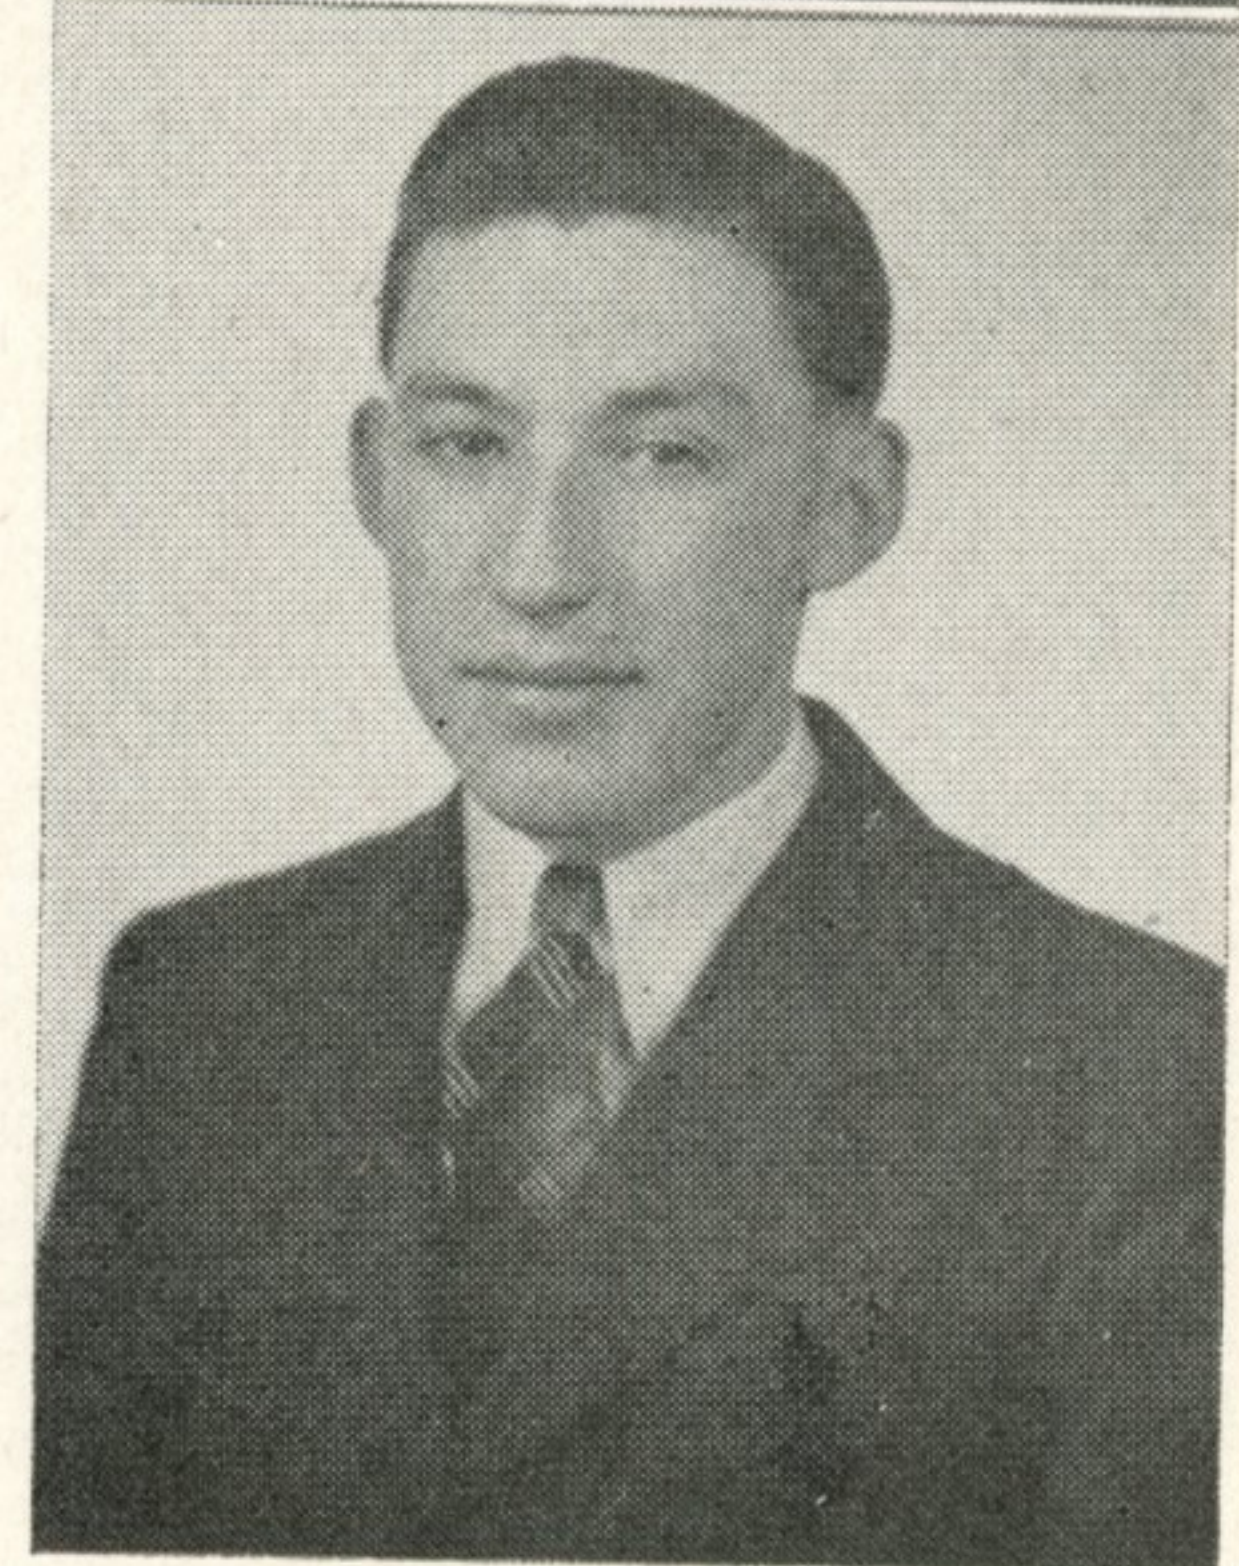

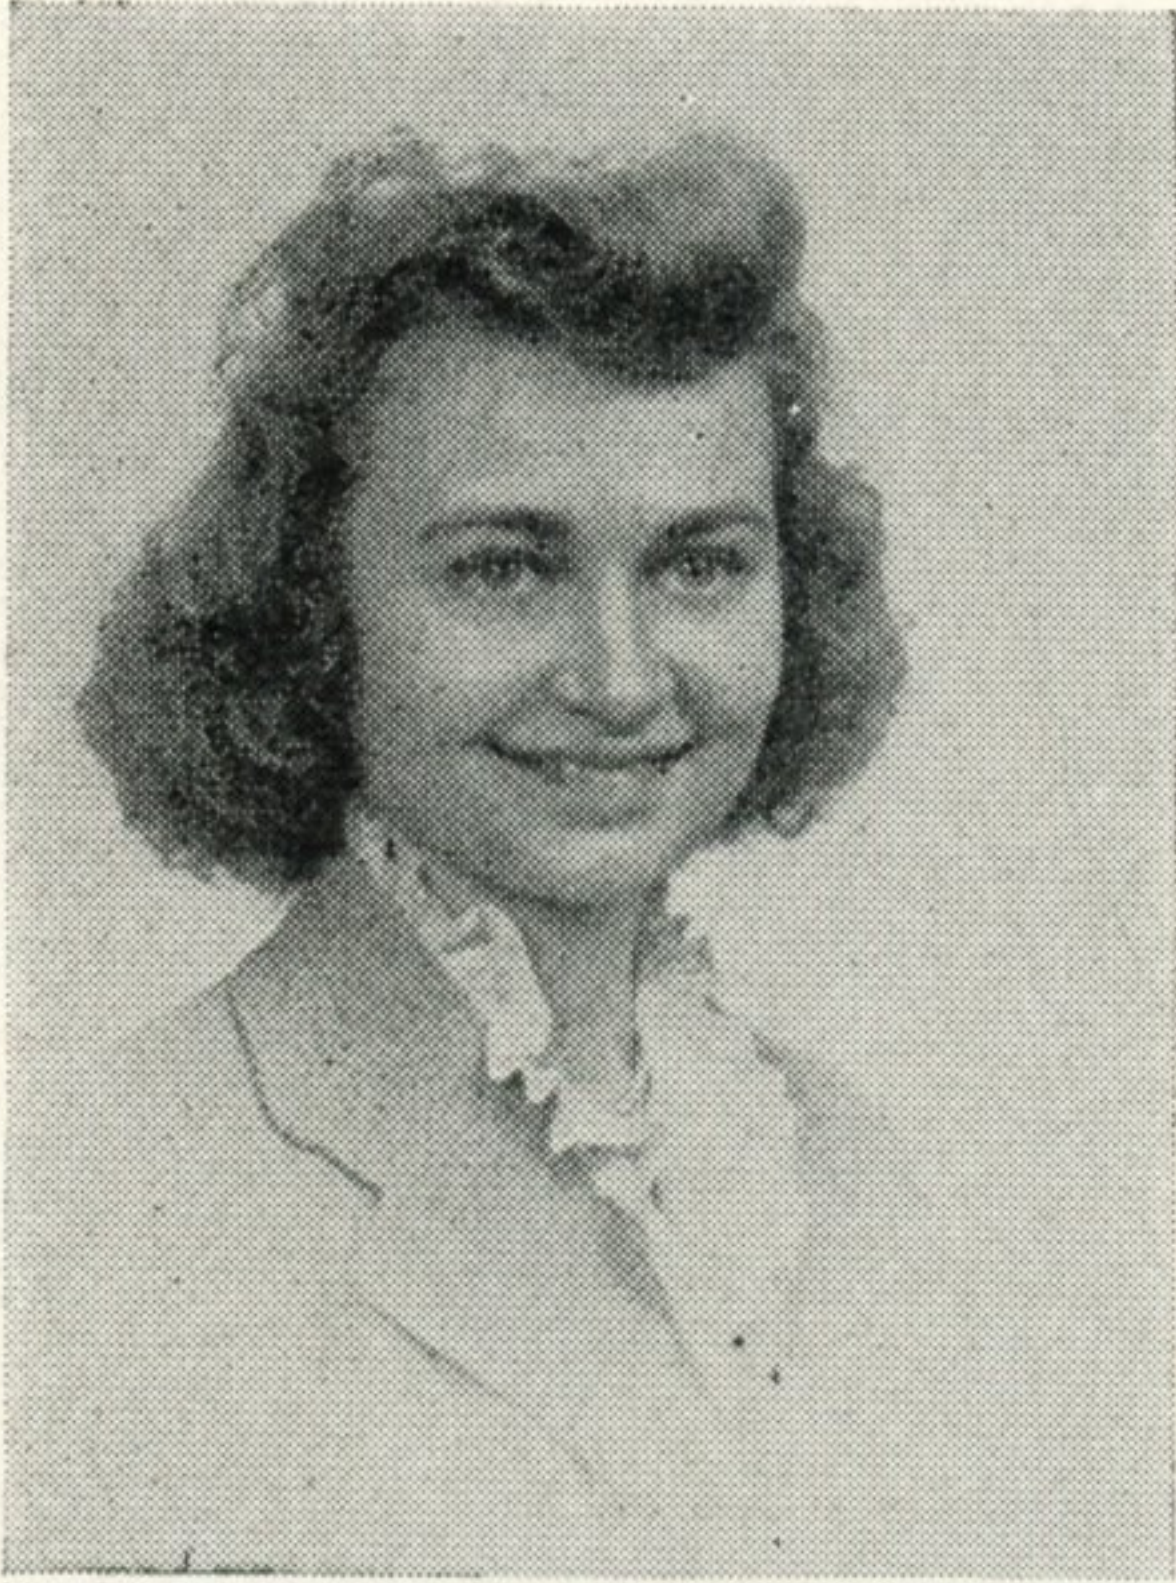

KENNETH M. SNYDER, Brodbeck's, Pennsylvania
"Snyder"

F.F.A. (1, 2, 3, 4), President of F.F.A. (4), President of Class (2), Rifle Club (2), Class Day (4).

"Snyder" is a friend to all. As for one of the "happy-go-lucky" fellows, "Snyder" is surely one of them. When laughter is heard, "Snyder" is usually around. His favorite pastimes are driving his '41 "Chevy" and sleeping in chemistry class. He seems to spend much time studying, and we know that whatever he undertakes after graduating he will be a great success.

*There was a time when "Snyder" was shy,
Now he's quite a popular guy.*

ARLEEN M. STINE, Seven Valleys R. D. 2, Pennsylvania
"Stiney"

Literary Society (1, 2, 3, 4), Literary Society Journalist (3), Class Reporter (1, 2, 3, 4), Operetta (3), Chorus (2, 3, 4), Leader of National War Fund (4), Class Day (4).

Ambitious, intelligent, and friendly are the words that best describe this lass. In school Arleen always has her lessons prepared with the best skill. As reporter of our class for four years, she has served faithfully. When one looks at Arleen, one's first impression is that she is shy, but get her started and she will prove the opposite. Arleen's plans for the future are not certain, but whatever she undertakes to do we are sure she will succeed.

*"Stiney," with her cheery smile
Will win friends for many a mile.*

PEARL E. WEHRLY, Glen Rock R. D. 1, Pennsylvania

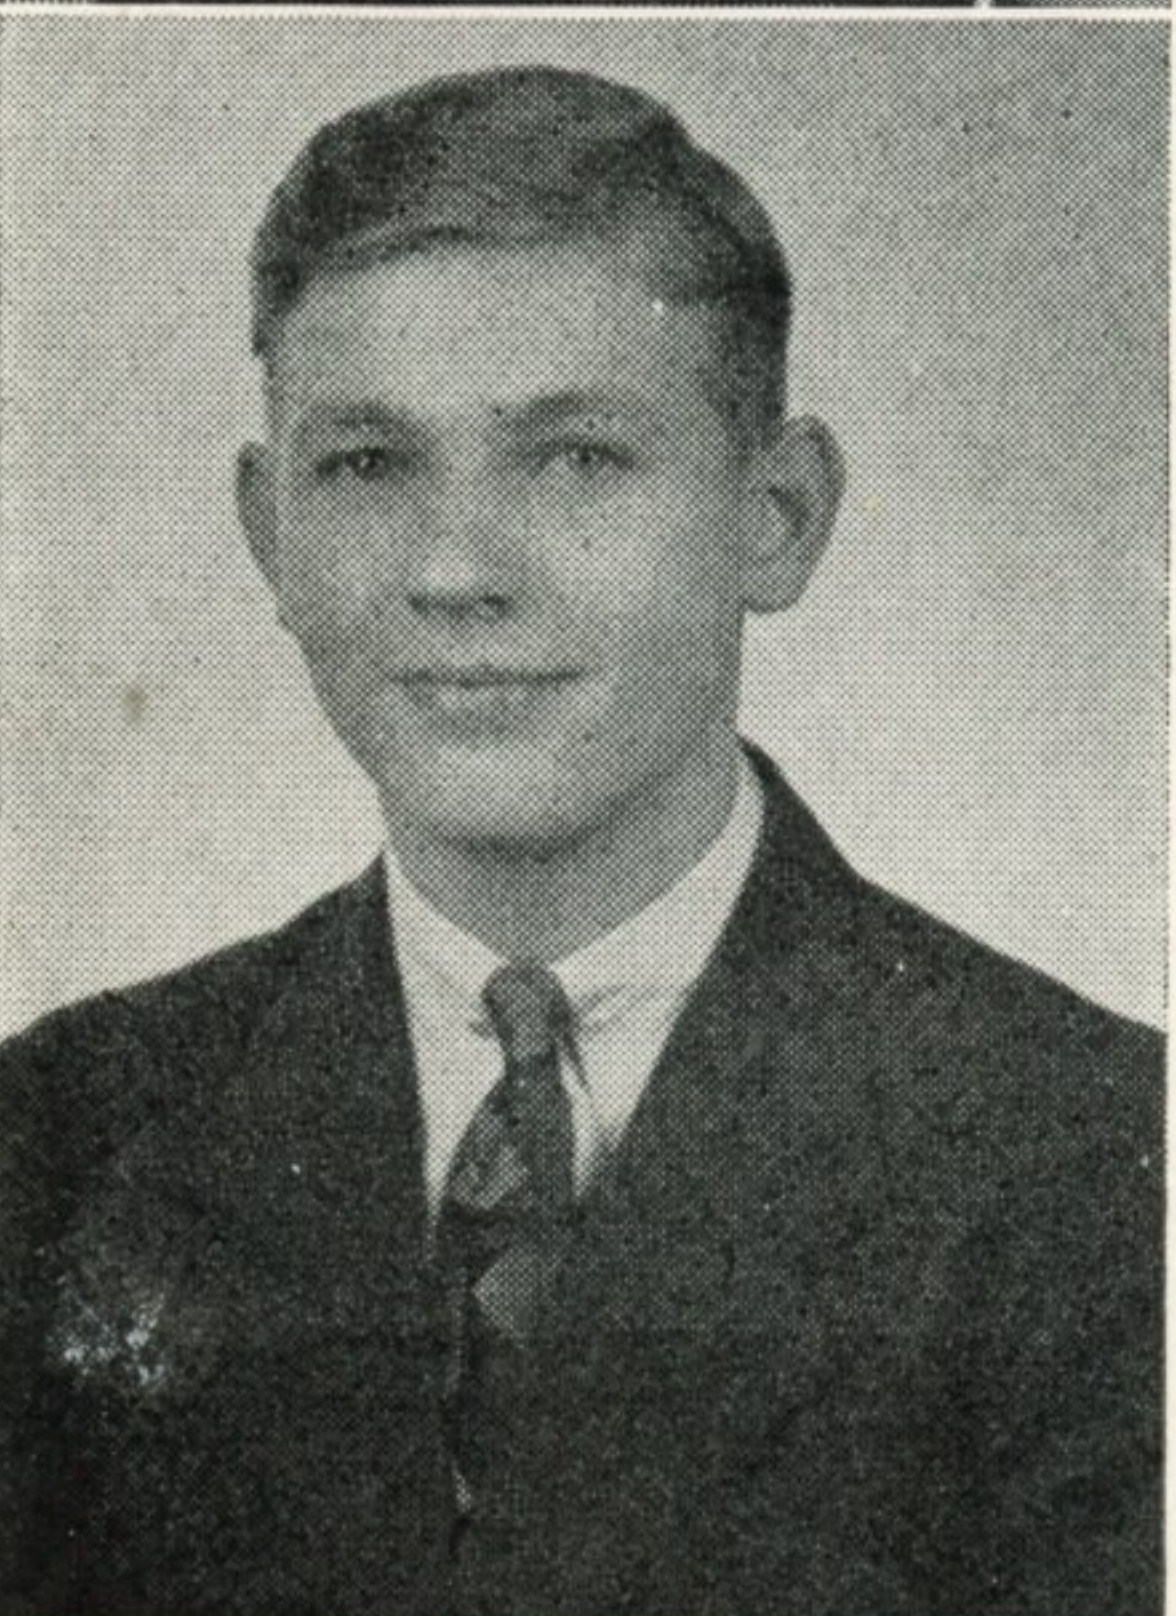

Science Club (1, 2), Literary Society (3, 4), Chorus (2, 3, 4), Junior Play (3), Senior Play (4), Operetta (2, 3, 4), Glen Echo Staff (4), Class President (1, 2), Class Day (4).

Pleasant, helpful, and studious gives a good description of Pearl. While serving as president of our class for two years, she was liked by everyone.

Besides her school work she finds time for music, of which she is very capable. Pearl showed her dramatic ability by taking part in our Junior and Senior plays.

After graduating she is not sure of what the future holds for her, but we, the class of '45, wish her much success in whatever she may undertake.

*Playing the piano is her treasure,
Five feet six inches is her measure.*

HENRY W. WERNER, Codorus, Pennsylvania
"Hen"

President of A.A. (4), Orchestra (1, 2), Chorus (3, 4), Operetta (3, 4), Class Play (3, 4), Christmas Play (2), Music Festival (1, 3), Science Club (1), Class Day (4), Baseball (1, 2, 3, 4), Basketball (3, 4), Soccer (3, 4), Sports Editor of Glen Echo (4).

During his entire school career, this tall, blond boy has been an outstanding figure at C. T. H. S.

Henry has shown his athletic ability by playing baseball, basketball, and soccer during his stay at Codorus.

He has also shown great dramatic ability in our Senior and Junior plays and also in school operettas.

Other activities usually take up more time than his books, but with all this he has also found time for a certain Senior girl from the Catholic Valley.

Best of luck to you in the future in whatever task you undertake.

*Although "Hen" is outstanding in his school career,
To a certain Senior girl he is always sincere.*

TREVA J. WERNER, Brodbeck's, Pennsylvania
"Corker"

Science Club (1), Literary (1, 2, 3, 4), Chorus (1, 2, 3, 4), Class Day (4), Basketball (3, 4), Volley Ball (3, 4), Operetta (1, 2, 3, 4), Music Festival (3).

Treva always has a cheerful smile and a joke for everyone.

She acquired the nickname of "Corker" by bringing Corkers to school and giving them to her classmates.

She is very active in sports. She enjoys basketball, kickball, volley ball and soccer. Her thoughts are turned very much to U. S. Army. Especially to a certain "Bill!"

After graduation she is not quite certain what she is going to do, but we hope she is successful in whatever she chooses to do.

We know she is looking forward to the day when her soldier friend returns. This may help her to decide her future life.

*Driving a car for her is pleasure,
Yankee Bill is her faithful treasure.*

CHARLOTTE E. YOST, Seven Valleys R. D. 1, Pennsylvania
"Yostie"

Historian of Class (1, 2), Literary Society (1, 2, 3, 4), Chorus (3, 4), Junior Associate Editor of Glen Echo (3), Editor-in-Chief of Glen Echo (4), Operetta (3, 4), Class Play (3, 4), Class Day (4), Librarian (1, 2).

Meet the Editor-in-Chief of our Glen Echo, who was willing to shoulder many problems and responsibilities. She is tall, slim, and attractive. Charlotte possesses fine qualities that very easily were shown to all of us. She has done excellent work as an actor in both Junior and Senior class plays; she also has shown her ability to dance in the operetta, "In Tulip Time." Charlotte has an interest with the opposite sex as well as her own. Do you remember the small guy she admired since a freshman?

Charlotte hopes to be a Cadet Nurse; her giggles and cheery smile will surely help her to succeed.

*May success always be with you,
As a nurse dressed in white or blue.*

"Always Lead, Never Follow"

Lead your comrades to the best,
Be the leader, don't follow the rest.
Not all can be leaders that is true,
But take a good part in whatever you do.

Like Lincoln and Washington let us strive to be,
Leading the way to set hearts free.
Though some may laugh when you start things new,
Get them to help you and lead the way through.

When setting out for a new career,
And life seems very dull and drear,
These words may you hear as if from a hollow,
"Always Lead, Never Follow."

Senior Class History

Having been faithful in our duties, we have now reached the peak of our goal. As we, the class of 1945, stand on the brink of graduation, we recall many incidents which took place at C. T. H. S. and would like to share them with you.

In the fall of 1941 a caravan of sixty-seven shy Freshmen were found entering C. T. H. S. From the very beginning we were proud of our class, as it was the largest one that C. T. H. S. ever had.

As time went on, most of our timidness disappeared, and we began the task of organizing our class. We chose the class officers as follows: President, Pearl Wehrly; Vice President, Kenneth Snyder; Secretary, Romaine Boose; Treasurer, Effie Deyton; Reporter, Arleen Stine; Historian, Charlotte Yost. Afterwards we selected our class motto: "Always Lead, Never Follow"; class flower, Red Carnation; class colors, Navy Blue and Pink.

As Freshmen we participated in many school activities. Charlotte Yost served as an alternate in a spelling contest between Hanover High School and C. T. H. S.

Upon returning to C. T. H. S. as Sophomores we learned that only fifty-one of our classmates remained. However, we received three new members. For our Sophomore year we selected the following officers: President, Pearl Wehrly; Vice Presidents, Harold Smith and Kenneth Snyder; Secretary, Amelia Miller; Treasurer, Effie Deyton; Reporter, Arleen Stine; Historian, Charlotte Yost.

This year members of our class appeared in the chorus and cast of the operetta, "Hearts and Blossoms." We also presented a play, "Christmas At Barney McGee's," in the auditorium of C. T. H. S. Several Sophomore boys had achieved positions on various athletic teams, while the girls displayed their skill in volley ball and basketball.

To be called "Jolly Juniors" was one of our greatest desires, and also to have the honor of being known as the upperclassmen of C. T. H. S. When we returned to school as Juniors our class membership decreased to forty-one. The following officers served during our Junior year: President, Daniel Lehman; Vice President, Harold Smith; Secretary, Amelia Miller; Treasurer, Effie Deyton; Reporter, Arleen Stine; Historian, Miriam Brenneman. Due to the discontinuing of school by Daniel Lehman and Effie Deyton, their offices were taken over by Harold Smith and Robin Raver. Later we chose Mr. Fuhrman as class adviser and also changed our class colors to canary yellow and black.

The operetta, "In Tulip Time," was presented at C. T. H. S. with quite a few Juniors in the cast, and still others in the chorus. Several members had the opportunity to go to the music festival at Spring Grove High School.

A highlight of this year was the presentation of our Junior play, "Mumbo Jumbo." As in the preceding years, the boys and girls participated in all school activities. The girls of C. T. H. S. again won the volley ball tournament held at Wrightsville, in which quite a few of our class took part.

Our Senior year found us with a band of only thirty-seven members, but we were more determined than ever to make it the best year at C. T. H. S.

The same class officers resumed their responsibilities with two exceptions—Marlen Rohrbach took the office of President and Stewart Bortner that of Vice President.

A big event this year was the successful presentation of our Senior play, "Tell It to the Marines." We were told that it was the first year that a member of each class had taken part in a senior play.

This year the boys were in the basketball league, and the varsity team consisted of all Seniors. The girls also were very active in sports.

The D.A.R. essays were written on "The History of the Carlisle Barracks, Carlisle, Pa."

These are some of the many delightful incidents which occurred during our days at C. T. H. S. Although some of the boys in our class have already entered into the service and others expect to be called, we will strive to "Always Lead, Never Follow."

Class Poem

As a group of Freshmen we started school
At first we thought we would only fool.
The teachers with a little persuasion
Showed they could master the situation.

We found as Sophomores our task was harder
And determined to keep on striving farther.
In athletics we found much pride and joy.
High school was just the thing. Boy, oh boy!

Returning to the hill with a higher goal in mind.
We found that the teachers were very kind.
With pride we carried the honor of being upperclassmen.
To those below us our joys we did lend.

As graduation now quickly draws nigh,
We have found it hard to say good-bye.
And as we fought through trials old and new,
The time has now come to say adieu.

Class Song

Tune: "Good Night, Sweetheart"

Farewell, Codorus, we shall soon be leaving
All fond memories to us will be cleaving.
Tears and parting may make us forlorn,
But with our class—a new hope is born.
(So we'll say): Farewell, Codorus, we will always miss you,
Farewell, Codorus, still to you we'll be true,
When times are blue, we'll try to see them through.
Farewell, Codorus, farewell!

Farewell, Codorus, now we have to leave thee,
Do not ever let our parting grieve thee.
Joys and memories may make us all mourn,
But with the dawn—a new career is born.
(So we'll say): Farewell, Codorus, tho' we're not beside you,
Farewell, Codorus, still our ways will guide you.
Schemes enfold you, in each one we'll hold you,
Farewell, Codorus, farewell!

Class Prophecy

Time quickly passes by,
Now we are alumni.
Into the year of "65"
We look to those who strive.

Driving on our way to Glenville,
Guess who we meet upon the hill?
Lawrence and Carroll, two local farmers,
Are now at work with Allis-Chalmers.

Look! Now what we see in view,
A large building remodeled and new.
Let us now enter into the hallway,
And see all that passes our way.

Six rooms only, but now many more,
So why not enter in this door?
A surprise! Our classmate, Lucille,
Is teaching Latin with great skill.

Elaine stands before an English class,
And all her pupils will surely pass.
Mildred greets us with great pleasure,
For History class is her treasure.

Music is heard from the lower floor.
Doris, Pearl and Amelia meet us at the door.
Teaching music is very neat,
Learning talents and singing sweet.

Raver, now a teacher of physical ed,
Has succeeded in getting ahead.
As we pass the school we hear a familiar call
And to our surprise it is Marlen, the coach of basketball.

Close to the country around Brodbeck's,
Where Farmer Snyder raises potatoes by pecks,
Meckley's farm is not far away
Where he and his family work hard each day.

In a little house erected upon the hill,
Here we find Treva and Bill.
The happy family living next door,
Is Carson and Mary with their family of four.

Stewart Bortner's mind always wandered to the sky,
Now we can see his airplane flying on high.
And as you hurry down the street,
Warren, the contractor, you chance to meet.

Betty is now a farmer's wife,
And she leads a very successful life.
Smitty and Baublitz find married life fine,
On his farm he has cows, chickens and swine.

Newcomer prints for the Daily Times,
And everyone is eager to read the lines.
Becker has become a faithful assistant,
Carrying the papers quite a long distance.

In the neat little office we see,
Stiney's fingers glide over each typewriter key.
Gettle also types words all day;
A lot of hard work and a large pay.

Robert and Kenneth, two friends of old,
Have already earned their share of gold.
Charlie and Raymond have large dairy farms,
Insuring their properties from all danger and harm.

Charlotte and Leona are faithful evermore,
Nurses and doctors standing here galore.
Eloise is among those who share
In helping to ease her patient's care.

If you need groceries by the hour of four,
Run around the corner to Henry's grocery store.
As you walk from the street,
Miriam, the wife, you chance to meet.

Brillhart is not only a very good plumber,
But you will also find he is an excellent drummer.
Messersmith, with his garage so fine,
Will always have your car done on time.

In Baltimore City we found Ruth Brown,
Behind a counter of luxurious gowns.
Mary also has become a clerk,
And here she does excellent work.

Bud became Mayola's only pride,
They walk together, side by side.
Cox's army marches down the street,
See their little tramping feet.

Now our view is almost gone,
And our time still marches on.
As we continue in days of strife,
We shall try to improve our Christian life.

Class Will

We, the class of forty-five,
As we leave you one and all,
Give these things for you to strive,
In our dear Alma Mater Hall.

To the teachers we shall will
A class that studies more.
And in future days upon the hill,
More joys than ever before.

To Mr. Miller, more blackbirds, who
Tell him whether he's right or wrong.
And Mr. Bortner we will you too
Some gases that are not too strong.

To Mr. Fuhrman, our class adviser,
Better teams that shine more brightly.
To Mr. Schmuck, a chair that's wider,
And an English class that sits more quietly.

To Mr. Albright we send a cheer,
And wish him many joys.
To Mr. Trout, a successful year,
And "Ag" tools that are no toys.

To Miss Krumrine, a studious class,
And much success in directing plays.
To Mrs. Baker, new numbers of jazz,
And a chorus that sings in numerous ways.

To Miss Herbst, for future days,
Pupils of whom she can rave.
And next, "Benny's" romantic ways,
We give to bold, handsome "Abe."

Now, "Smilie," we will to you,
The jokes that "Sis" can tell.
But to Carl and Thelma, too,
"Raver's" ability to yell.

Studying more like Elaine,
To "Rhomie" we truly will.
To Doris Walker, but not in vain,
To skate with "Lefty's" skill.

"Hen" and "Mim's" ability to love,
To two sweethearts, Artie and Pearl.
And "Corker," who handles the boxing gloves,
Wills to Melvin Hamme that swirl.

To "Bensel" we will Amelia's height,
And Mary's voice to John Hamme.
To Marion Mesloh, who is so bright,
"Schroll's" curly hair which shines in the sun.

"Gettle's" love of story books,
We give to our friend, "Jake."
And Betty's ever-cheery looks,
We hope "Shuey" will take.

We give Marlen's athletic skill
 For Marlin Lentz to use.
 And "Yostie's" bobby pins to "Bill,"
 Which really have seen abuse.

We will "Sparky's" model "A" Ford
 To "Nell" with our best wishes,
 And to "Jackie," with one accord,
 Mayola's hatred of washing dishes.

"Smitty's" ability to dramatize,
 To Jack Barbehenn we will.
 Charles A. Lindbergh Lehman's size
 For "Shins" to work in the mill.

To "Grote," a "Chevy" like "Kenny's,"
 And a girl for on the seat.
 One who doesn't think it tinny,
 But like "Brody," thinks "Kenny's" is neat.

"Brillhart's" love of jazz so gay,
 We give for "Kreb's" next year.
 In class what "Freck" has to say,
 To Ivan as his career.

"Meck's" and "Messersmith's" car shine
 Is what we will to "Fish."
 And "Bert's" luck in raising swine
 To "Dubbs" is what we wish.

"Hunt's" giggle we will to "Beats"
 To keep the school so bright.
 "Cox's" love for boys and sweets
 For Phoebe to start out right!

Lucille's willingness, to "Dolly"
 To use in every class.
 "Rufus'" attitude so jolly
 To Margaret, a freshman lass.

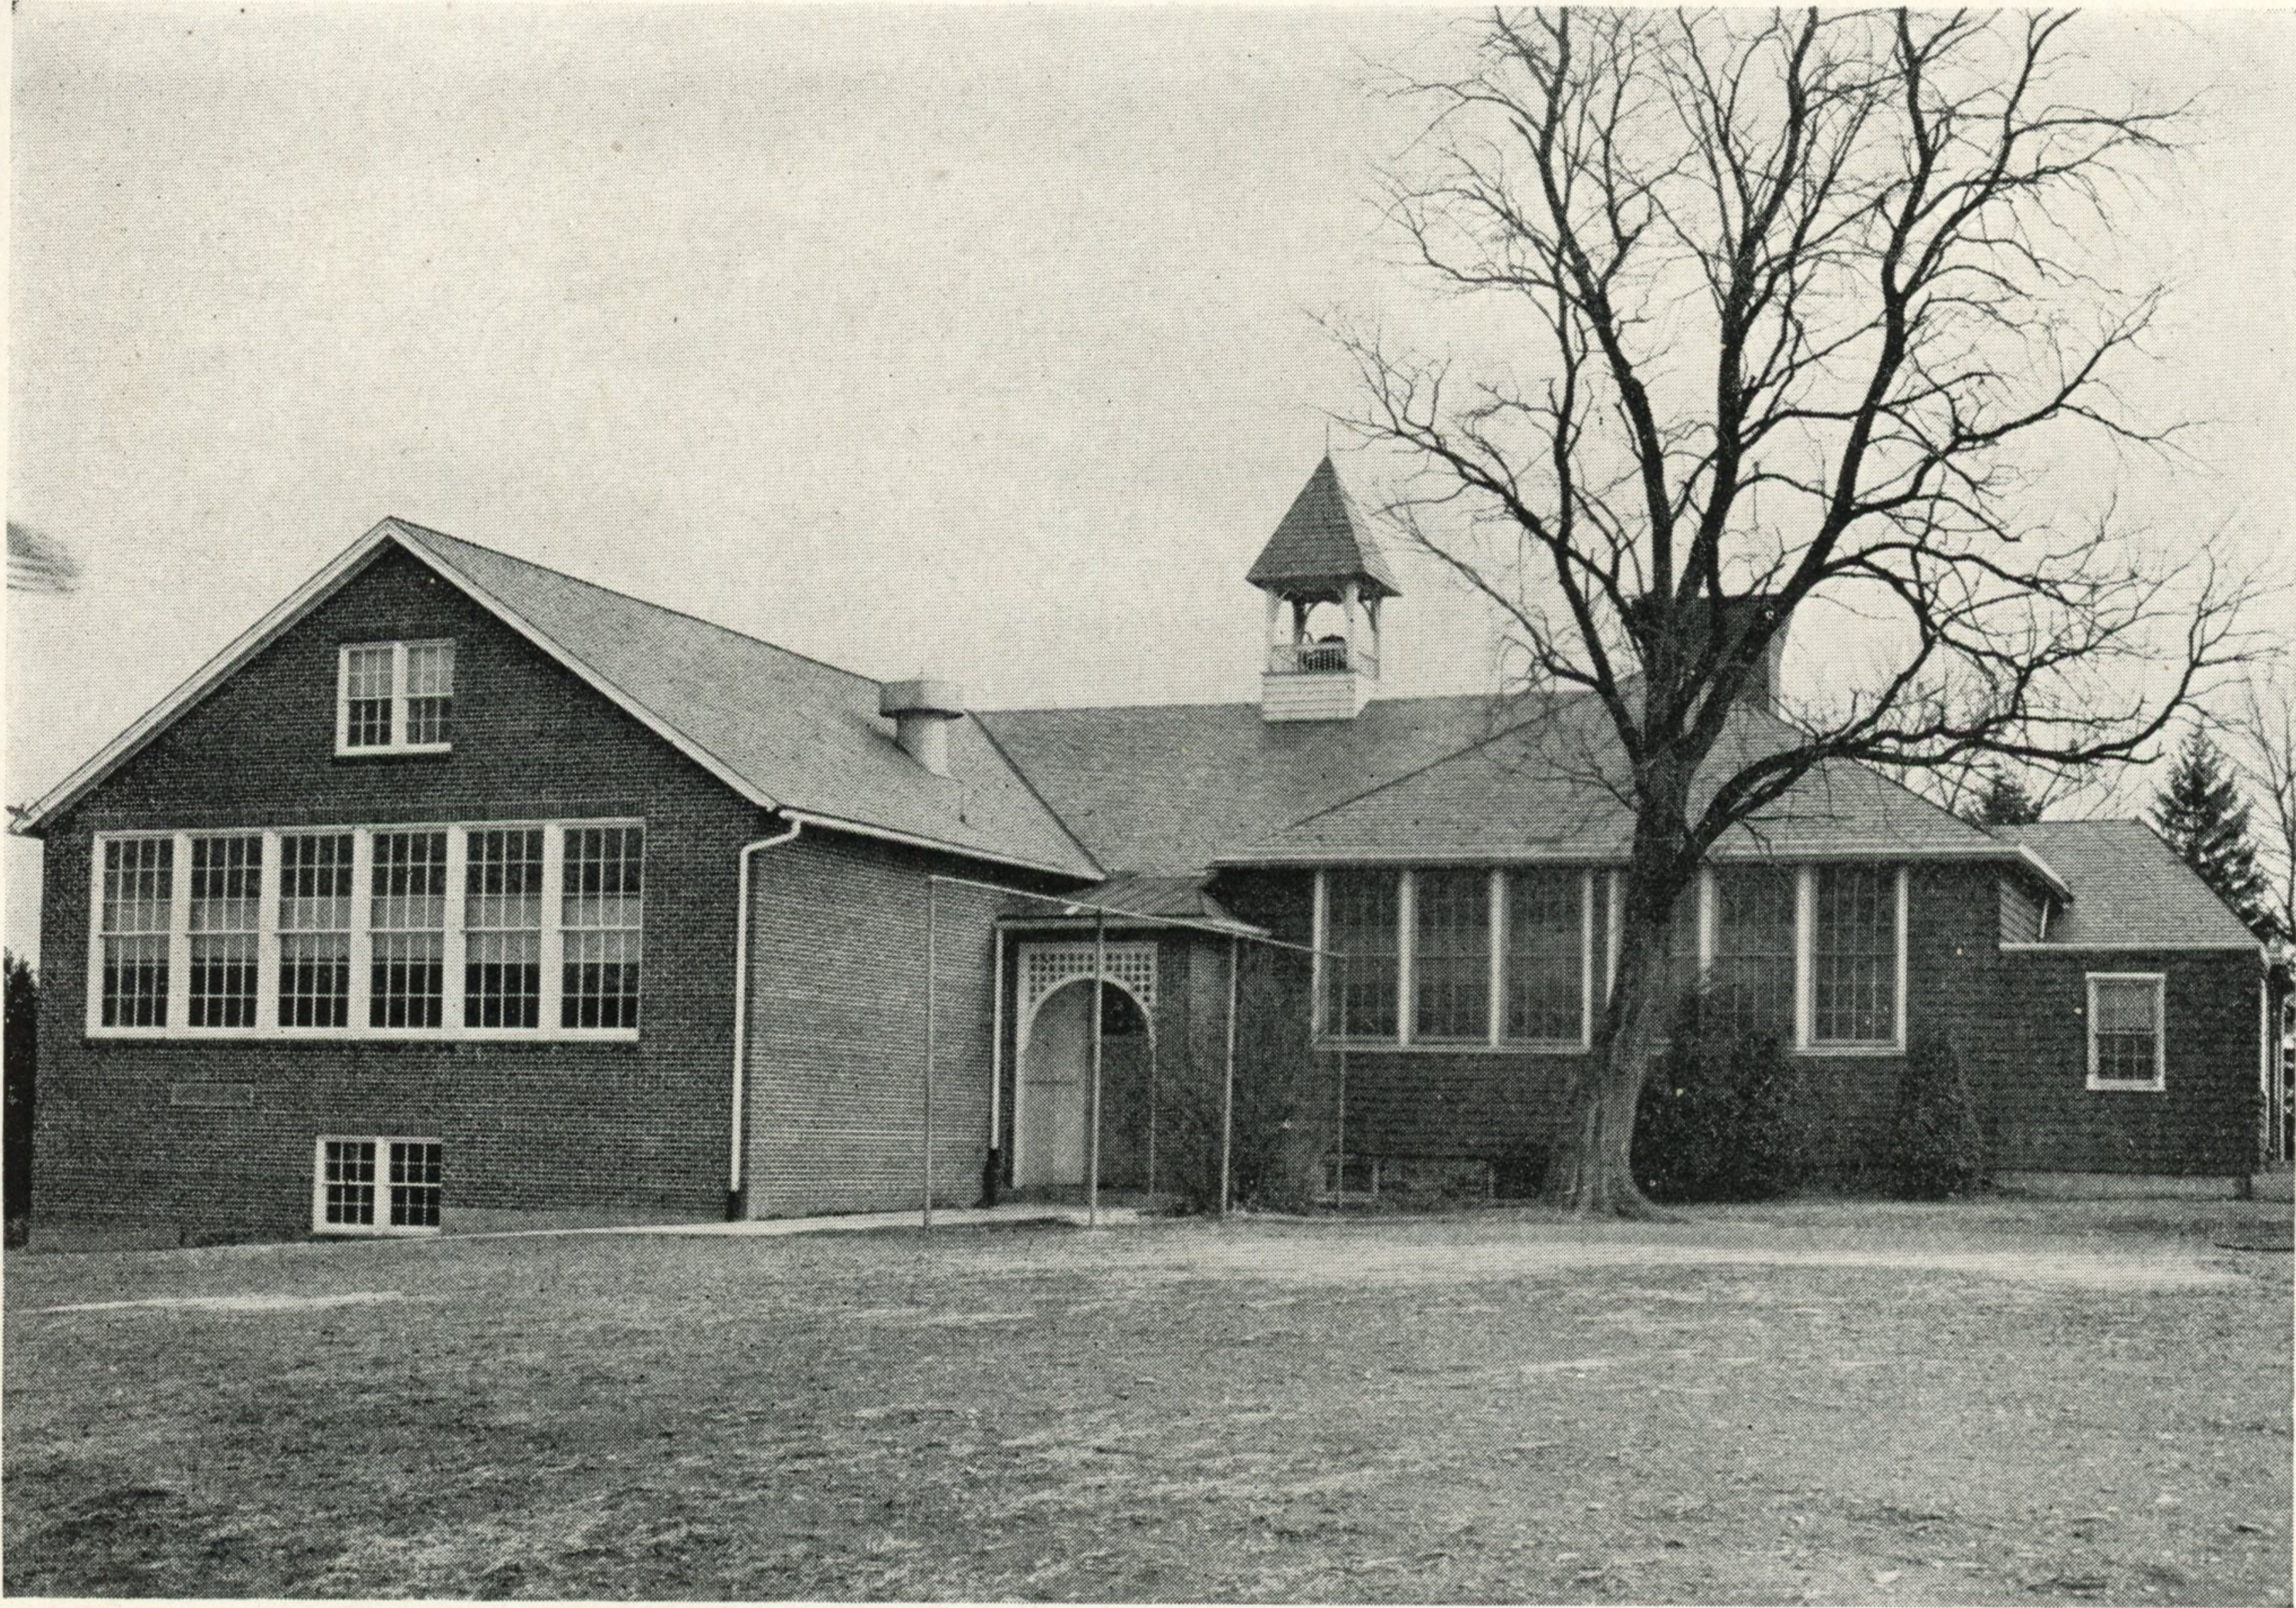

Mary and Pearl's quietness
 We give to "Hezzie," our friend.
 "Jim's" skill with the printing press
 To Paul Ruth we shall send.

"Stiney's" ever faithfulness
 For Charles Harbold to crave.
 "Becker's" blonde hair with neatness
 To "Jim," so girls may rave.

"Cramer's" strength we will to "Steve"
 To use in soccer games.
 Ruth's sewing to Marion we leave
 To use for her soldier, James.

To our janitor, six clean rooms,
 And ashes for our path.
 And to his wife, automatic brooms,
 To give our hall its weekly bath.

Now, we think you all should know,
 That this is written in fun,
 And we Seniors as we go
 Give our thanks to everyone.

Alma Mater

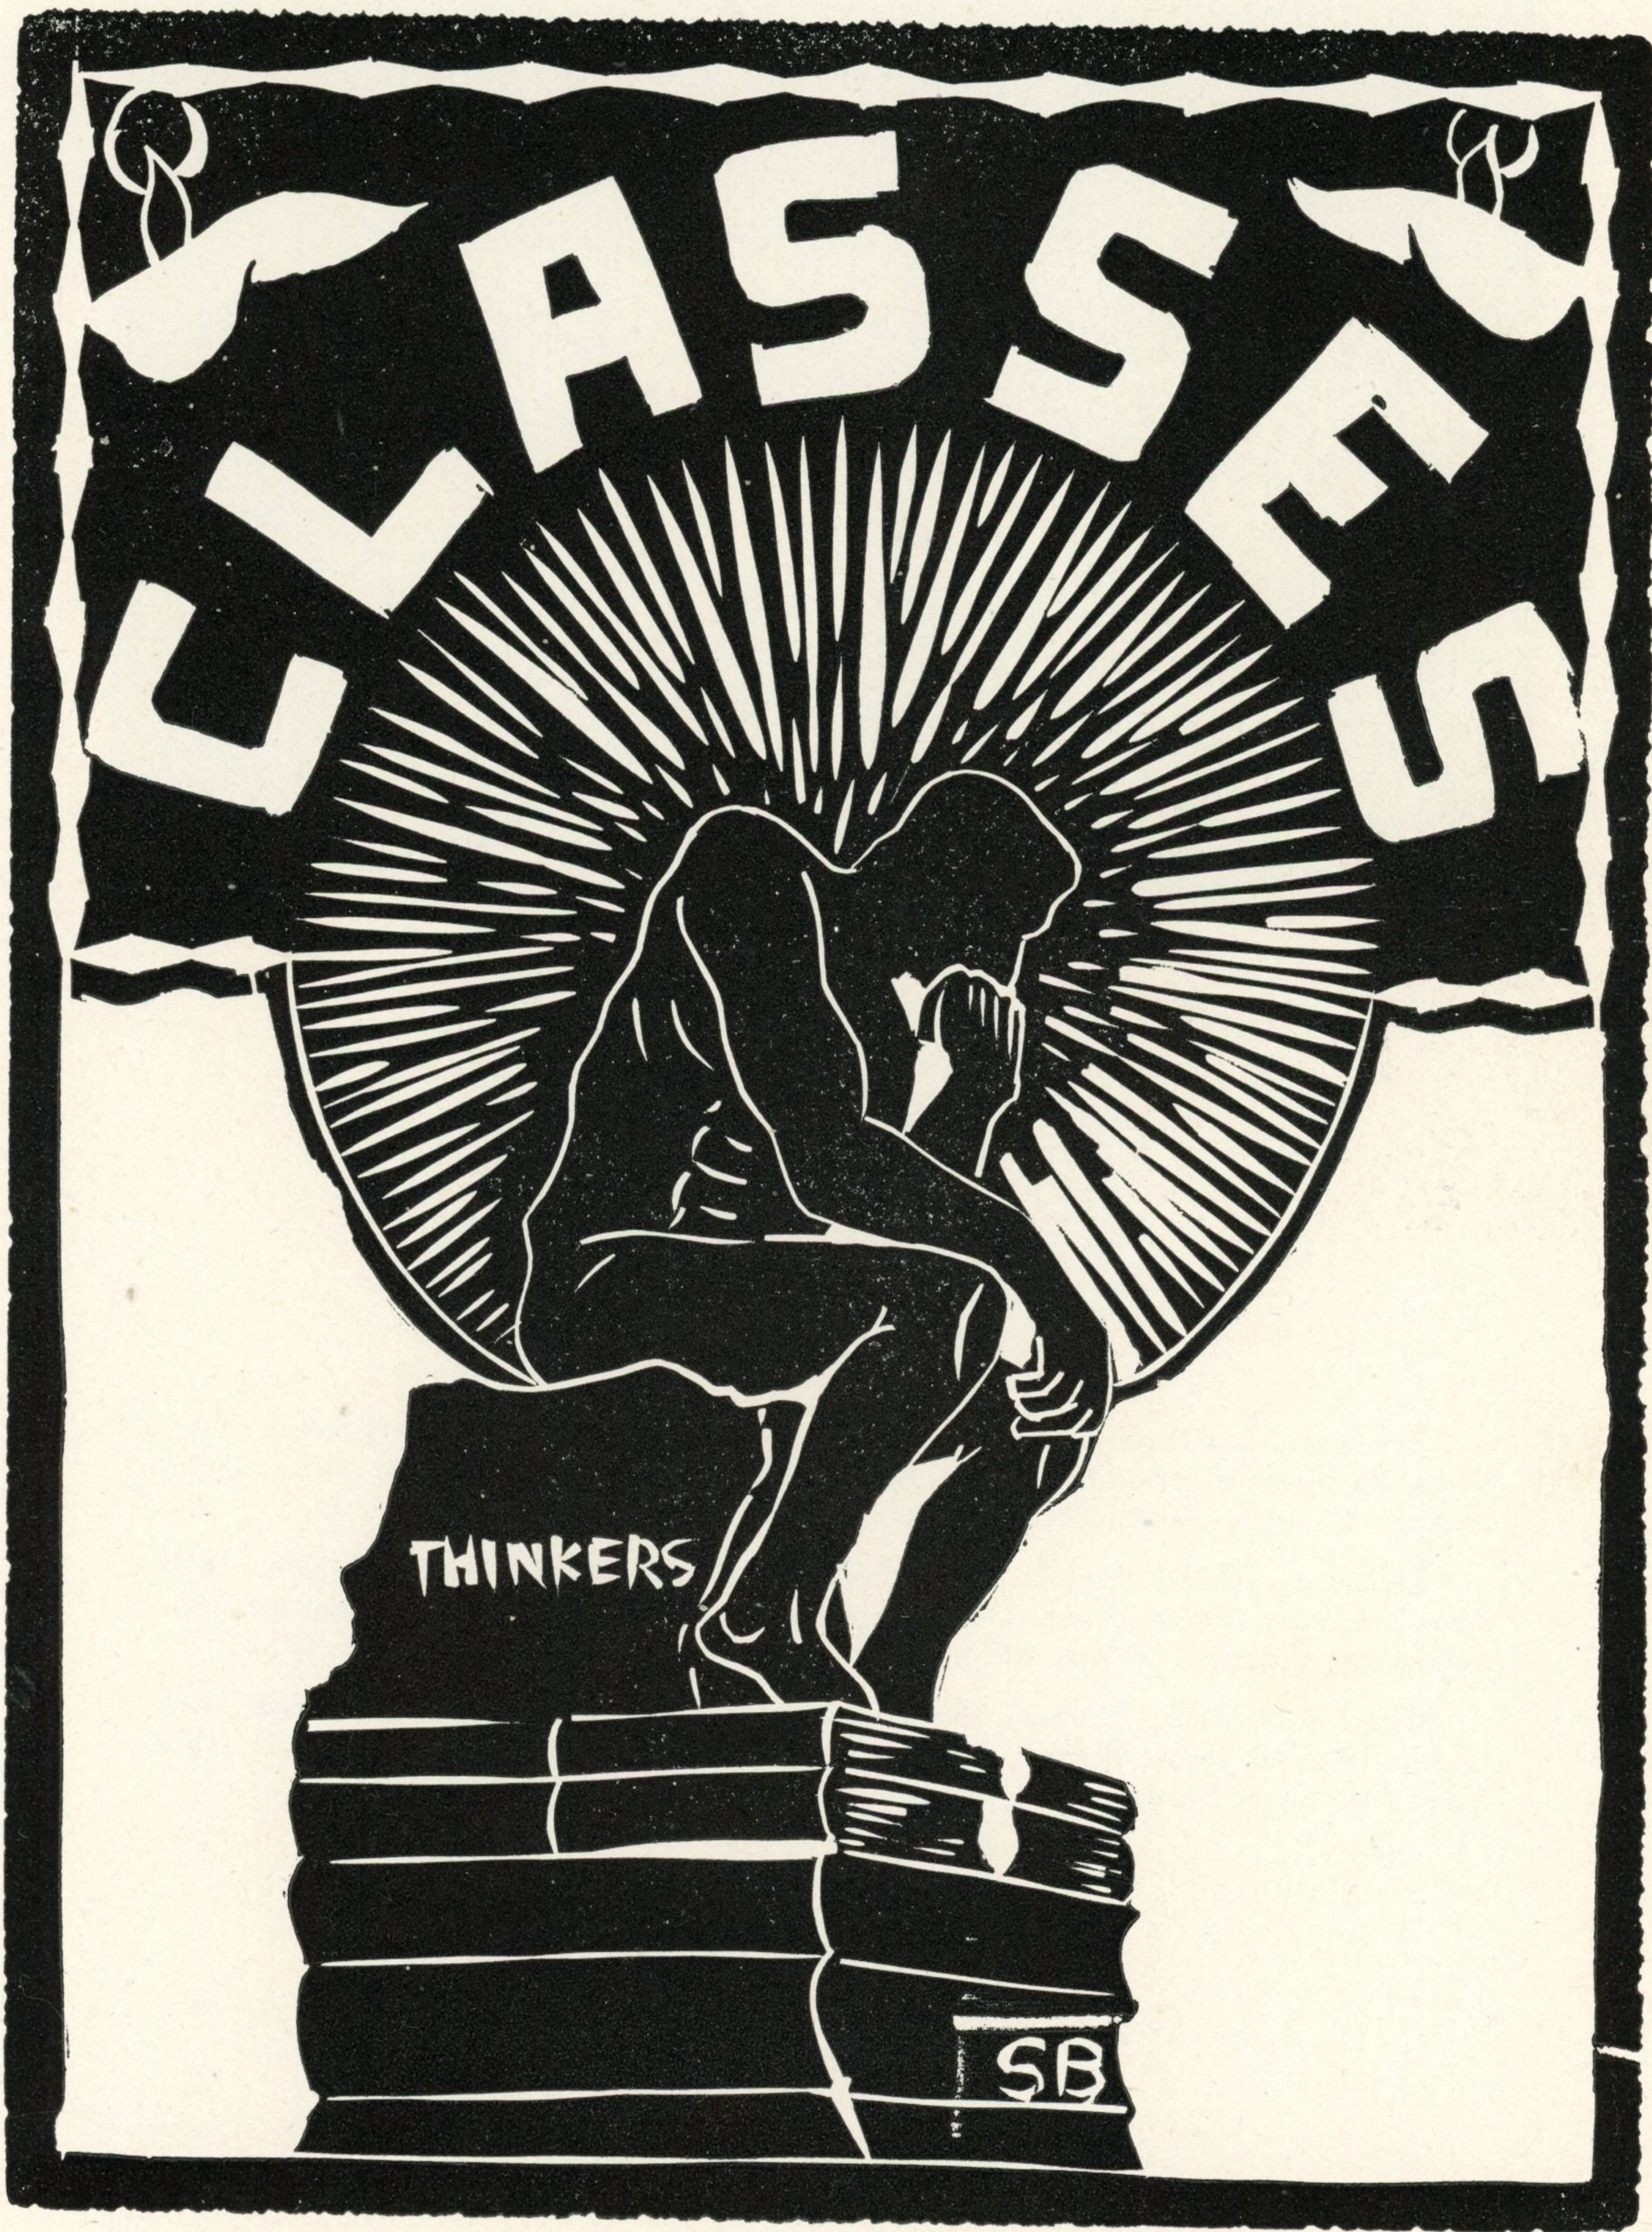

TUNE: "Sweet Genevieve"

From hill and dale we daily come
With merry voices blithe and gay,
We sing at home and when at school
Of things we learn to do each day;
We'll boost our school in word and deed;
Codus High has scores of friends,
For doctors, lawyers, pastors true
Have started here their famed careers.

We now do more than of yore
Because our standards daily rise.
We know the future has in store
Some marvel and some grand surprise.
We're glad to live in this new day,
When man and nations onward move;
The home and school, the church and state,
We know these all we may improve.

CHORUS

Codus High, our Township High
The days may come, the days may go;
But still to us fond memories cling
Of busy days on Glenville Hill.
(To last stanza) Codus High.

Junior Class History

As we entered C. T. H. S. on September 4, 1944, we found forty members of our class had returned not only to live down our name, "Jolly Juniors" but to strive to work harder for the benefit of ourselves and our school.

However, we were sorry to find Leona Miller had discontinued her school career at the end of our Sophomore year, while Velma Dubs and Miriam Glatfelter discontinued theirs during the first semester.

At the end of our Sophomore term, under the supervision of Mr. Trout, we elected the following officers for this year: President, Burnell Fisher; Vice President, Sidney Ehrhart; Secretary, Burnell Strausbaugh; Treasurer, Phyllis Burns; Reporter, Donald Krebs, and Historian, Dorothy Miller.

Several members of our class took part in the annual debate held March 16. They are Donald Krebs, Charles Grote, Martha Braun and Geraldine Miller, who spoke for the affirmative team.

Our class took an active part in selling magazines for the Curtis Campaign and also were equally represented in all of the school's athletics.

During our first semester, a representative from Union Emblem Co. called on us to place orders for our pennants, jackets, emblems, and caps. Our colors were brown and white, but since these colors were not available due to war conditions, we selected gray and maroon.

A highlight of our class was the presentation of a three-act play, "China Boy," in the school auditorium.

Four members of our class were chosen as Junior cheerleaders.

After we became acquainted we held a class meeting at which we elected the following officers: President, Daniel Roser; Vice President, James Miller; Secretary, Frances Kiser; Treasurer, Lucreta Senft; Historian, Lovie Tracy; Reporter, Victoria Hoare.

Later in the year the freshmen were glad to receive a new classmate, Raymond Shaffer.

The freshmen took part in both the Literary Society and the Science Club. We also took part in the Curtis Campaign by selling \$289.25 worth of magazines. It is the wish of the class that every pupil will continue his studies and do the best he or she can.

The orchestra was organized October 20, 1944, with Mrs. Weeks as our director. We elected officers resulting as follows: President, Donald Krebs; Vice President, John Brillhart; Secretary, Geraldine Miller; Librarians, Karl Mesloh and Dale Werner. The orchestra played for several assembly programs and also the Senior Play under the direction of Mrs. Weeks.

At mid-year Mrs. Baker was elected music supervisor of Codorus Township and thus became the director of the orchestra. The orchestra has since played for the Junior Play, Operetta, and Class Night, besides many assembly programs.

The personnel of the orchestra includes Burnell Strausbaugh, Karl Mesloh, Dale Werner, and James Miller, trumpets; Paul Ruth and Marion Mesloh, saxophones; Donald Krebs, trombone; Leona Miller, violin; Clyde Miller, guitar; Daniel Becker, Robert Brenneman, clarinets; John Brillhart, drum; and Geraldine Miller, piano.

This season the girls of C. T. H. S. were unable to participate in many scholastic games with other schools.

Early in the new season we were promised a doggie roast if we could finish the basketball season undefeated.

The varsity consisted of all Seniors, plus some excellent underclassmen as substitutes.

Codorus is looking forward to a very successful team next year, as there are quite a few promising Freshmen and other experienced players.

Volley Ball

The volley ball conference, repeated this year, was at Wrightsville. The conference was started in 1940.

During the past three years the girls have shown their technique by capturing the trophy for the third consecutive year.

During the season of 1940 the Southern champions were to play the champions of the Northern division.

The C. T. H. S. girls won the championship of the Southern division while North York won the championship of the Northern division. These teams were granted the permission to play on the court at Wrightsville. After losing we were very generous in giving the championship title to North York.

Cheer-Leading

One of the newest organizations which was added to C. T. H. S. in the past two years is the cheer-leading squad.

In previous years they didn't go in for cheering in a very big way, as the team usually only consisted of two members, who led the cheer-leading for pep meetings only.

Last year the cheering squad was organized. Robin Rae Raver was appointed captain of the squad and she appointed Amelia Miller, Doris Rohrbaugh, Leona Miller, Miriam Brenneman, Mary Roser, and Effie Deyton as members of the team.

It was decided that the squad would wear black skirts and red sweaters and that they would attend all the soccer and basketball games.

Many new yells were used and the school presented emblems to the members of the team in appreciation of their work.

At the beginning of the school term two of the former members, Mary Roser and Effie Deyton, discontinued their membership so that the squad consists of five members only.

A second team was appointed from the Junior and Sophomore classes as follows: Mary Bensel, Dorothy Miller, Martha Braun (captain), Phyllis Wolfgang, Loretta Gingerich, and Betty Thoman. This squad is being trained this year so that they will be squad Number 1 next year.

They have quite a number of new cheers which they have been using and have assisted at quite a number of games.

We are very proud of this latest organization and wish the succeeding squads success in cheering our various teams to victory.

Soccer

First row, seated, left to right: Raymond Schroll, Carroll Rohrbaugh, Harold Smith, Robert Rohrbaugh, Marlen Rohrbaugh, Charles Lehman, Henry Werner, Dale Werner, and Marlen Henry.

Back row, standing, left to right: Coach Fuhrman, Sidney Ehrhart, Harold Snyder, Charles Grote, Burnell Fisher, Donald Krebs, John Brillhart, Donald Rishel (ex-member), William Garman, Austin Chinault, and Henry Miller.

Our school was represented in the York County Scholastic Soccer League this year with North York, Dover, Mt. Rose, and Manchester as our opponents.

Our team looked very good this year, winning the first two games, then losing the next two, then tying one, and losing the last three. This put us in a tie for third place at the end of the season. We could have decided who would be the champions, playing North York and Dover the last two games; however, we lost both these games. We, the graduates, wish next year's team the very best of luck.

Boys' Basketball

First row, seated, left to right: Raymond Schroll, Carroll Rohrbaugh, Harold Smith, Charles Lehman, Marlen Rohrbaugh, Henry Werner, and Robert Rohrbaugh.

Back row, standing, left to right: Coach Fuhrman, Sidney Ehrhart, Charles Grote, Burnell Fisher, Marlyn Henry, and Donald Rishel (ex-member).

We finally managed to get into the York County Scholastic League, after several years of hoping. Stewartstown, Fawn Township, Delta, and Glen Rock were our opponents. Out of the eight games played we won three games and lost five. We finished the season in third place, which wasn't too bad for our first year in the league. Most teams showed great sportsmanship. With all of them giving us a good chase in the games, we won and beating us by too much in the games that we lost.

Our J. V's were very successful this year, losing only two games the whole season. We wish them very much luck as the Varsity team next year.

Boys' Baseball

First row, seated, left to right: Carroll Rohrbaugh, Raymond Schroll, Marlen Rohrbaugh, Henry Werner, Dale Werner, Robert Rohrbaugh, Charles Grote.

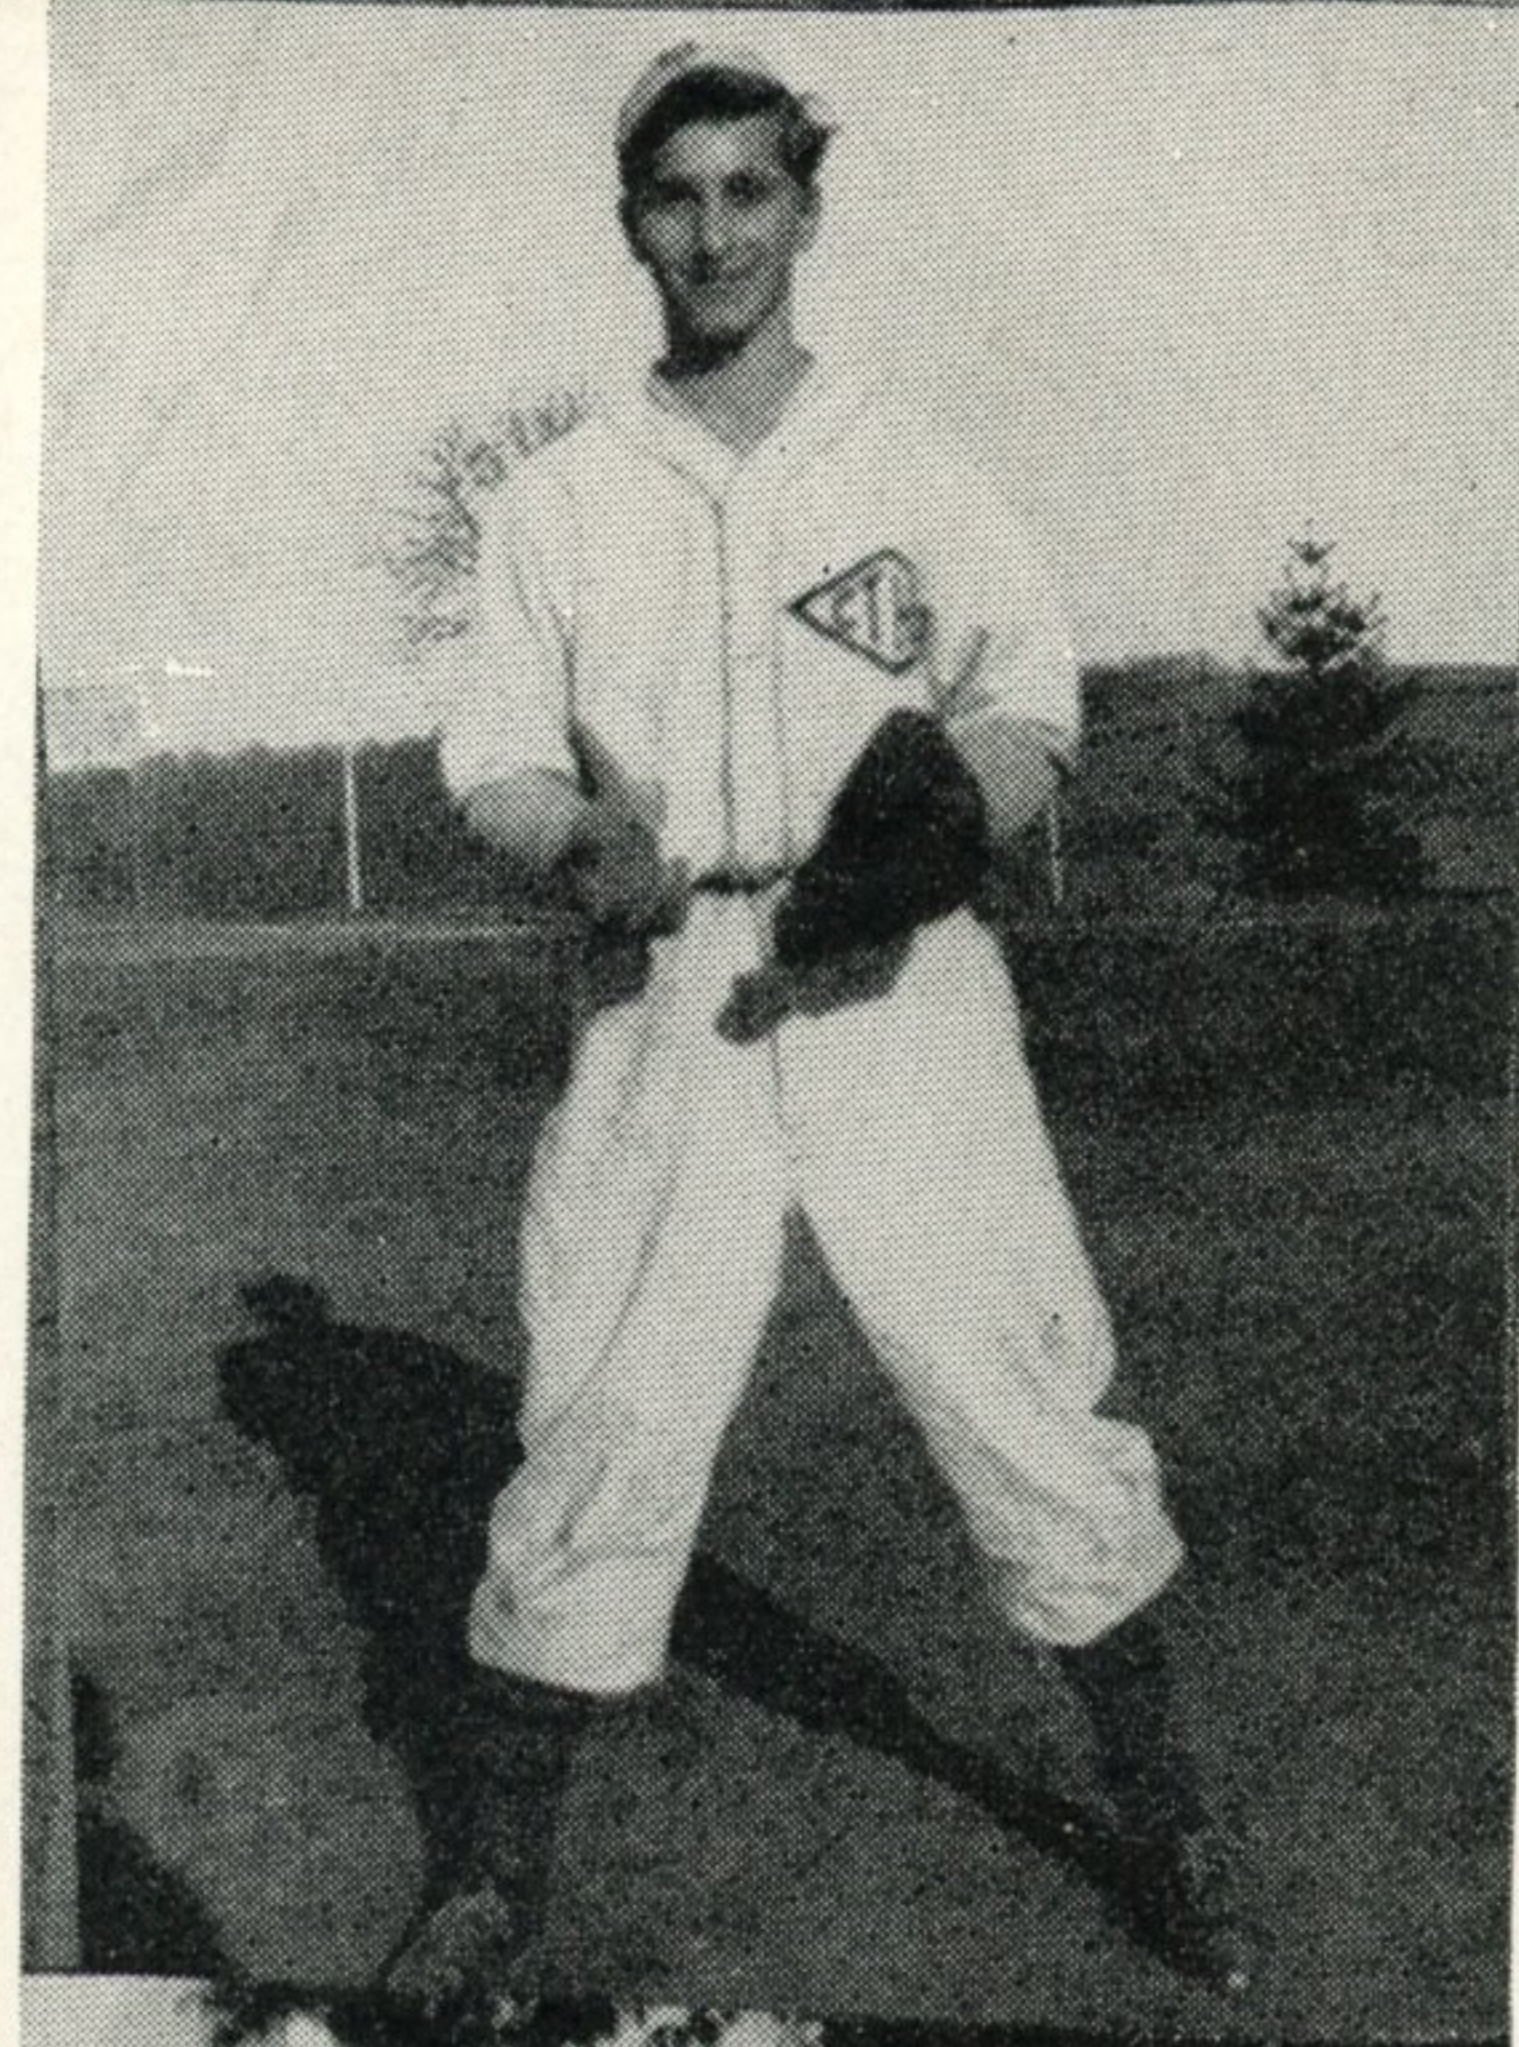

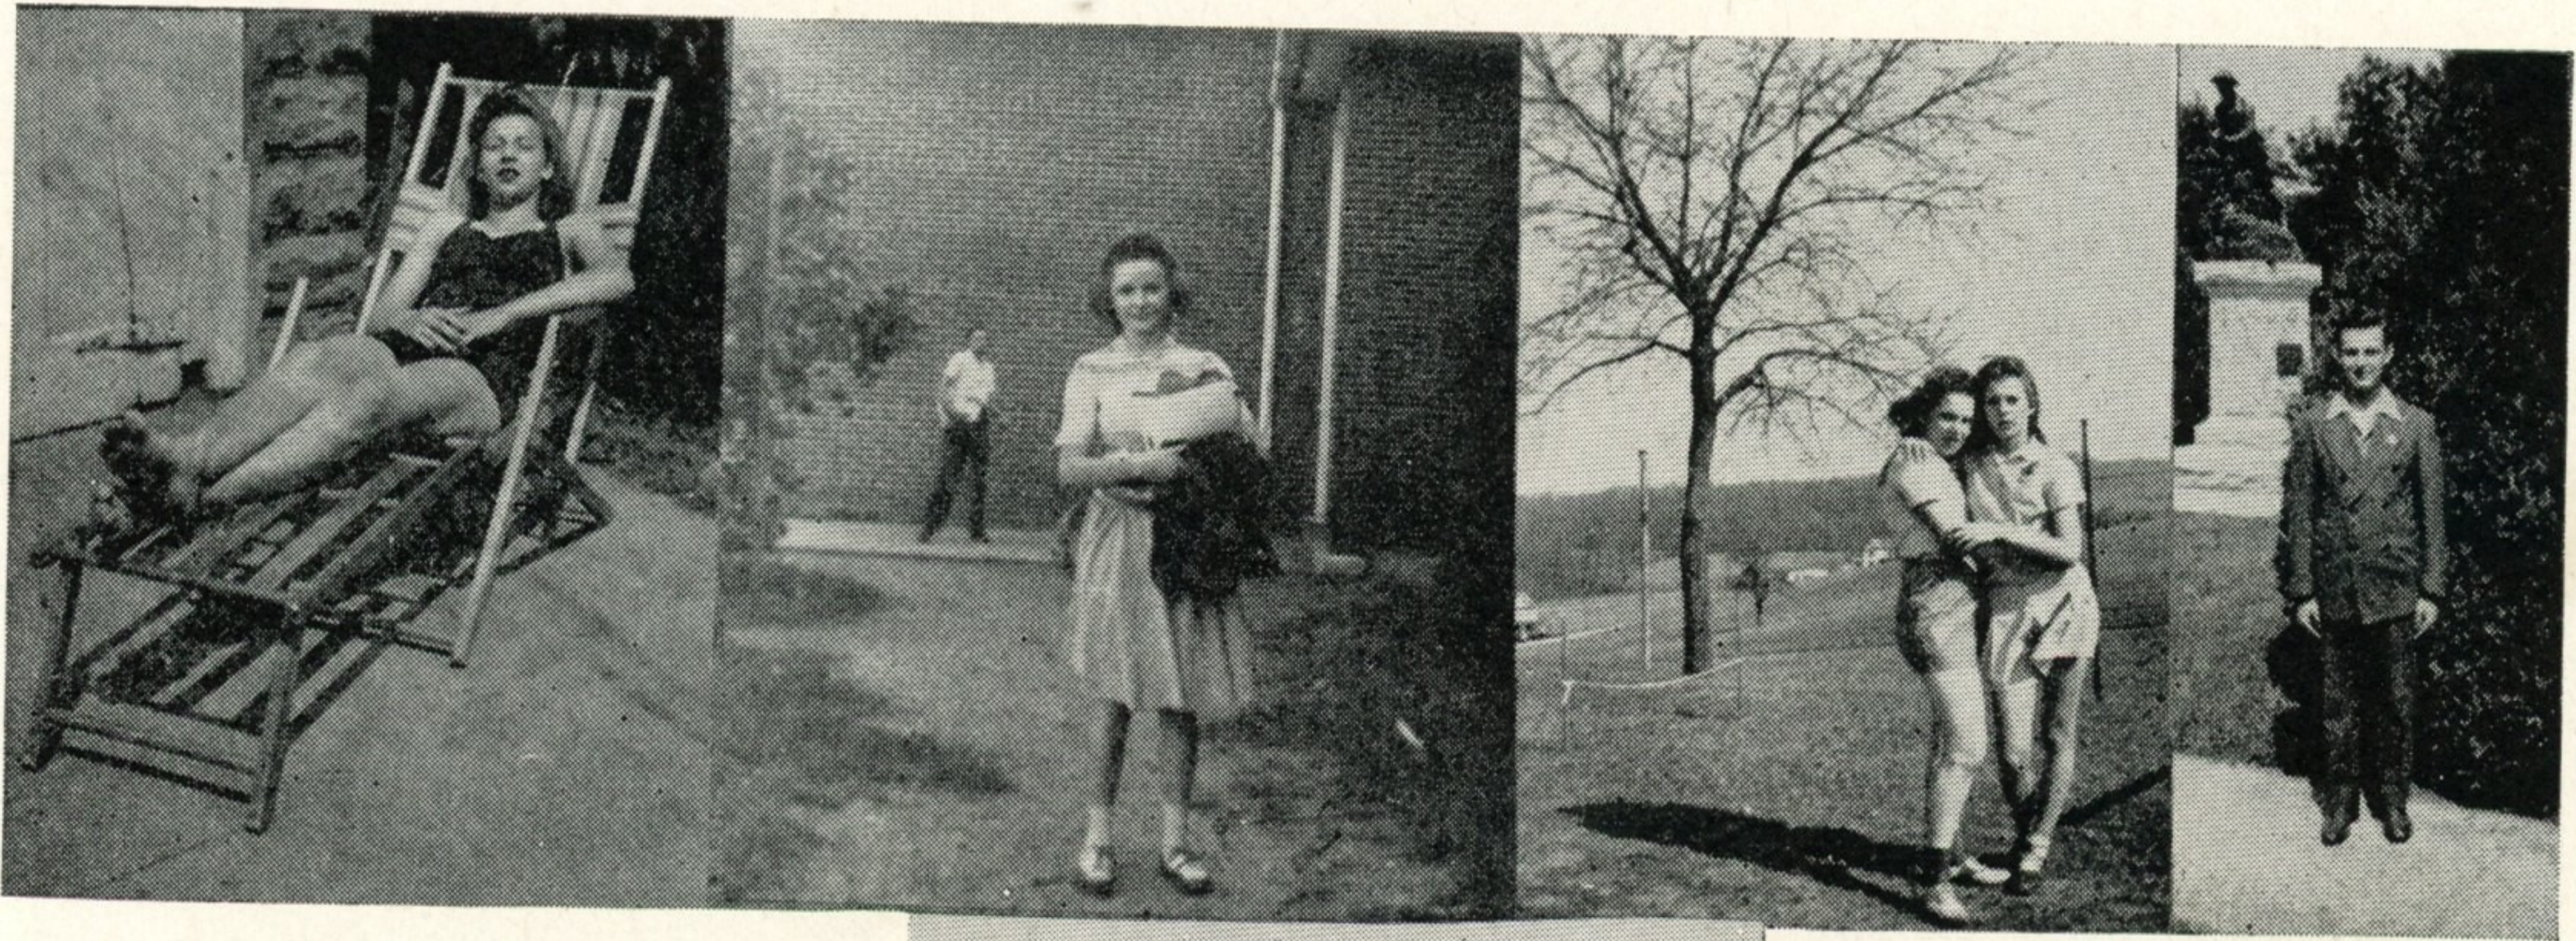

Second row, standing, left to right: Karl Mesloh, Sidney Ehrhart, Marlen Henry, Harold Smith, Charles Lehman, Donald Rishel (ex-member), William Garman, Robert Brenneman, and Coach Fuhrman.

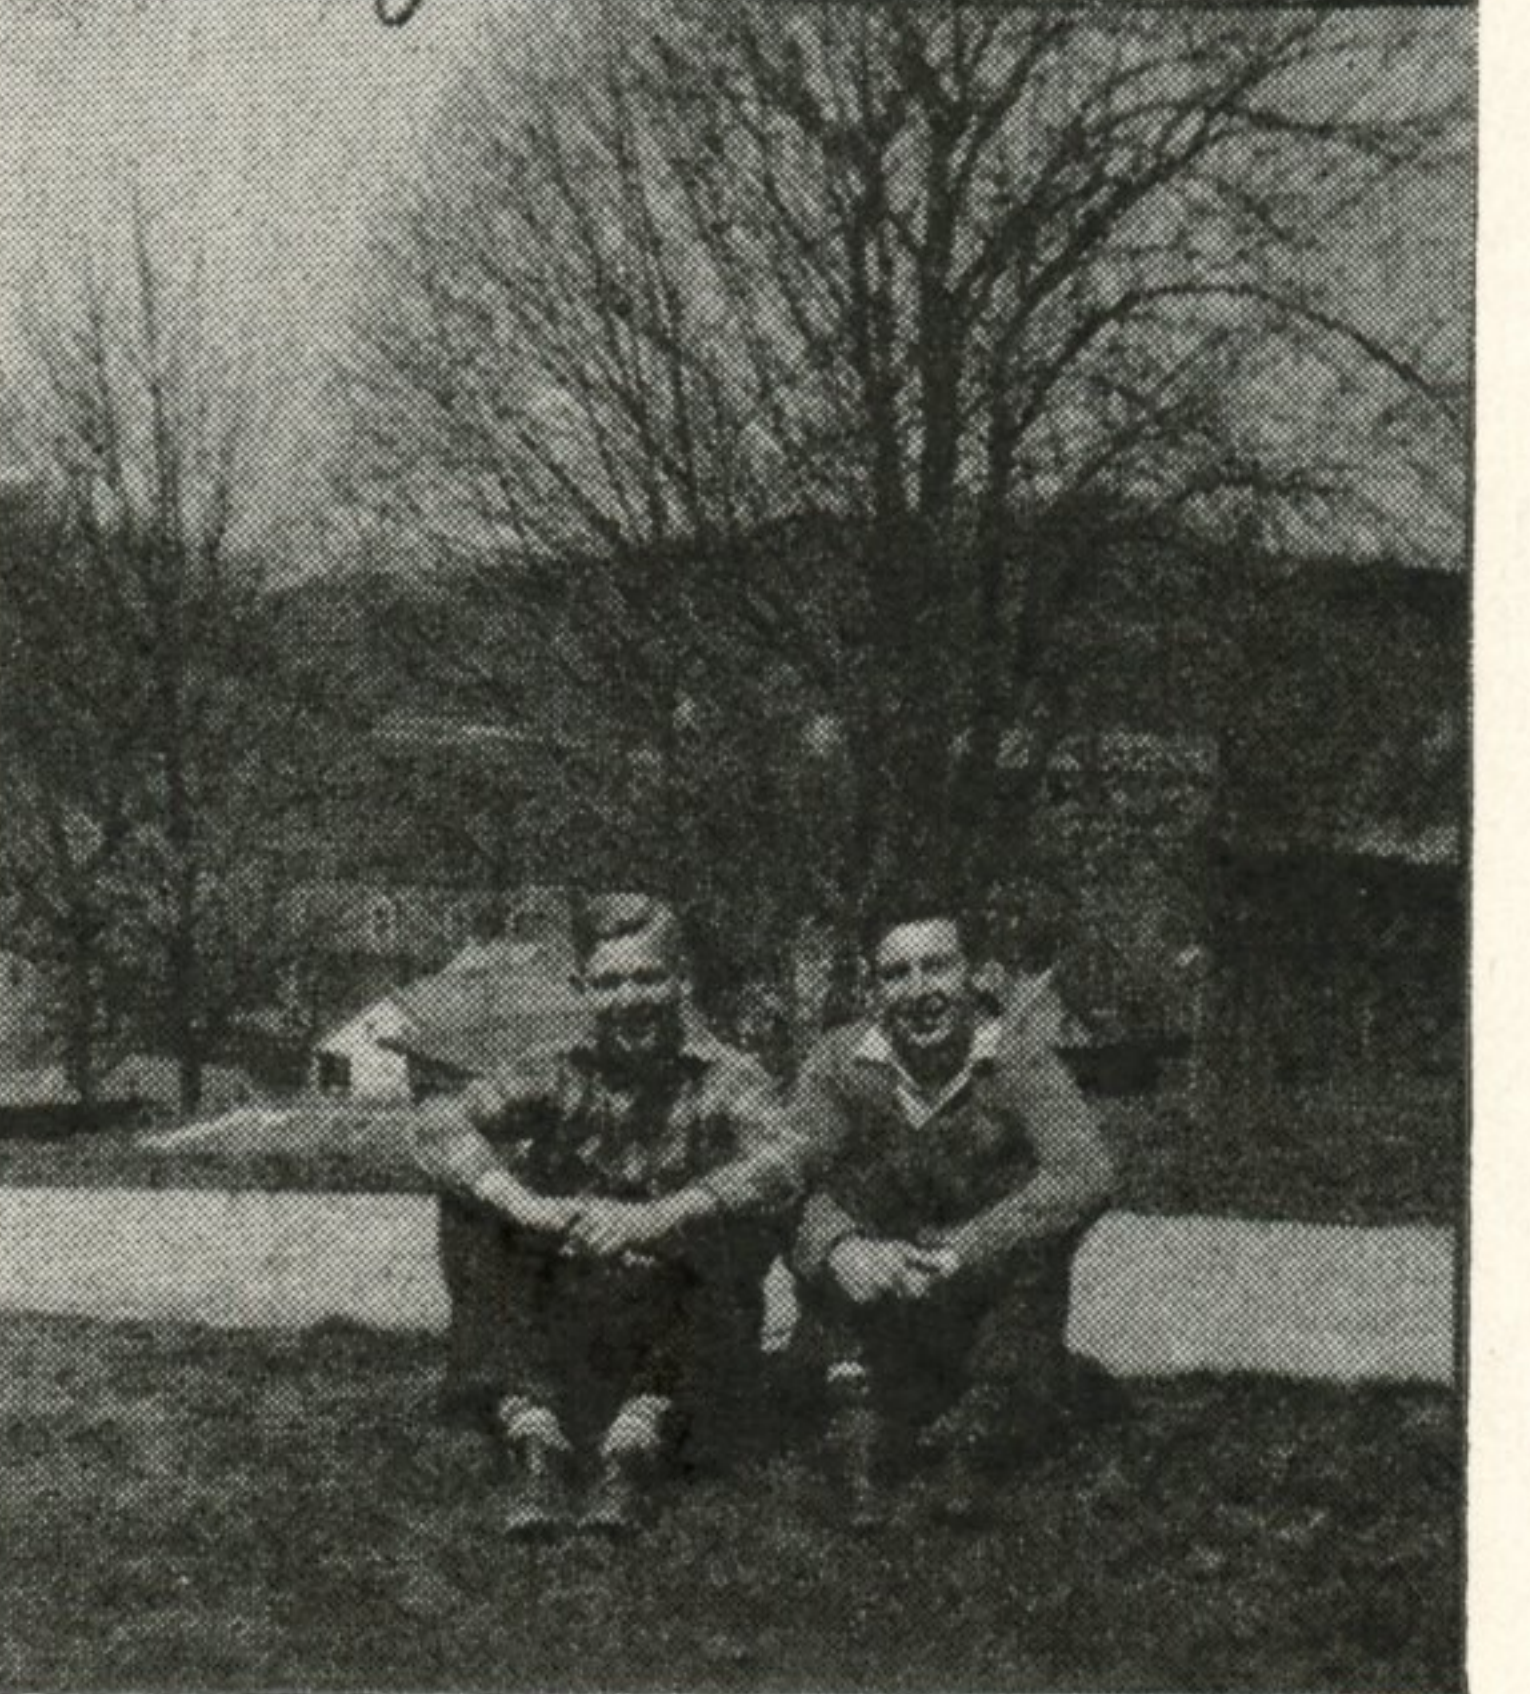

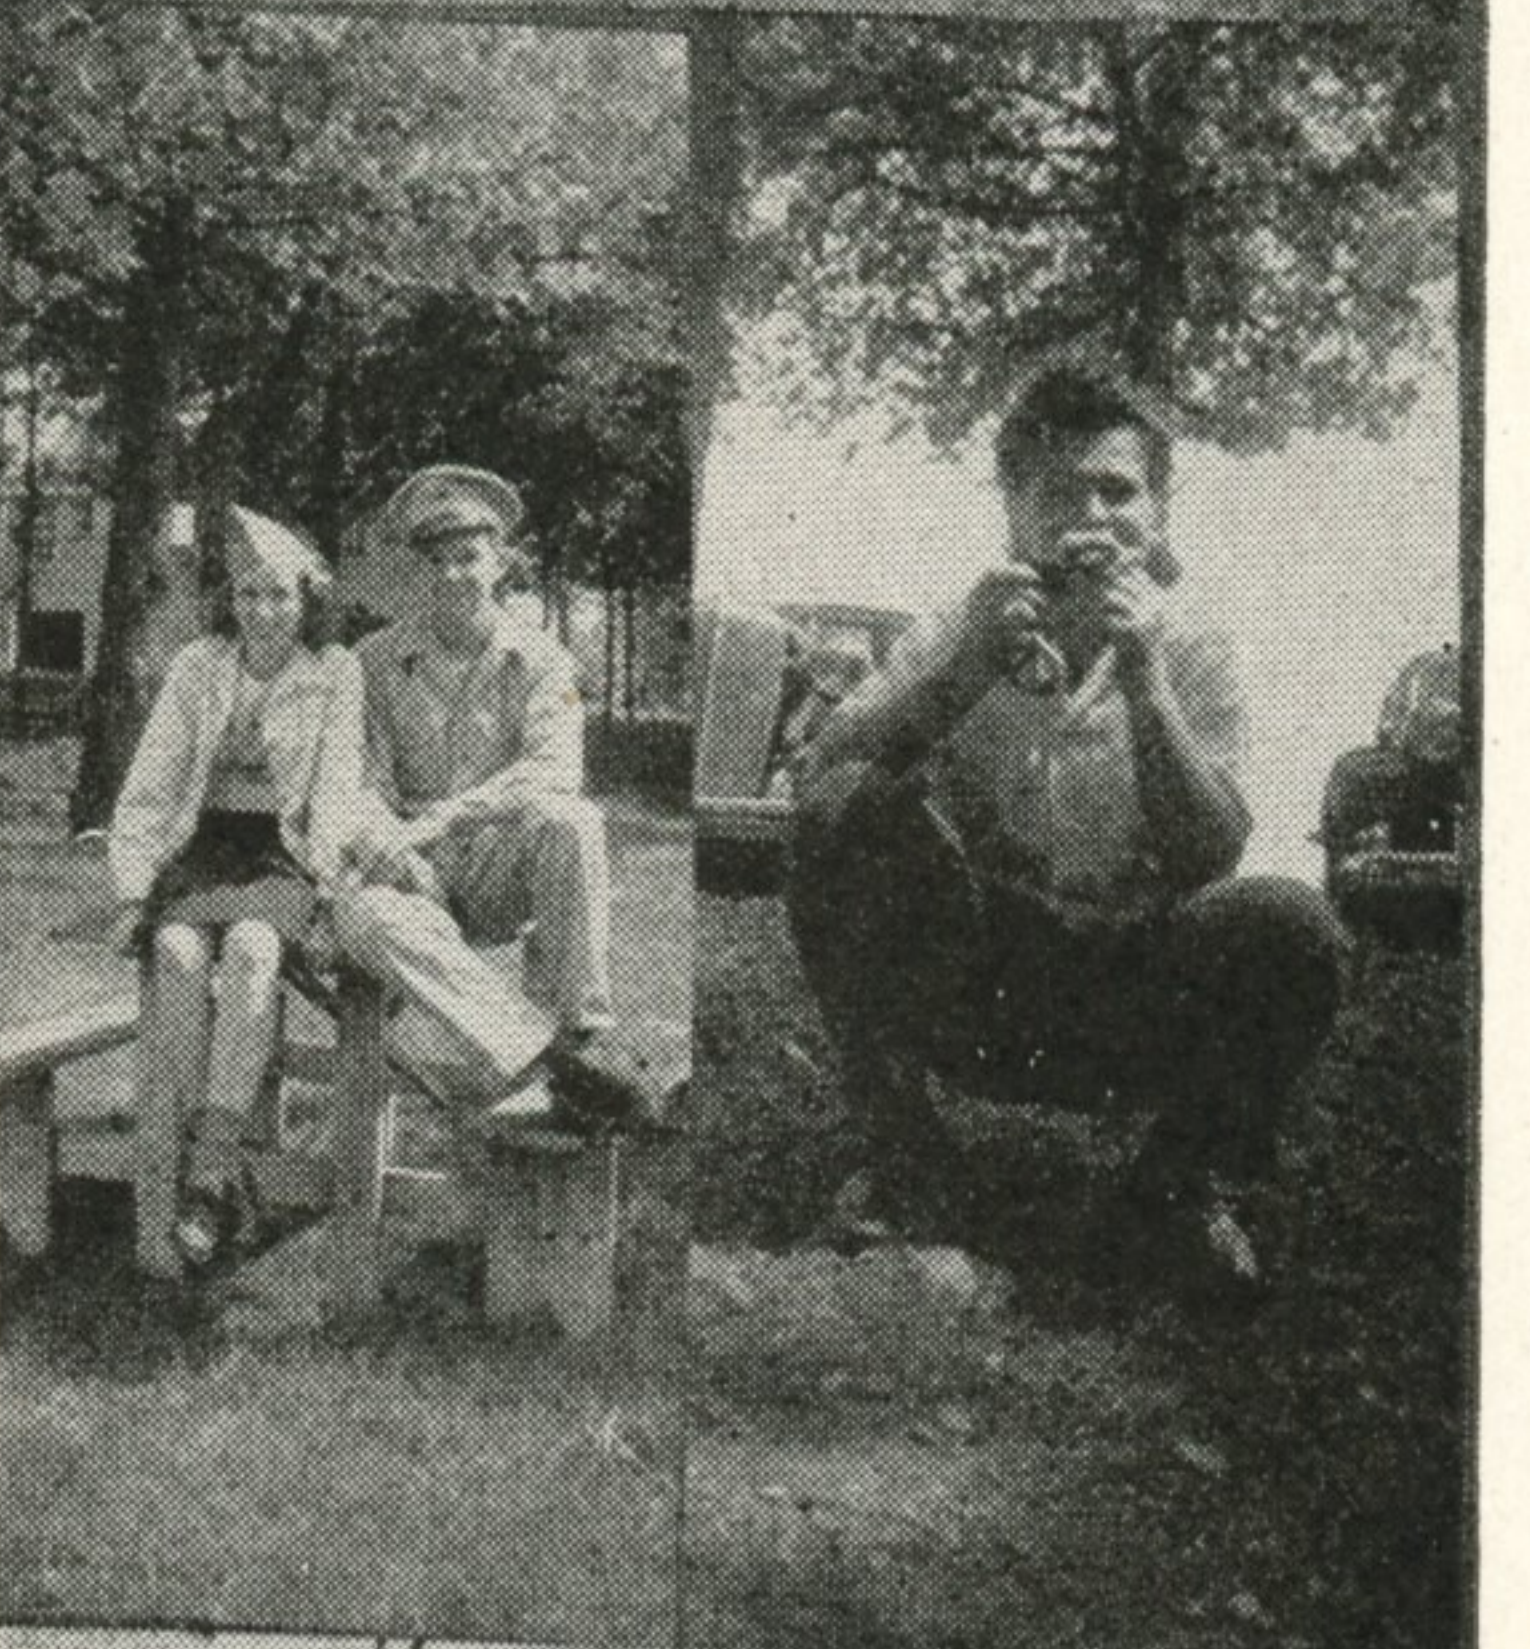

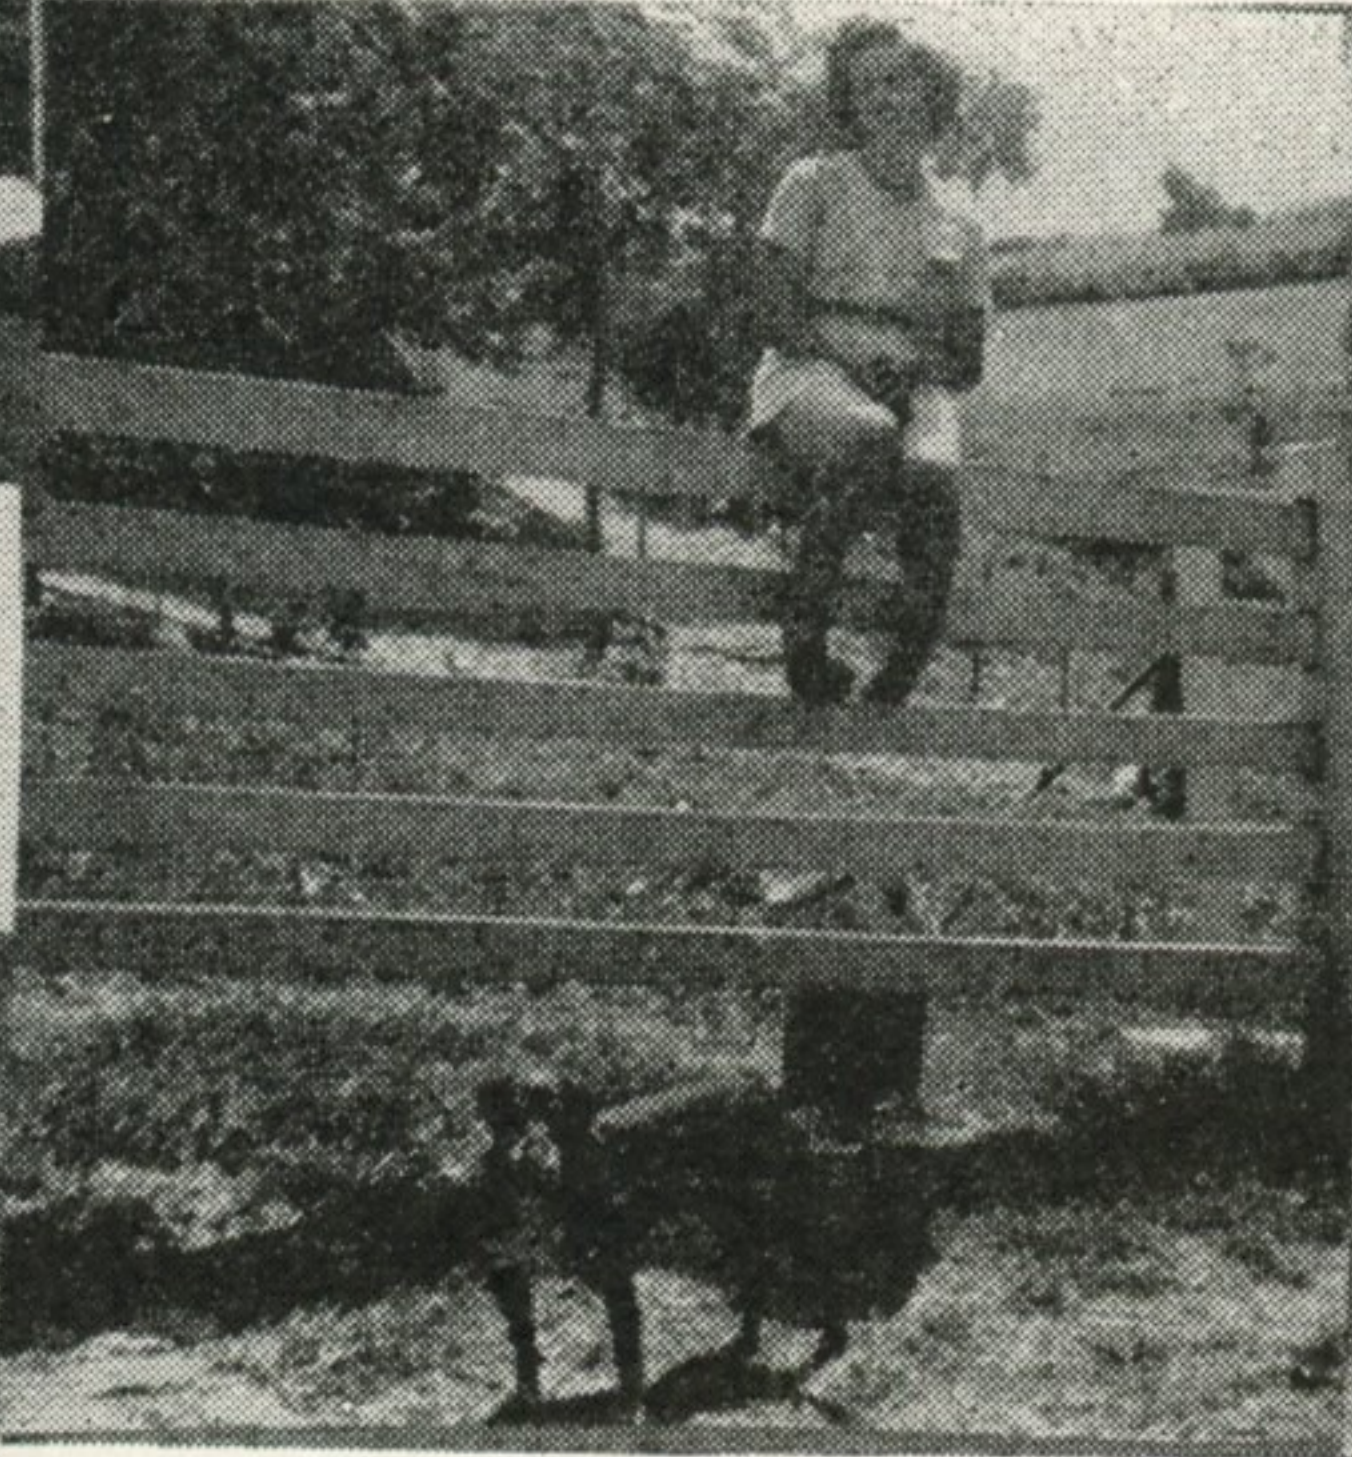

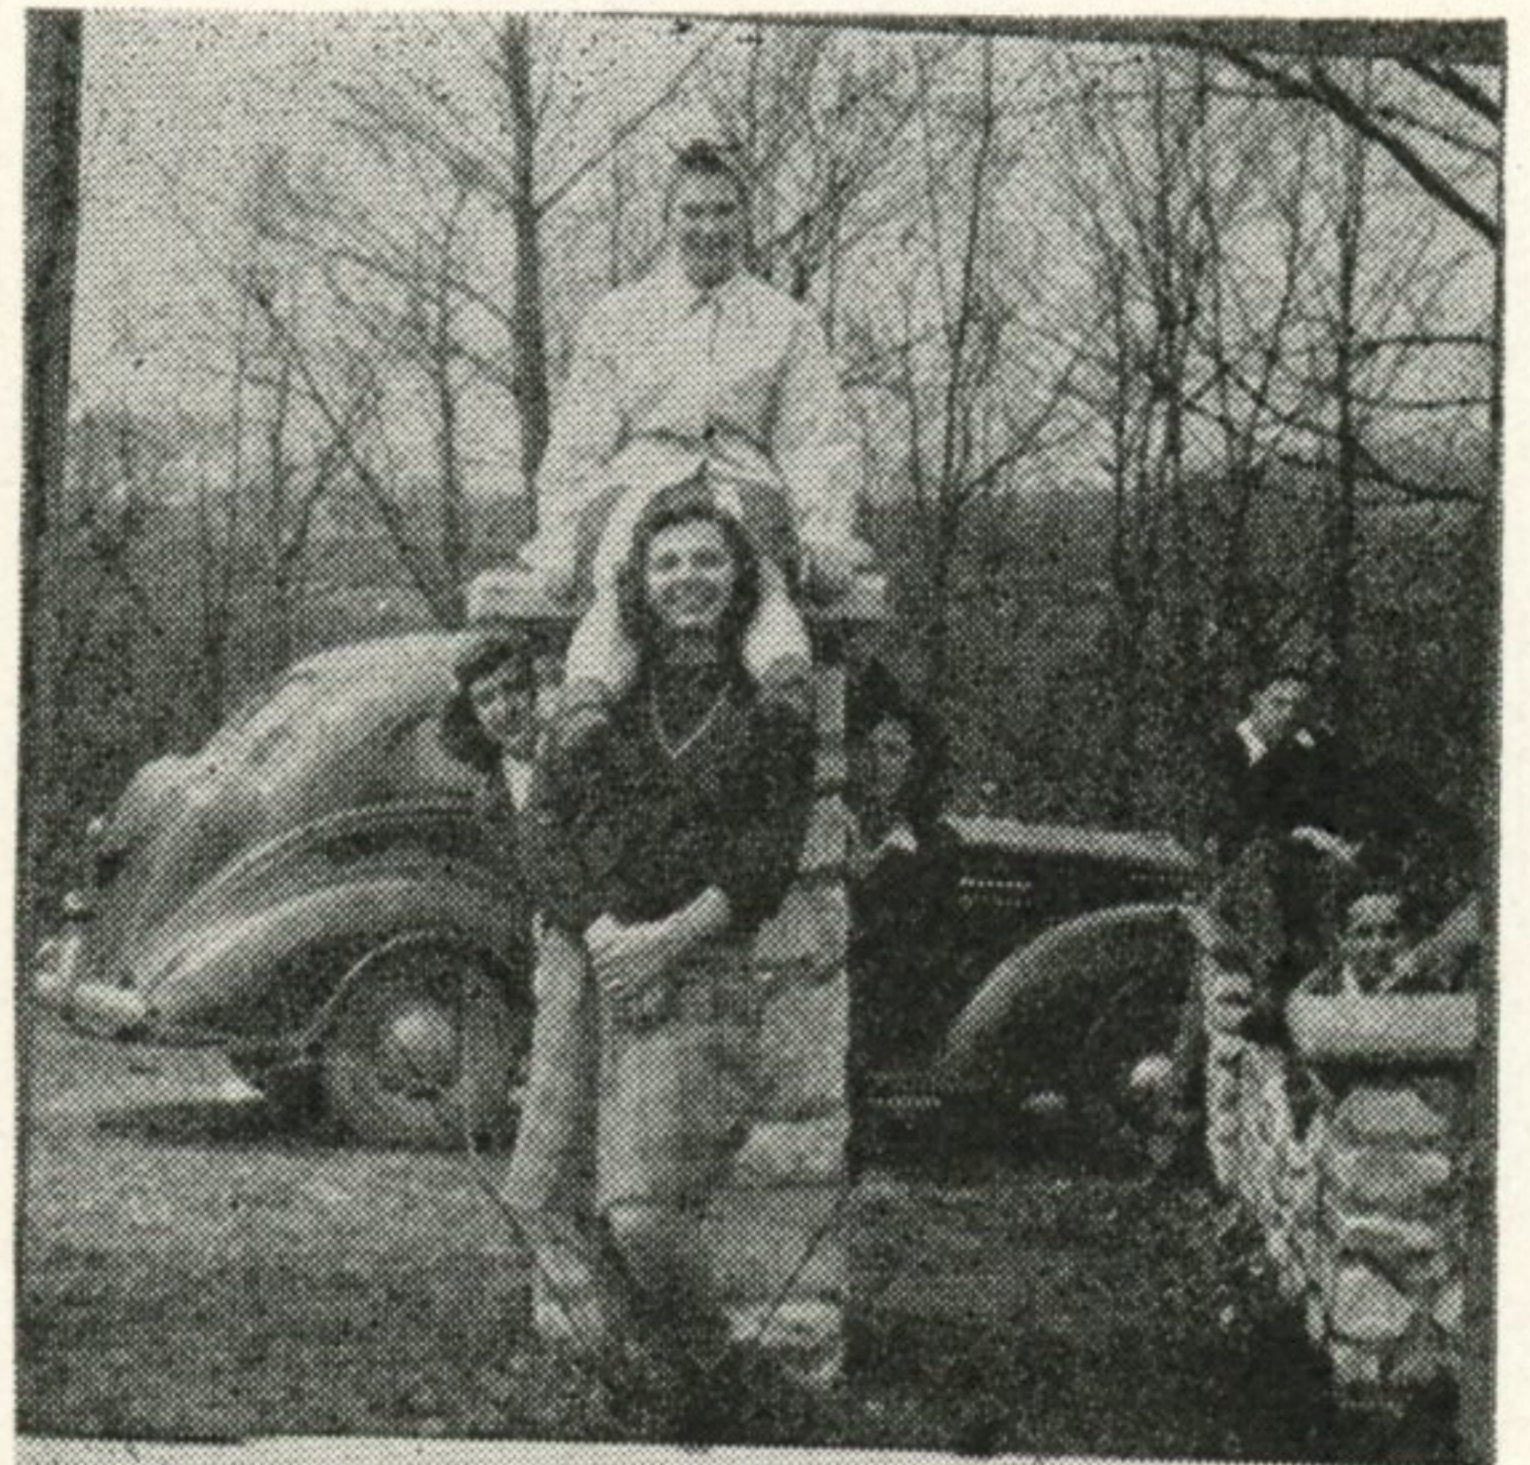

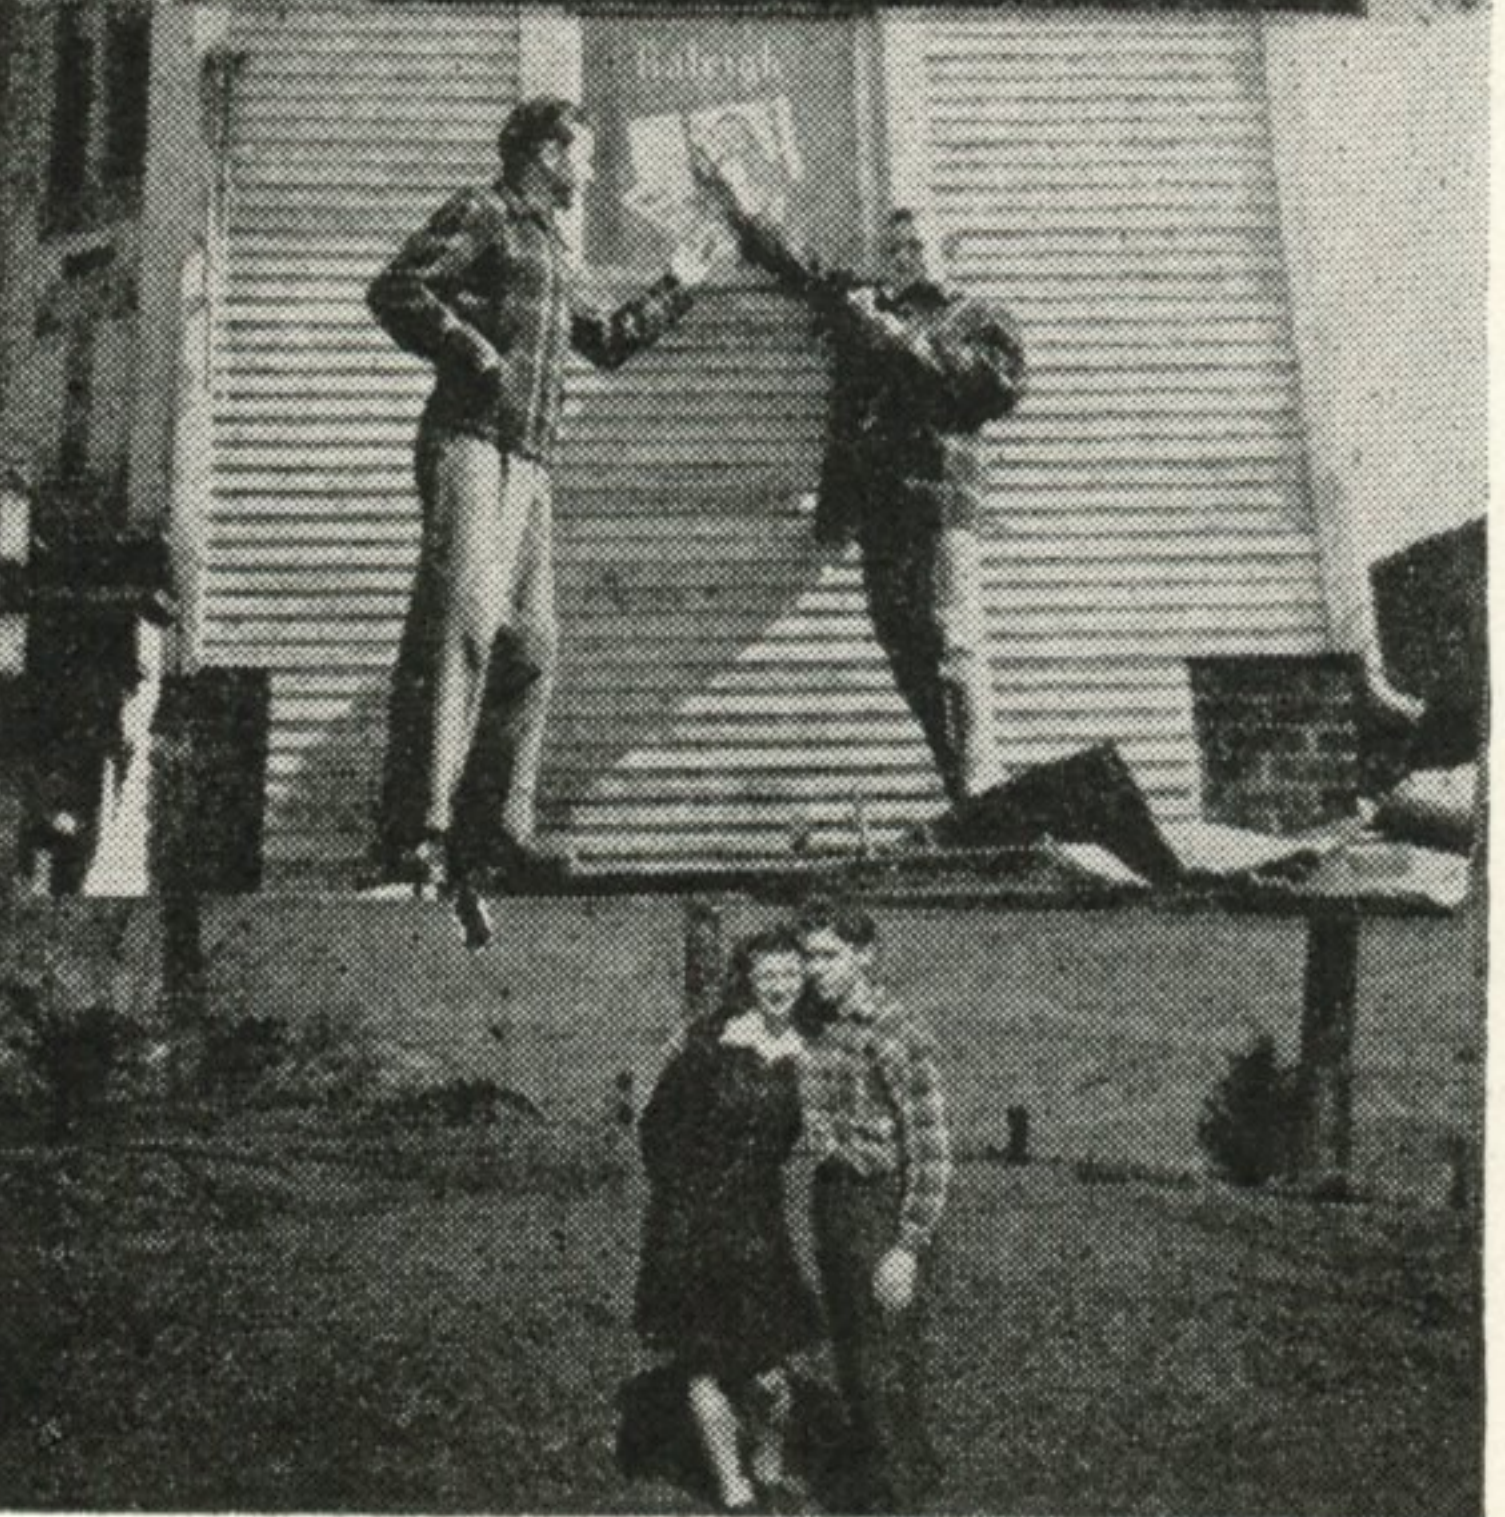

During the 1944 baseball season, Codorus was again, as in the last few years, placed in the Southern Division of the York County Scholastic Baseball League with one more team added to this league. Our opponents were Glen Rock, New Freedom, and Stewartstown.

Even though we didn't end up on the top, we seemed to have the real baseball spirit, and after all that is what counts. With this spirit we were able to hold third place in the league without our star pitcher, who was hurt in the first game.

This year we are hoping to have a successful season with five of our regulars back from last year's team and several "greenies" whom we hope will make the best of it.

Faraday Science Club

(Continued from Page 38)

Our club seems to be affected by the war conditions—first, like armies, it does its work by leaps and bounds. Second, due to the shortage of vital war materials, trips to manufacturing plants and museums, etc., has been forbidden, and various equipment could not be gotten.

Research on "jet propulsion," production of artificial flowers, building airplane models, producing blushing pictures and repulsion coils, maintaining a bird sanctuary, collection of Indian lore, making field trips, and experimenting on the "unknown," is the work of the Science Club—and to get it into the members.

The club was divided into about a dozen divisions under which a group of four to eight performed a specific duty on either individual or group projects, or co-project, or general club projects.

By the use of a budget system, the club sees fit a sound means of buying books and equipment for the school and club use; also the members of the various divisions could judge the expenditures of their material to be used by them throughout the term.

Various programs were presented to the student body, including their own composed plays, experiments, editorials, and items of interest from various divisions and movies. Among the movies were: "No Greater Glory," "Since Pearl Harbor," "Grass and Farm Chemurgy," "What Is Electricity?" "After the Storm," "Battle of Tarawa," "Blue Bloods," "Scientist for Tomorrow."

A skating party was scheduled in May at the Hanover Skating Rink at Hanover, Pa.

To all the members of the Faraday Science Club, we wish to express our sincere thanks.

M. K.—S. B., '45
