Foreword

The world may never notice the joys and sorrows through which our class has gone during the four years of high school, but in the heart of each student they are implanted forever. This Annual Review Number of the Glen Echo contains our printed record of both our painful and pleasant memories. We give it to you with the fond hope that it may be as joyful to you as it will be to us in future years.

Problems of Democracy and European History

We Reap as We Have Sown

We shape ourselves the joy or fear
Of which the coming life is made,
And fill our future's atmosphere
With sunshine or with shade.

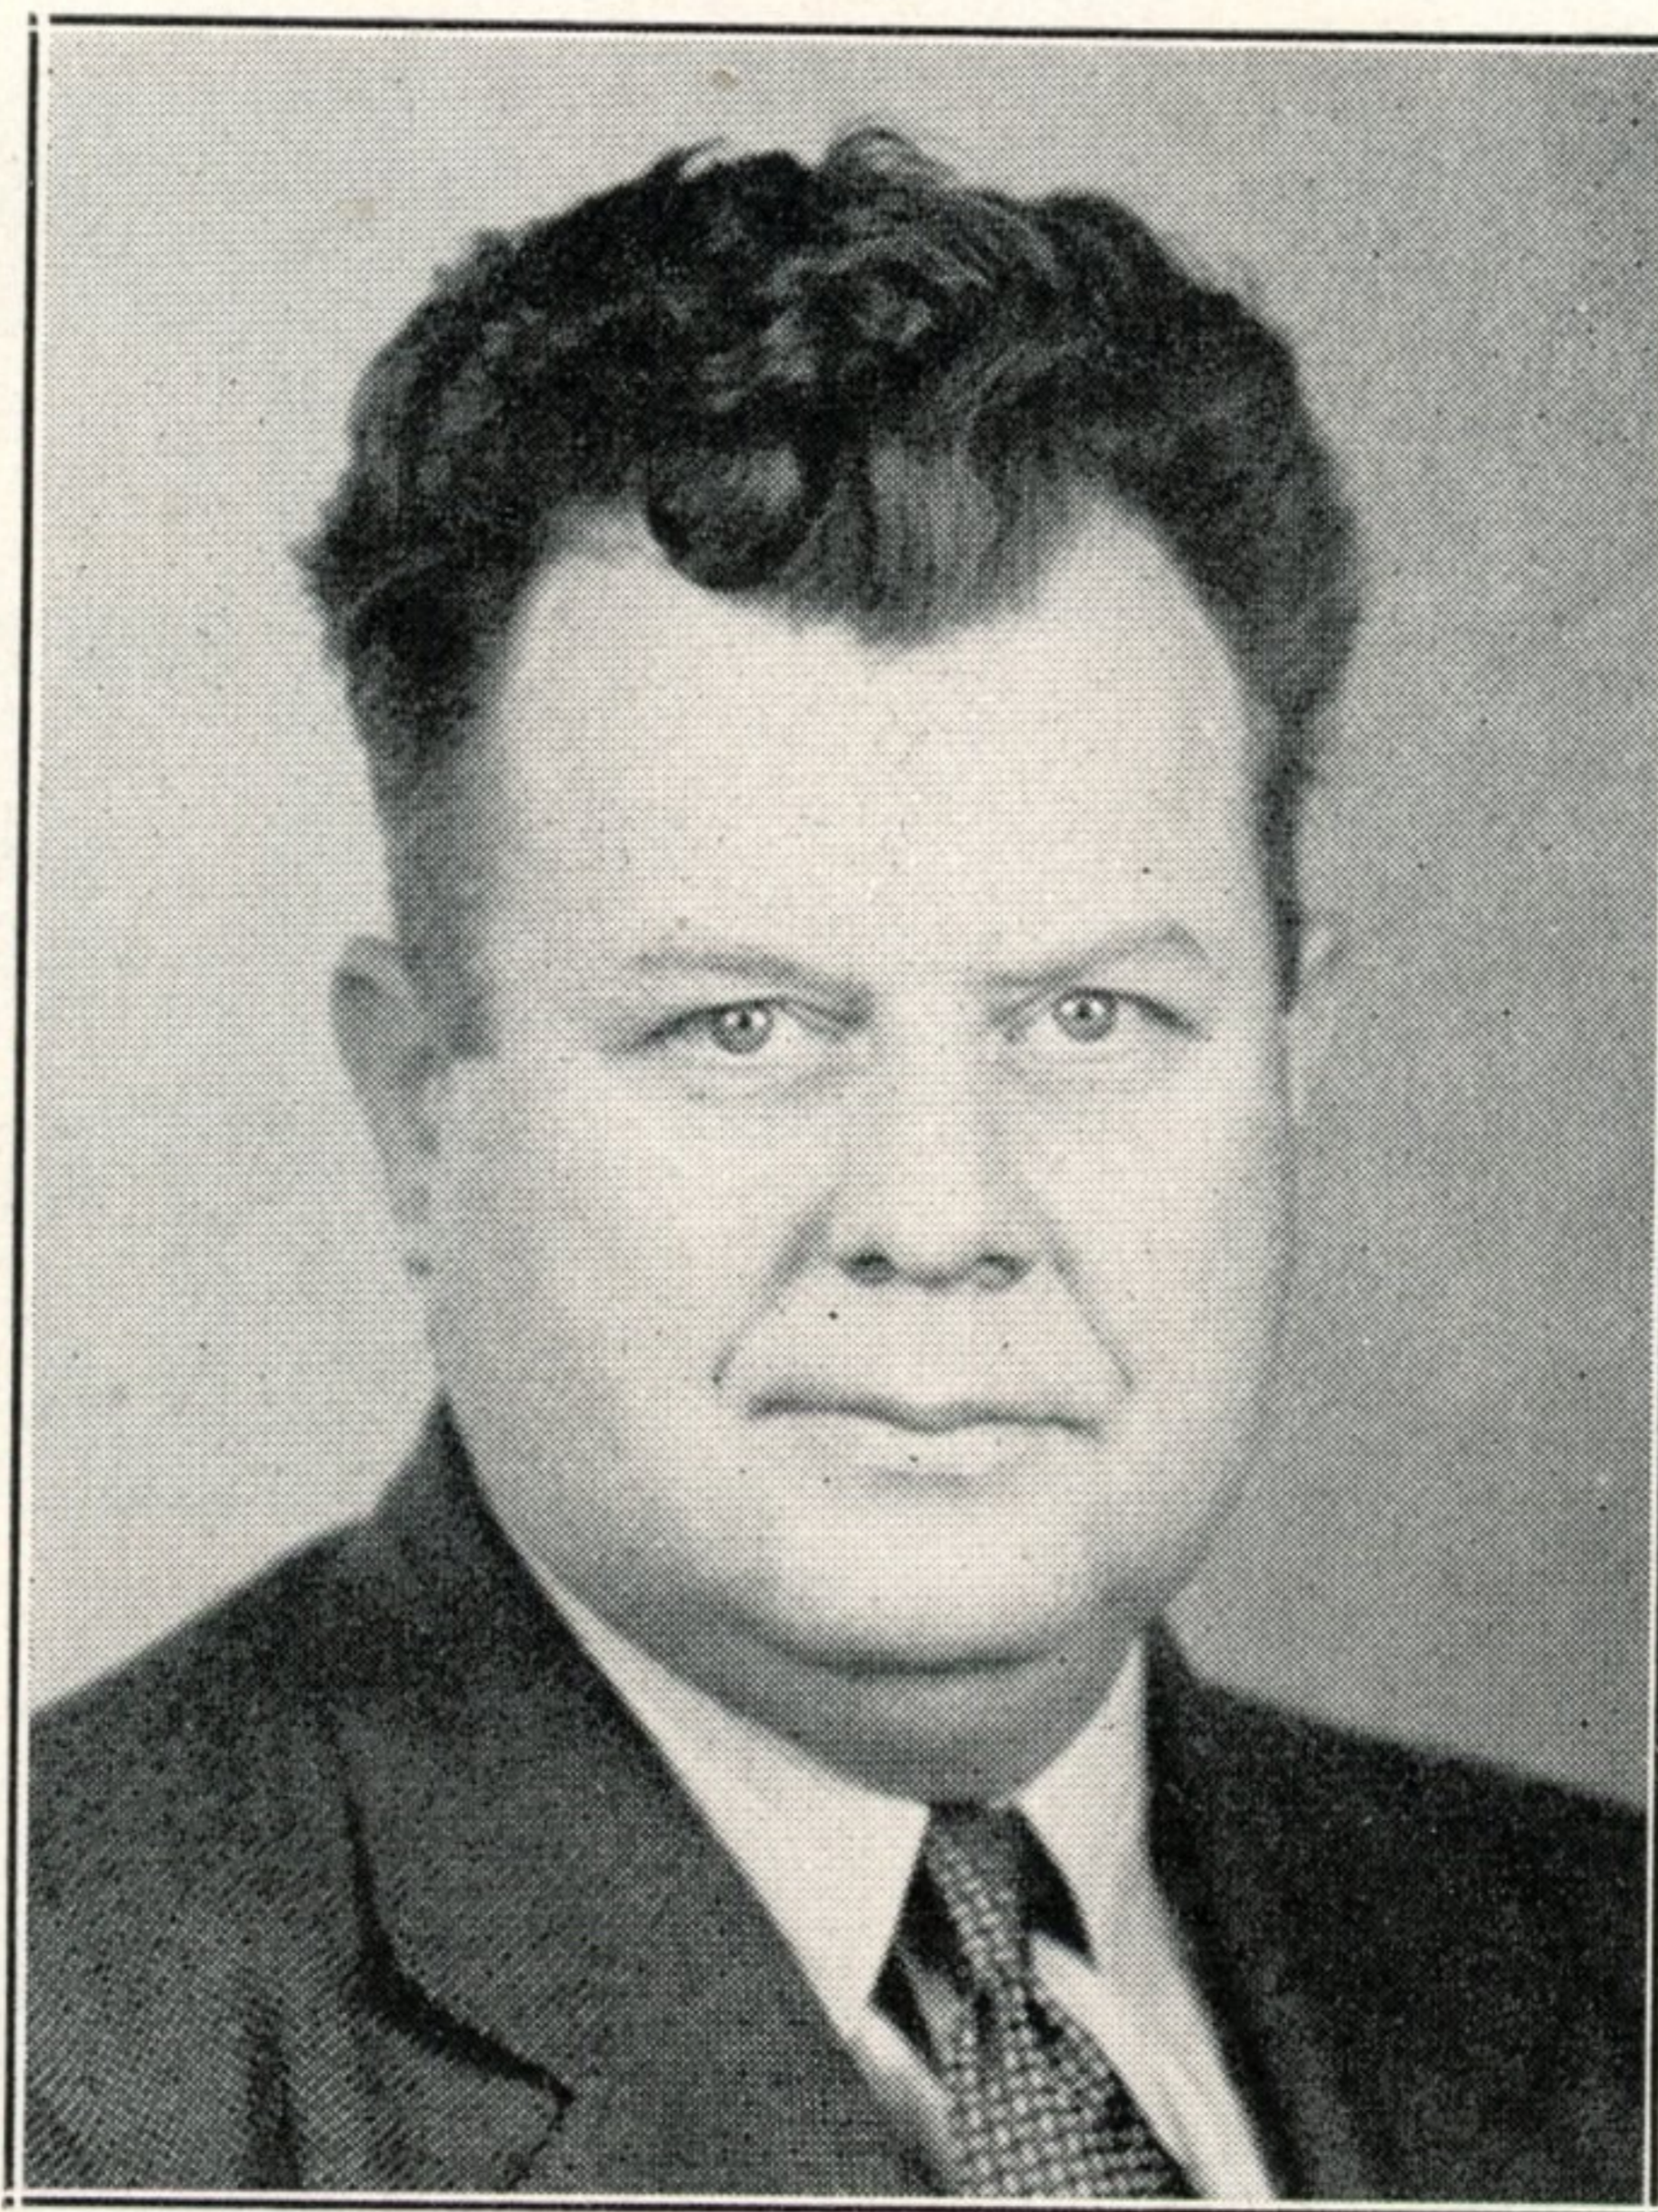

The tissue of the life to be
We weave with colors all our own,
And in the field of destiny
We reap as we have sown.—WHITTIER

The harvest of a life depends on the sowing in our young days. Youth is the base of the pillar of life. You also know that no pillar can be safe unless the base is sound and strong. It would be useless for the pillar, when nearly built to say—if it could speak: "I want a sound base." It would be too late.

Do you see, then, how very important youth is? What a great responsibility it casts upon you. It is yours now. Make the best of it.

But how shall you be certain that the base of life's pillar shall be so sure and strong that all of it may be safely built? There is only one thing that can make it certain and that is that the foundation upon which the base is laid shall be firm.

If your youth is on a firm foundation, your life will be strong and splendid, and you may look forward to a life in which your happiness shall grow from day to day.

To the Graduates

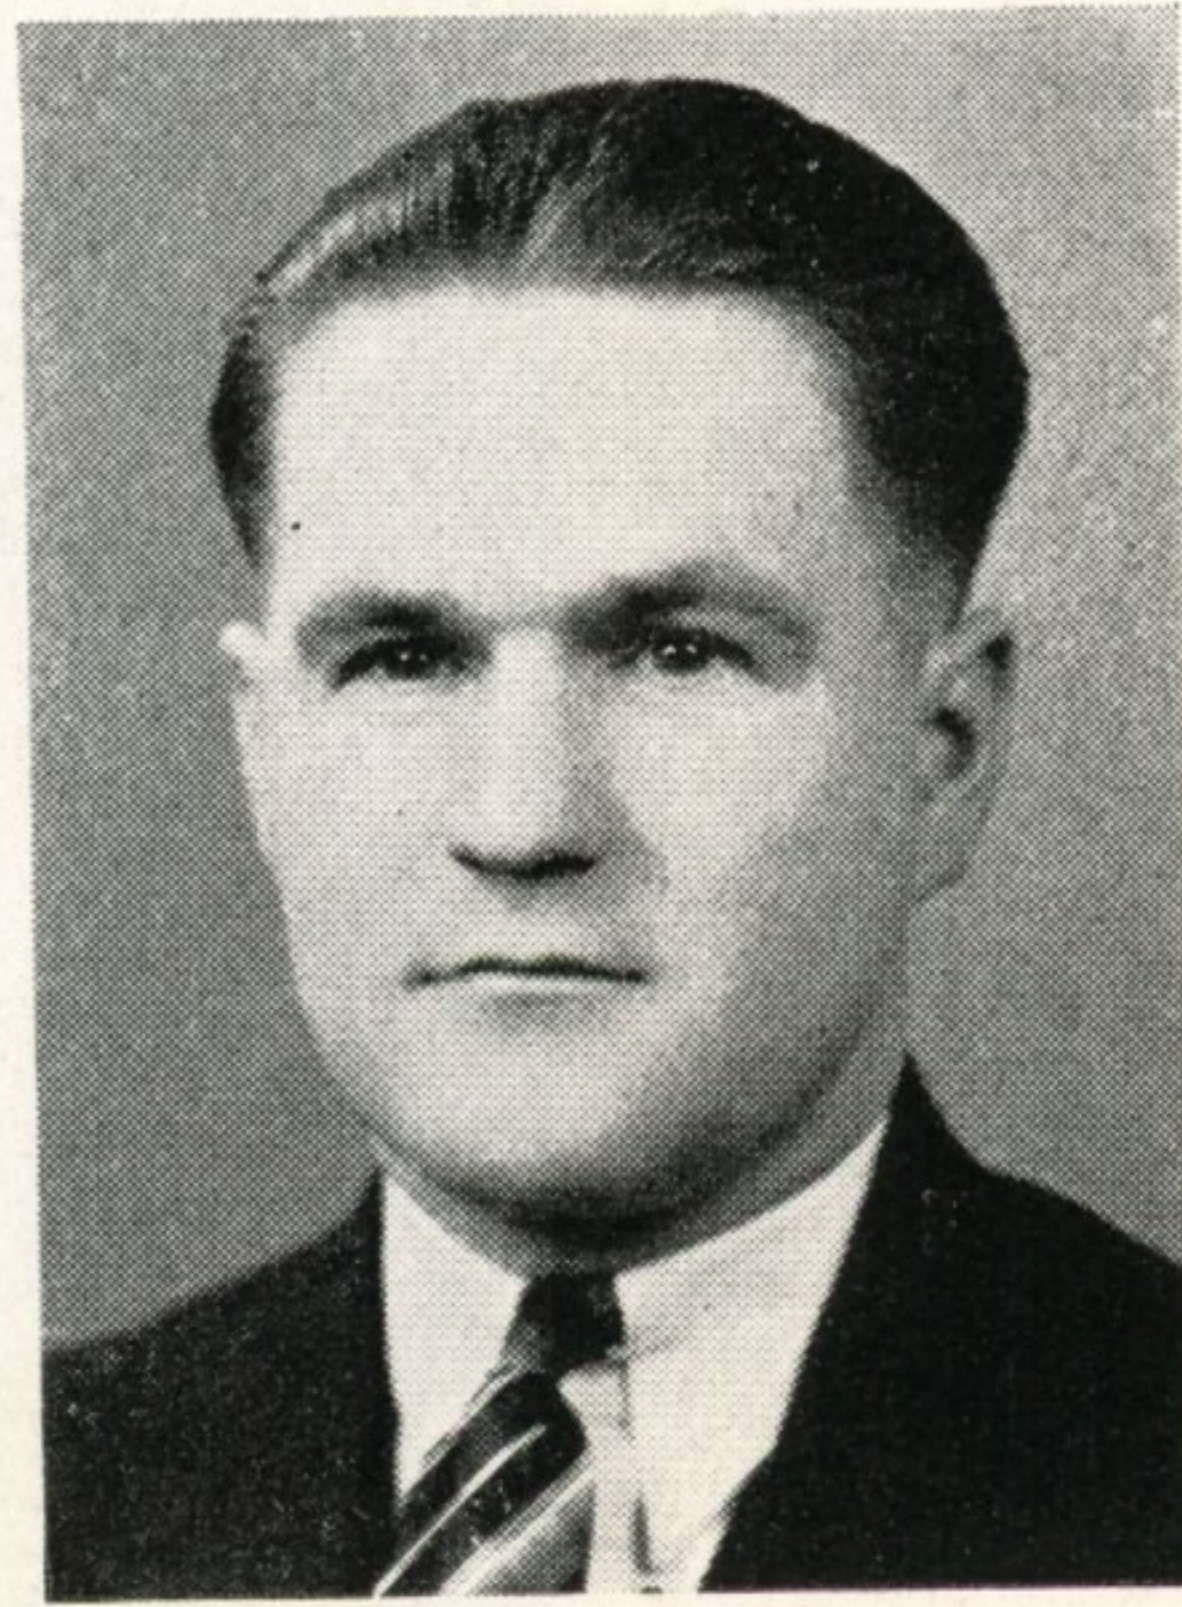

The greatest gift the world offers you today is the chance to work and the opportunity to achieve. What you do with it, what you make of it, depends on you. Washington, Jefferson, and Lincoln were outstanding exemplars of earnest work. True, they were gifted with extraordinary talents, but they realized that their abilities were of no value to themselves or to the world until expressed in terms of action.

You can achieve the thing you set out to do if you are willing to make the effort and to see it through to the end. The opportunity to achieve is one of the greatest blessings that you enjoy today.

MARY E. BARRICK
Spring Grove R. D. 2, Pennsylvania
"Barrick"

Literary Society (1, 2); Science Club (3, 4); Chorus (4); Class Day (4).

Mary is a girl with a cheery and friendly personality. Because of this she has won herself lots of friends. During her four years at C. T. H. S., she has taken much interest in her school work and also in a certain lad from Bonnaire.

*Mary is a grand old name.
The girl herself is quite the same.*

ARLENE E. BECK
Seven Valleys R. D. 2, Pennsylvania
"Beck"

Literary Society (1, 2, 3, 4); Librarian (4); Class Day (4).

Arlene, better known as Beck, is one of the shortest members of the class, but her size doesn't hinder her when she is lending a helping hand. Although Beck has over two miles to walk both morning and evening, she never missed many days of school. She takes a great deal of interest in her studies, especially algebra. Arlene passed some of her time by working in the library during her senior year.

*Although Beck is very small
She is recognized by us all.*

MARY E. BENSEL
Brodbecks R. D. 1, Pennsylvania
"Bensel"

Literary Society (1, 3, 4); Literary Society Librarian (3); Science Club (2, 3, 4); Secretary of Science Club (4); Glee Club (3, 4); Operetta (3, 4); Secretary-Treasurer of Athletic Association (4); Basketball (2, 3, 4); Volley Ball (2, 3, 4); School Librarian (3, 4); Cheerleader (4); Glen Echo (4); Class Play (4); Class Day (4).

Meet Bensel, the shortest girl in our class. Although Bensel is short, she has shown her skill in all sports, especially basketball. Yes, Bensel can be classed as our most athletic girl. Bensel could also be seen at all sporting events, yelling with all her might, as she was a member of the cheerleading squad.

Bensel also has shown her dramatic ability in our senior play. During her four short years at C. T. H. S., she has become a friend to many.

*Although Bensel is not very tall,
She has shown her ability in basketball.*

HELEN L. BORTNER
Glen Rock R. D. 2, Pennsylvania
"Bortner"

Literary Society (1, 2, 3, 4); Chorus (4); Class Day (4).

Bortner is a friend of everyone. If she can pest or pick on you, that is her delight, although we all know that it is all in fun. She also likes to tell us a few jokes.

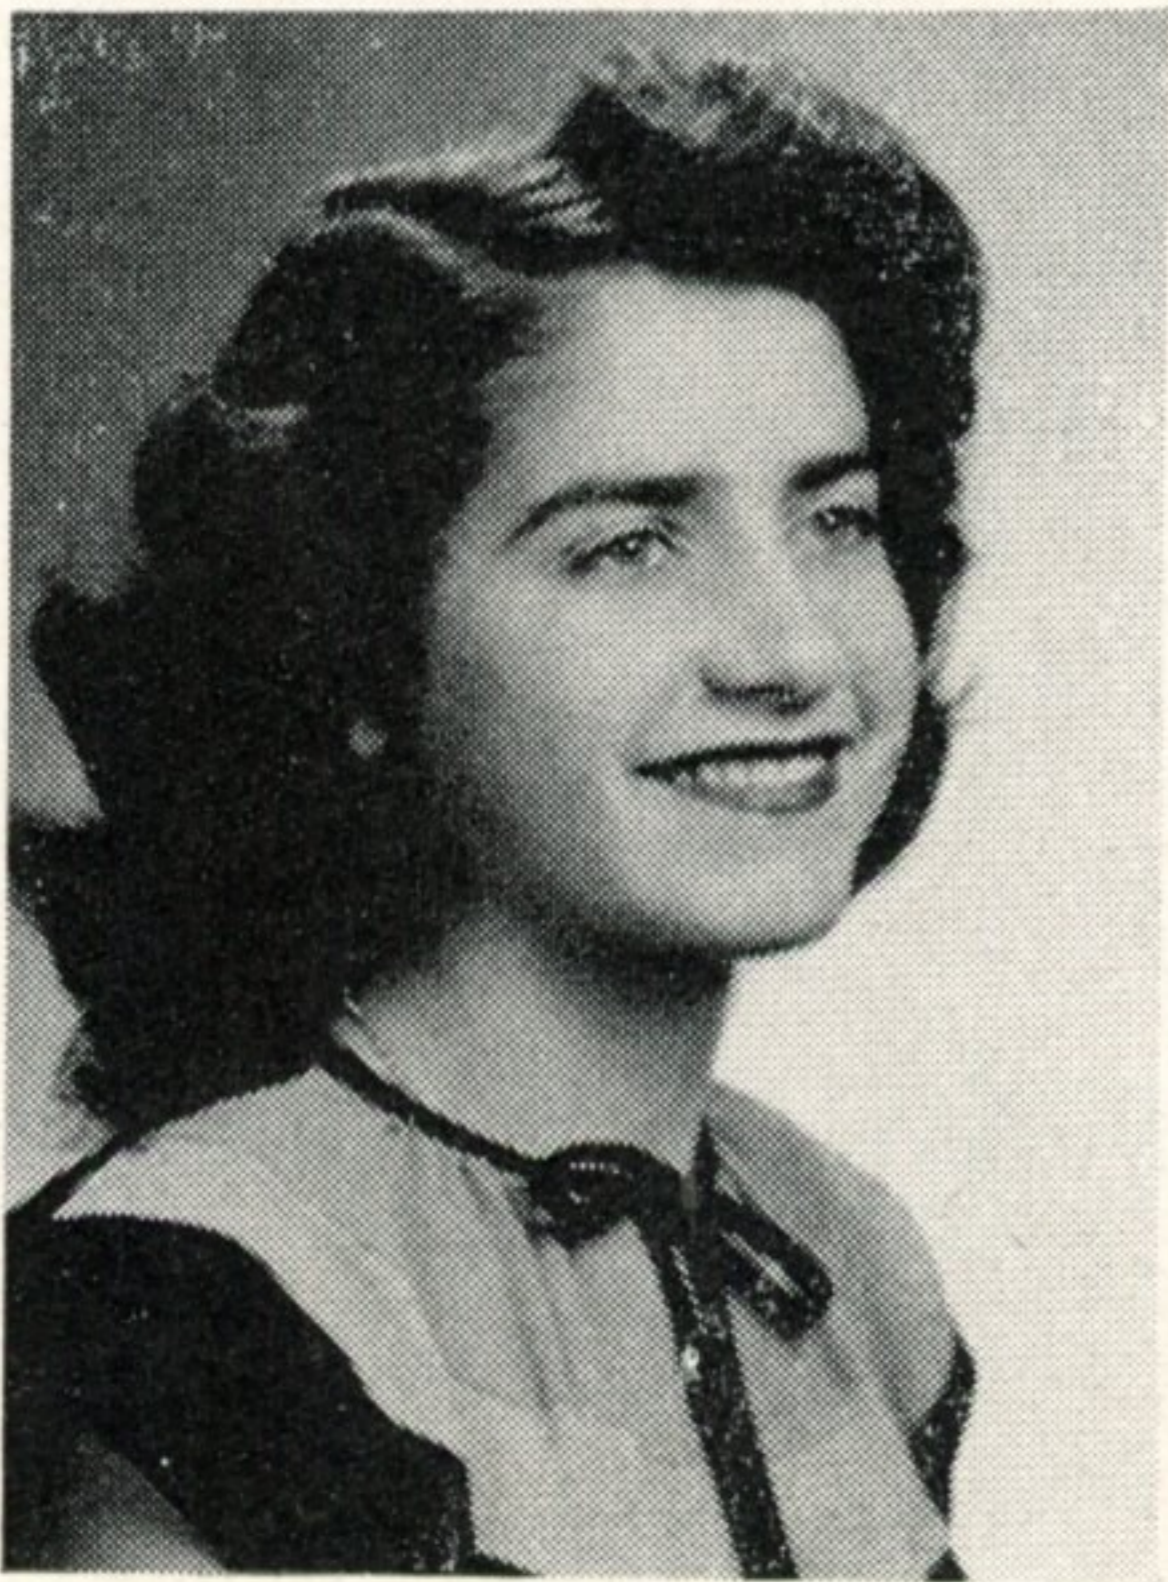

Bortner can be seen anywhere reading a book. She also likes to go to the movies in Glen Rock.

Her wish is to become a nurse.

*Bortner, who is a friend to all,
Will surely answer to your call.*

SENIORS

HELEN E. BRAUN
Glen Rock R. D. 3, Pennsylvania
"Braunie"

Literary Society (1, 3, 4); Science Club (2, 3, 4); Chorus (1, 2, 3, 4); Class Play (3); Basketball (3, 4); Volley Ball (3, 4); Glen Echo (4); Class Day (4).

Meet Braunie, a very cheerful person and a good sport. She has taken an active part in all sports and was in our Junior Play "China Boy," in which she portrayed quite a problem child. Her main interest lies in Sparks High School for there is a certain guy there whose name is Mike. She is undecided as to what she will do after her graduation from high school, but she has hopes for college.

"Braunie" is quite carefree and gay,
Jokes and pranks are to her mere play.

MARTHA M. BRAUN
Glen Rock R. D. 3, Pennsylvania
"Braunie"

Literary Society (1, 2, 3, 4); President of Literary Society (4); Science Club (4); Class Secretary (2); Chorus (1, 2, 3, 4); Operetta (1, 2, 3, 4); Basketball (2, 3, 4); Volley Ball (2, 3, 4); Cheerleader Captain (4); Glen Echo (3, 4); Debate (2, 3, 4); Class Play (3, 4); Class Day (4).

Braunie is one of the great debaters of the senior class. She was victorious two out of her three years of debating.

She participated in athletics by playing guard on the basketball team and by playing volley ball since her sophomore year.

She took part in both class plays and sang in the chorus since she was a freshman. Besides all her extra-curricular activities she is one of the honor students.

Her one ambition is to attend college.

*Martha, a tall, slender, smiling lass,
Is a great debater of the class.*

ROMAINE S. BRENNEMAN
Glen Rock R. D. 2, Pennsylvania
"Mainey"

Literary Society (1, 2, 3, 4); Glen Echo (4); Class Day (4).

This girl smiling at you is Mainey. She is usually a very quiet girl and this asset makes her a swell friend of any big talker. The adjective quiet could hardly describe her, though, when there is a cute sailor around.

Mainey is well known for her poetic ability and she has written many poems for the Glen Echo. She was an active member of the Man-hater's Association for the past year and expects to remain in the club for quite a long time.

In school her favorite sport was basketball, while outside of school she liked to roller-skate and ice-skate. She has quite a reputation for "spiking" in playing volley ball also.

*Her ability to surround others with joys
Makes her a friend of both girls and boys.*

PHYLLIS K. BURNS
Codorus, Pennsylvania
"Phil"

Literary Society (1, 4); Science Club (2, 3, 4); Treasurer of Science Club (2, 3); Vice President of Science Club (4); Vice President of Class (2); Treasurer of Class (3, 4); Chorus (4); Basketball (4); Volley Ball (4); Operetta (4); Class Day (4).

Meet Phil, one of the taller girls of the class. She has many friends and is always willing to help you with any problem you may have.

Phil seldom neglects her studies, but she always manages to find time to write to a certain soldier stationed in Japan.

As most of us know she spends a great deal of time skating and reading. Her favorite sport is basketball.

She wants to be a beautician and plans to go to beauty culture school after graduation.

*She may go skating every night,
But to her soldier boy won't fail to write.*

1946

MIRIAM J. DOLL
Codorus, Pennsylvania
"Mim"

Literary Society (1, 2); Science Club (3, 4); Chorus (4); Senior Play (4); Class Day (4).

Mim is one of the tallest girls in the class. She seemed quite bashful at first, but cheerful and full of fun. She can always argue with anyone in the class.

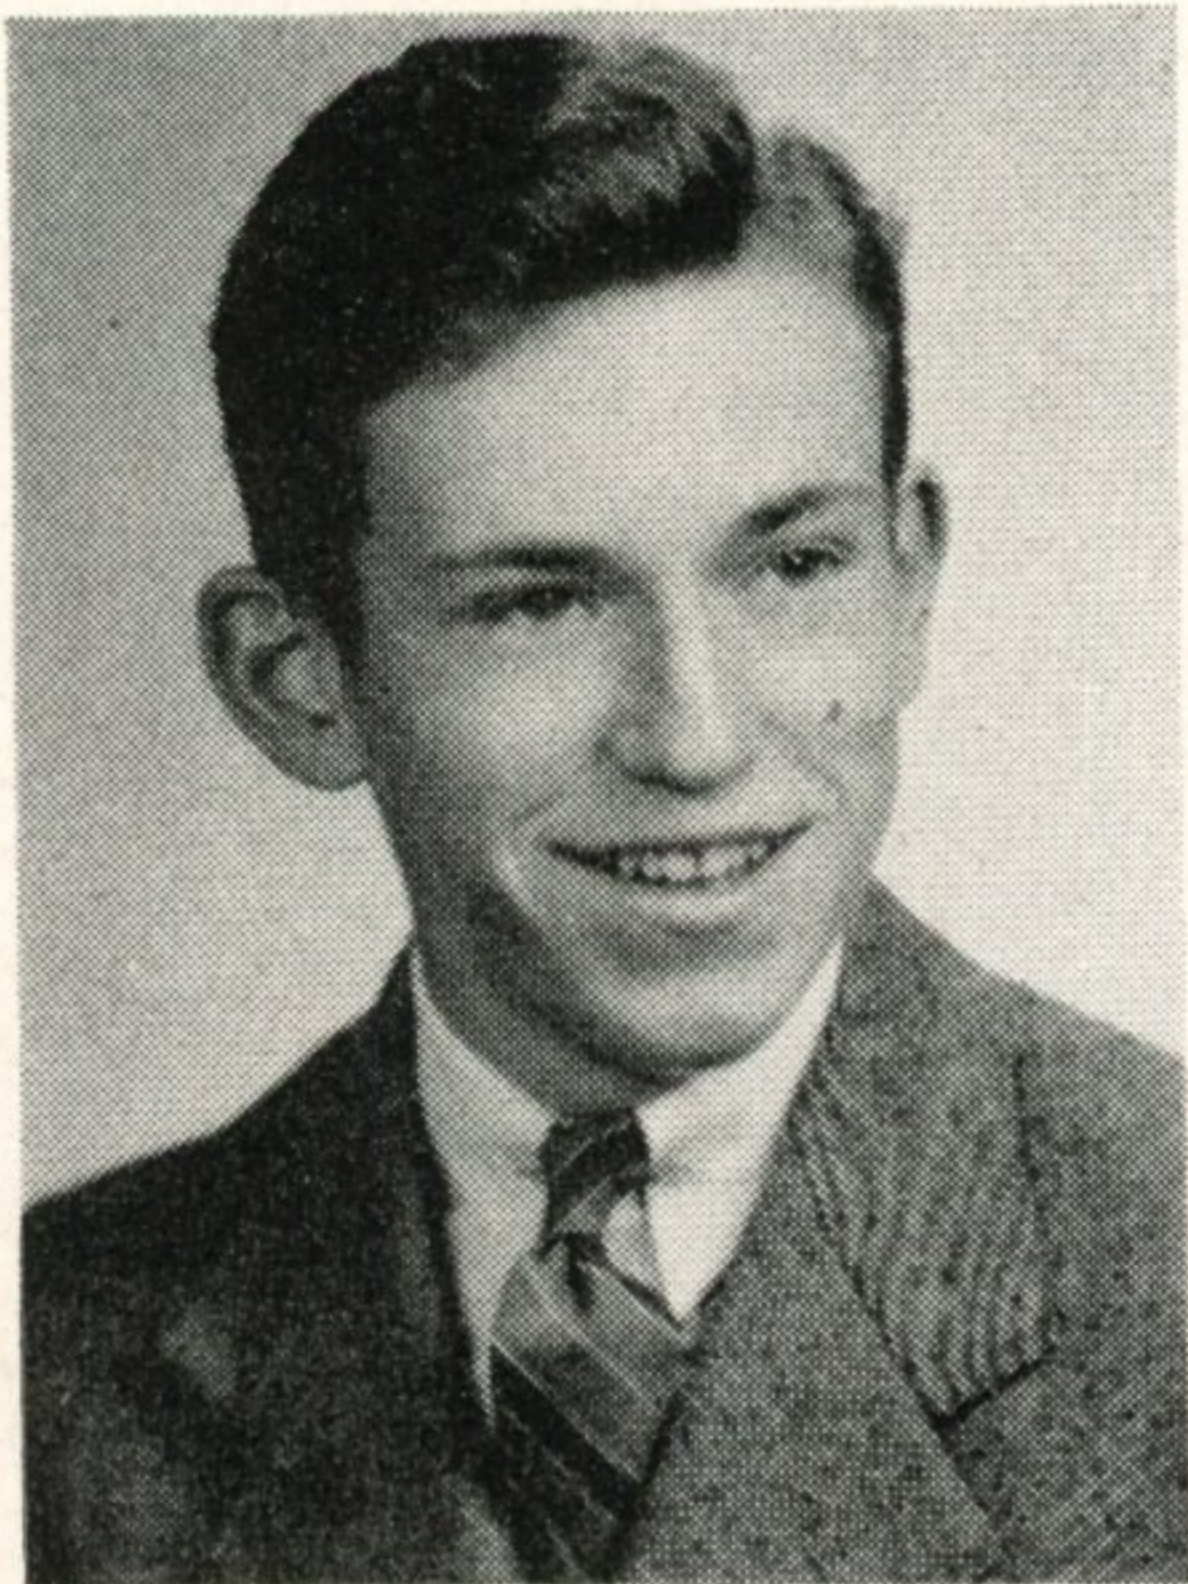

Mim has shown dramatic ability in "Sunbonnet Jane of Sycamore Lane," the senior play.

Mim's favorite pastime is writing letters to a certain soldier, and she also likes to tease some of the freshman boys.

Mim intends to be a beautician when she finishes high school.

"Mim" with her cheerful smile

Will be remembered for a long while.

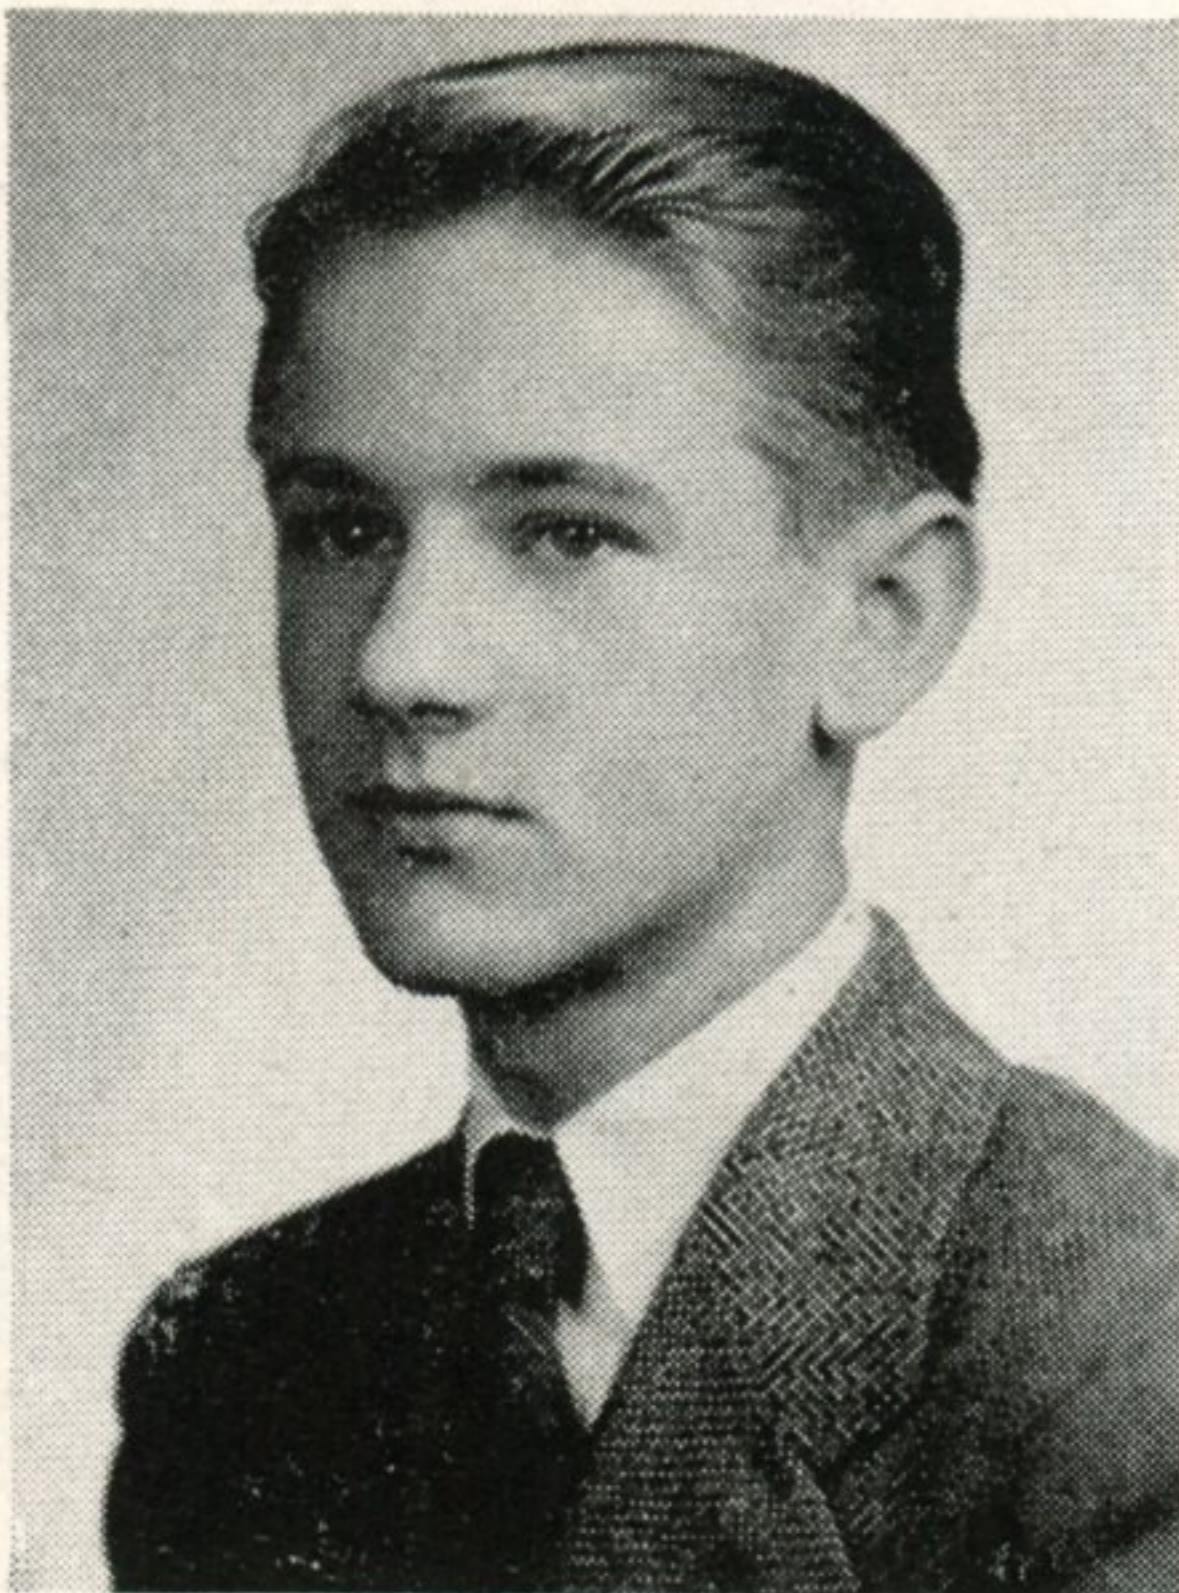

EARL W. DUBS
Glenville, Pennsylvania
"Dubs"

F.F.A. (1, 2, 3, 4); Vice President of F.F.A. (4); Class Play (3); Soccer (4); Glen Echo (4); Rifle Club (4); Class Day (4).

Dubs is one of the happy-go-lucky boys of the class. Nothing seems to worry him too much except maybe a few girls? ? ? ? There is never a dull moment when he is around. We have found Dubs to be a true friend to everyone.

Sports and music seem to be of much interest to him. He also likes to drive a car—especially a Ford.

SIDNEY S. EHRHART
Glenville, Pennsylvania
"Sid"

Literary Society (1); Librarian of Literary Society (1); Science Club (2, 3, 4); Librarian of Science Club (2, 3); Scout of Science Club (4); Chorus (2, 3, 4); Class Treasurer (1, 2); Vice President (3, 4); Glen Echo (4); Class Play (3); Baseball (3, 4); Soccer (2, 3, 4); Basketball (2, 3, 4); Class Day (4); Music Festival (4); Southern District Chorus (4); Operetta (3, 4).

Look at the above record and you will note that "Sid" is one of those who can do something besides study. Not only is he an excellent student, but he finds time to "sling hash," talk on any imaginable subject, and take part in most school activities. His chief difficulty is deciding whether he will preach or breed White Leghorns. In the meantime however, he continues his school work and various activities preparatory to entering Gettysburg College this coming fall. If concentration and application spell success, we have no fears for this classmate in after life.

*To Gettysburg College he will go,
But Edith has his heart and soul.*

ADELA M. FAIR
Glen Rock R. D. 1, Pennsylvania
"Fair"

Literary Society (1, 2, 3, 4); Chorus (4); Class Day (4).

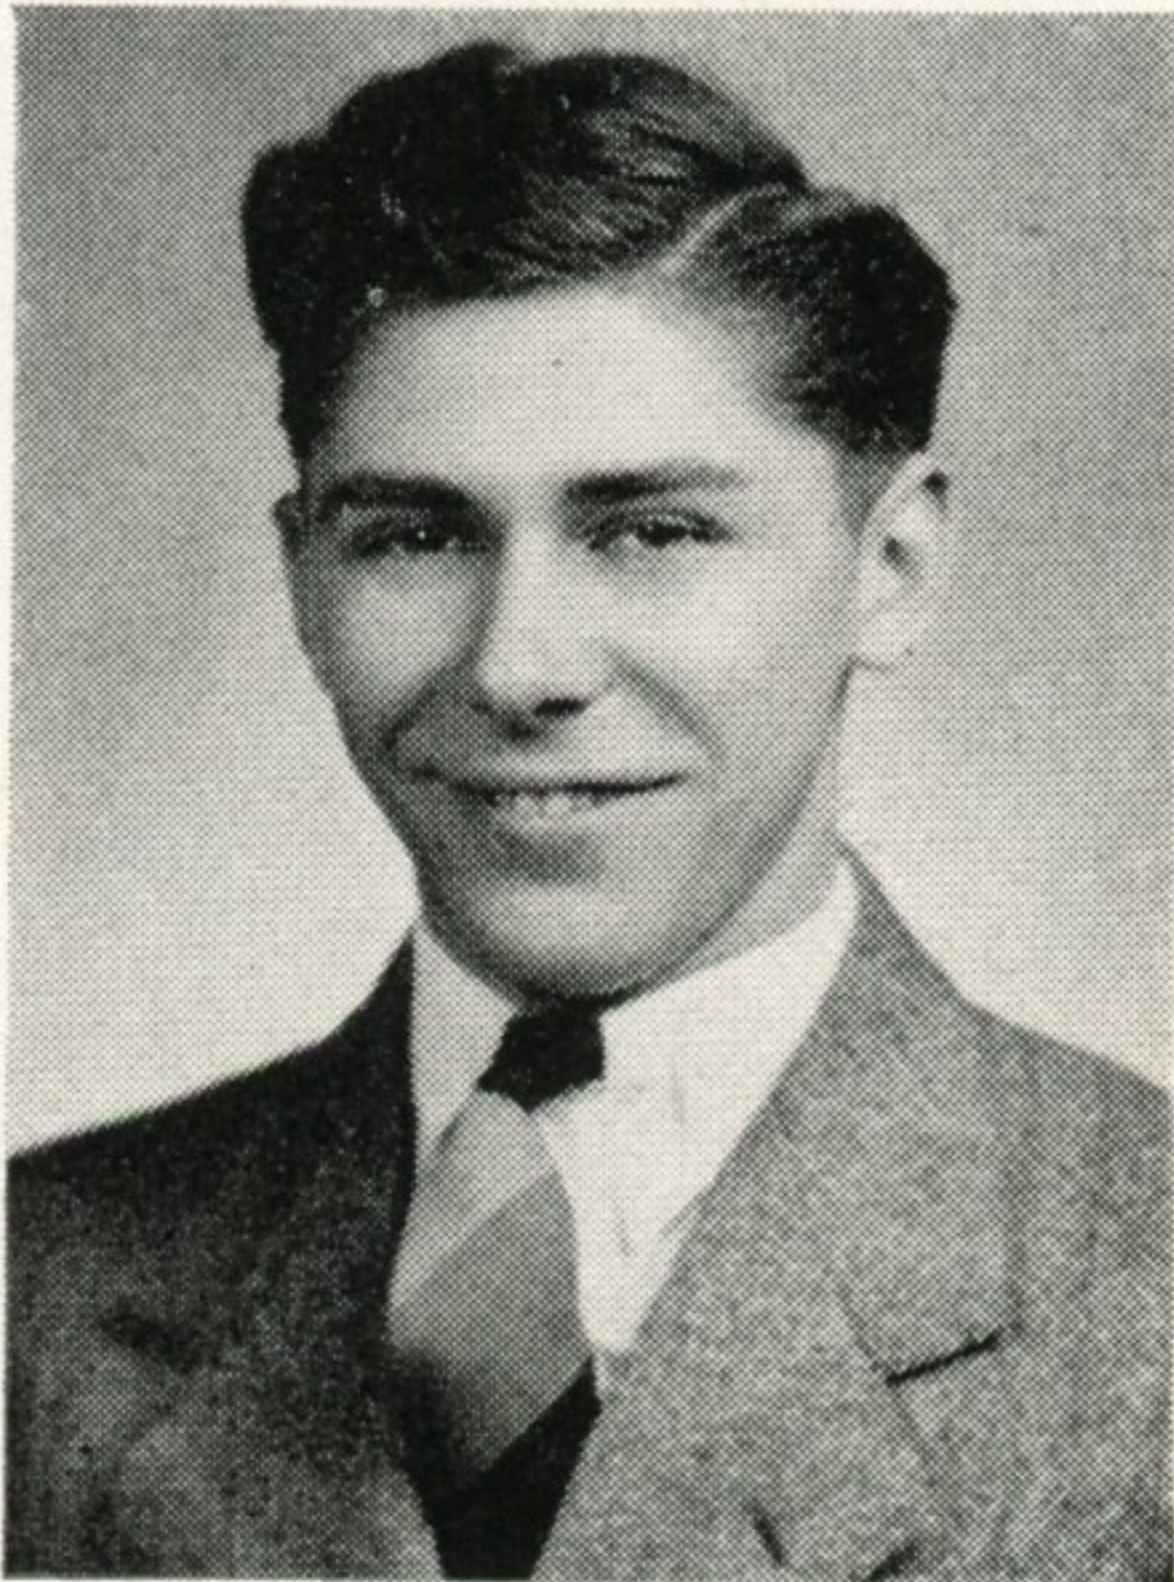

Adela, better known to the class as Fair, is one of the tallest girls of the class. She has a cheerful disposition and is always ready to lend a helping hand.

Fair spends most of her Saturday nights in Hanover. We wonder why? ? ? ? Working at home and riding in a Pontiac are her greatest pleasures. She is not quite sure what her future will be, but she would like to be a beautician.

*When Fair goes riding in a Pontiac,
She doesn't care if she never gets back.*

SENIORS

BURNELL K. FISHER
Glen Rock, Pennsylvania
"Fisher"

Soccer (2, 3, 4); Basketball (3, 4); F.F.A. (1, 2, 3, 4); F.F.A. President (4); Operetta (2); Class Play (4); Class President (3); Glen Echo (4); Class Day (4).

Fisher, as he is known through the halls of C. T. H. S., during his high school career, has taken part in most sports.

When Fisher started we thought him to be rather bashful; but as time went on we found that he was exactly the opposite. One of his greatest delights is teasing the opposite sex.

*His Plymouth is a pleasure.
His Betty is a treasure.*

FLERENE K. FLEMMENS
Glen Rock R. D. 1, Pennsylvania
"Flem"

Literary Society (1, 2, 3, 4); Chorus (4); Class Day (4); Captain of Scarlet Team for Glen Echo Campaign (4).

Our first impression of Flem is that she is very quiet and bashful, but just get her started telling jokes. Life would be sort of dreary without Flem in our class. Congenial, earnest, and efficient in anything one calls upon her to do can best describe Flem. She is also very studious and likes French very much.

*You can find her anywhere Saturday night
Because to go away is her delight.*

ANITA F. FRIDINGER
Lineboro R. D. 2, Maryland
"Pinky"

Literary Society (1, 3, 4); Science Club (2, 3, 4); Chorus (3, 4); Class Play (3); Volley Ball (3, 4); Glen Echo (4); Class Day (4).

Meet Pinky, the artist of the senior class. Have you seen any of the girls that Pinky drew? Hubba, Hubba!

Pinky, also known as Skeets or Fridinger, has taken an interest in some sports, especially volley ball. She has been on the volley ball team for two years as a substitute.

She has no particular interest in the opposite sex. However, she enjoys reading letters sent to her by a soldier stationed in Austria.

*Studious and intelligent, this blonde lass
In many things is hard to surpass.*

DORIS M. GARMAN
Glen Rock R. D. 1, Pennsylvania
"Garman"

Science Club (3, 4); Literary Society (1, 2, 3, 4); Custodian of Literary Society (4); Glen Echo (4); Leader of Glen Echo Campaign (4); Librarian (3, 4); Class Play (4); Chorus (3); Operetta (3); Class Day (4).

This charming young lass is a friend to all. She is kind, loving, and ready to lend a helping hand when called upon. She is very much interested in her studies and also has dramatic ability, as she took the part of "Grace" very well in our senior play. Garman is learning to drive her Dad's "Chevy" and hopes that she will be able to drive on the main road from Rockville to Lineboro some day.

Doris is not sure what the future holds for her, but whatever she chooses we know she will have success.

*To a certain Boy Scout Garman is true,
Days without him are dreary and blue.*

1946

CHARLES H. GROTE, JR.
Glenville, Pennsylvania
"Lefty"

President of Freshman Class; Chorus (1, 2, 3, 4); Operetta (2, 4); Literary Society (2); Science Club (2, 3, 4); Class Play (3, 4); Captain of Curtis Campaign (2, 3, 4); Glen Echo (4); Debate (2, 3, 4); Baseball (2, 3, 4); Basketball (2, 3, 4); Soccer (2, 3, 4); Class Day (4); Vice President of Chorus (2).

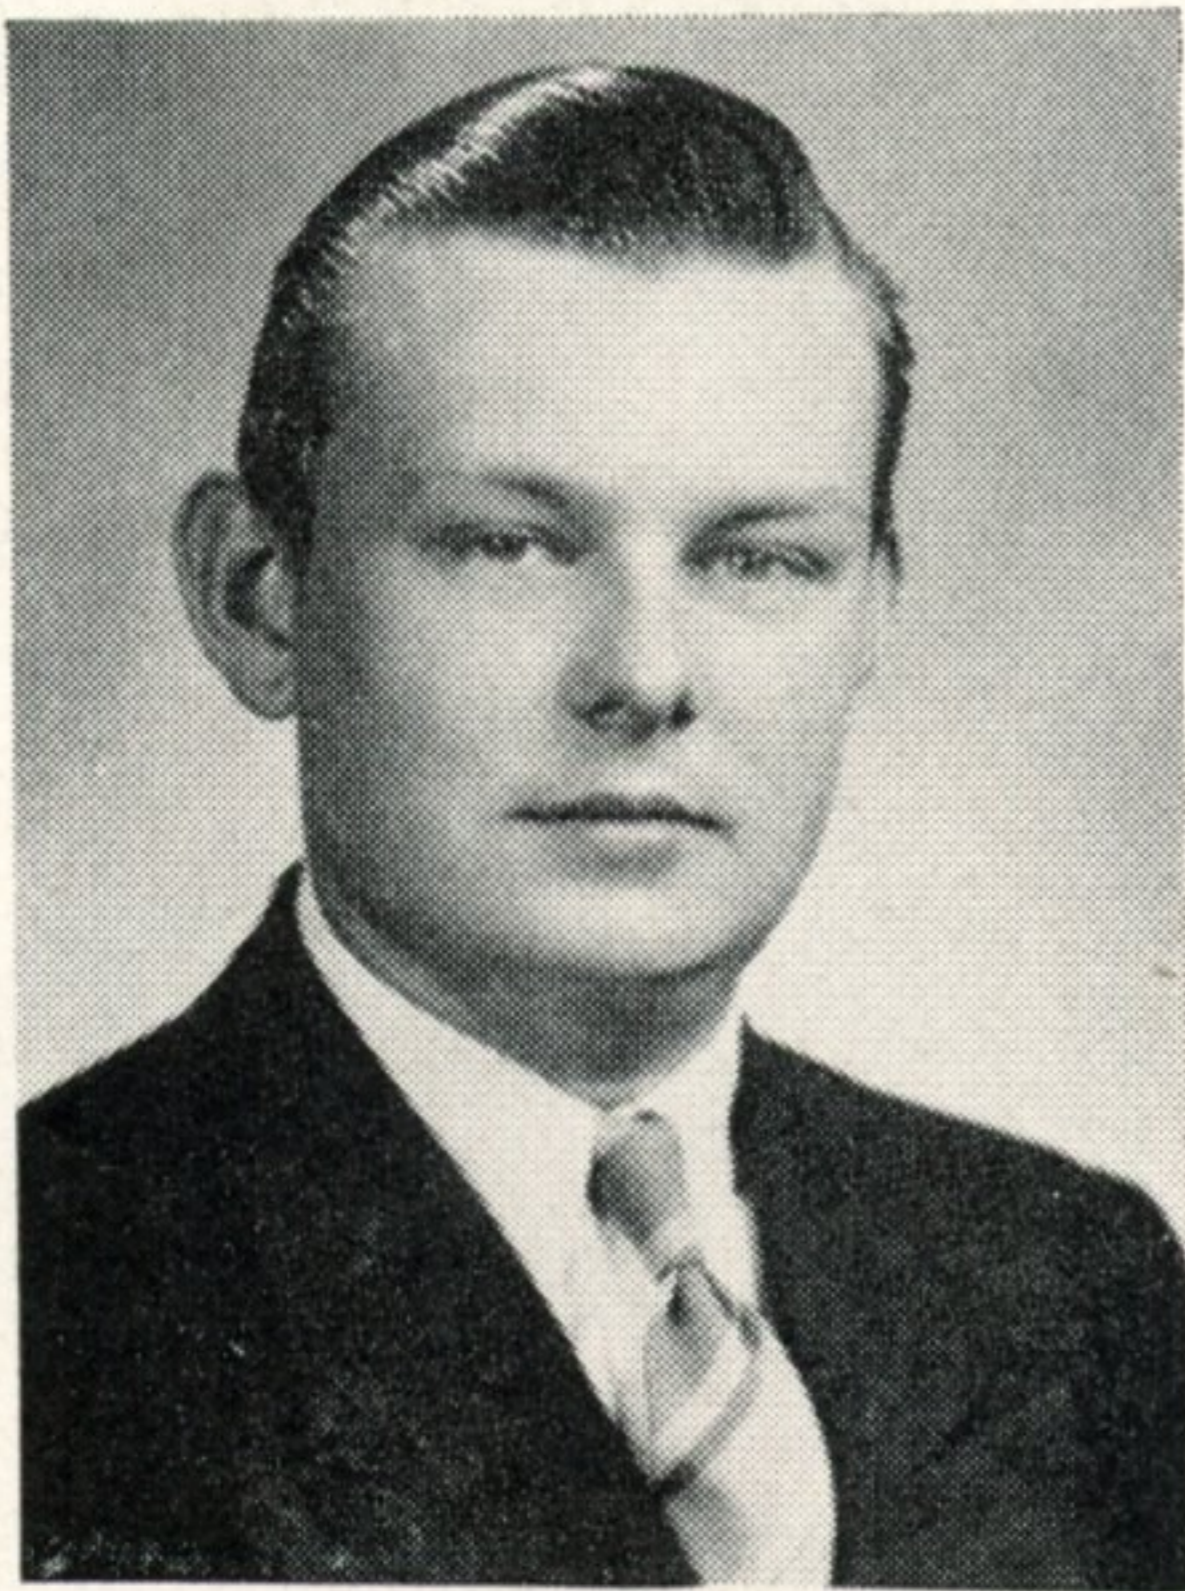

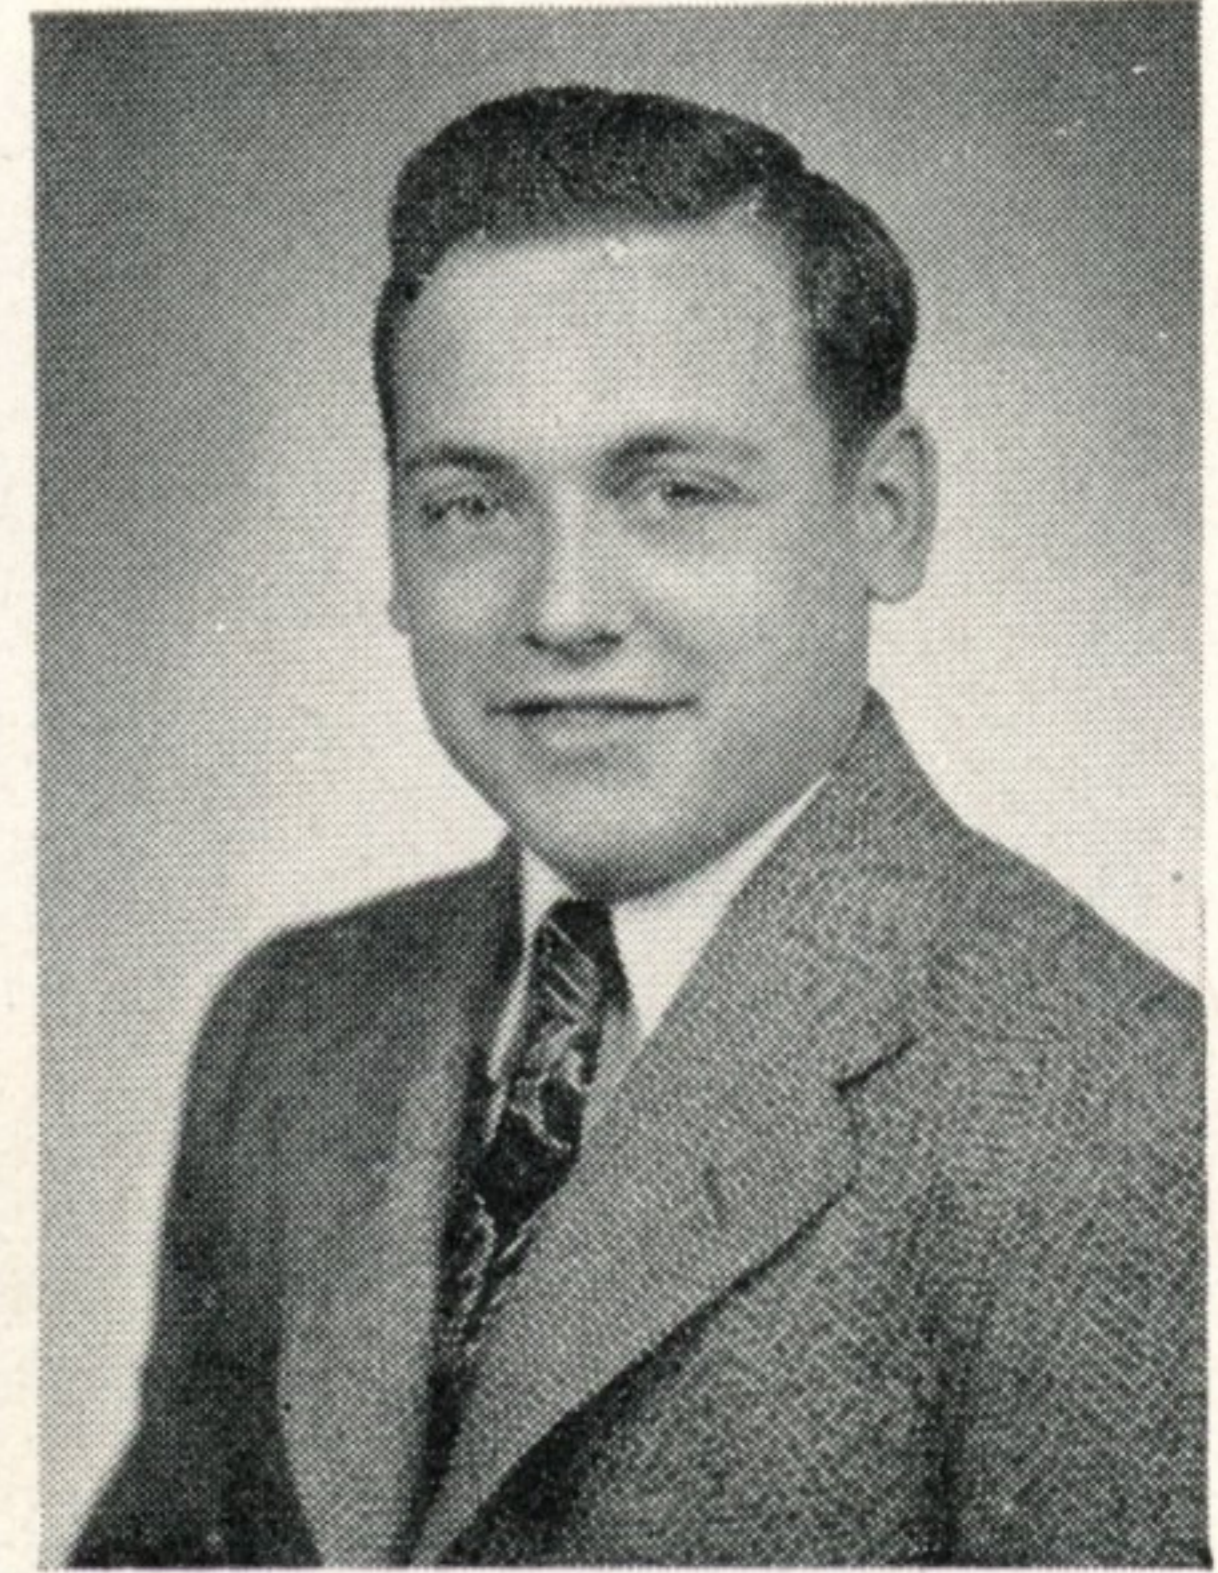

Charles is one of the more studious boys in the class; he always has time for fun and studying. Ever since he was our first class president, he has shown us that he is a capable leader.

He is active in sports and has been for the past two years especially. He has shown his dramatic ability in the junior and senior plays and the operetta "Tulip Time."

His ambition is to become a lawyer, and because of his talented "gift of gab" we are sure he will succeed.

In debating and in sports his opponent is a "goner."

In fact, the only one who licks him lives in Glenville—on the corner.

CHARLES H. HARBOLD
Codorus, Pennsylvania
"Harbold"

Glen Echo (4); Chorus (2, 3, 4); Operetta (2, 3, 4); Manager of Basketball, Baseball and Soccer (4); Class Day (4).

Although not participating in any sports, he was manager of every sport at C. T. H. S. His ambition is to go to business school where he will study bookkeeping.

*Driving a Ford is his delight,
But Shaffer has his heart held tight.*

CORINNE E. HAWKINS
Glen Rock R. D. 2, Pennsylvania
"Hawkins"

Literary Society (2, 3, 4); Chorus (4); Class Day (4).

Meet Corinne, one of the members of our class. Corinne entered high school as a freshman at Glen Rock and the next year she entered C. T. H. S. as a sophomore.

When you hear some laughing and you look around the corner it is she telling one of her jokes. When you are in trouble she is always willing to help you.

Her ambition is to be a secretary, and we know that she will be successful as a secretary in the future.

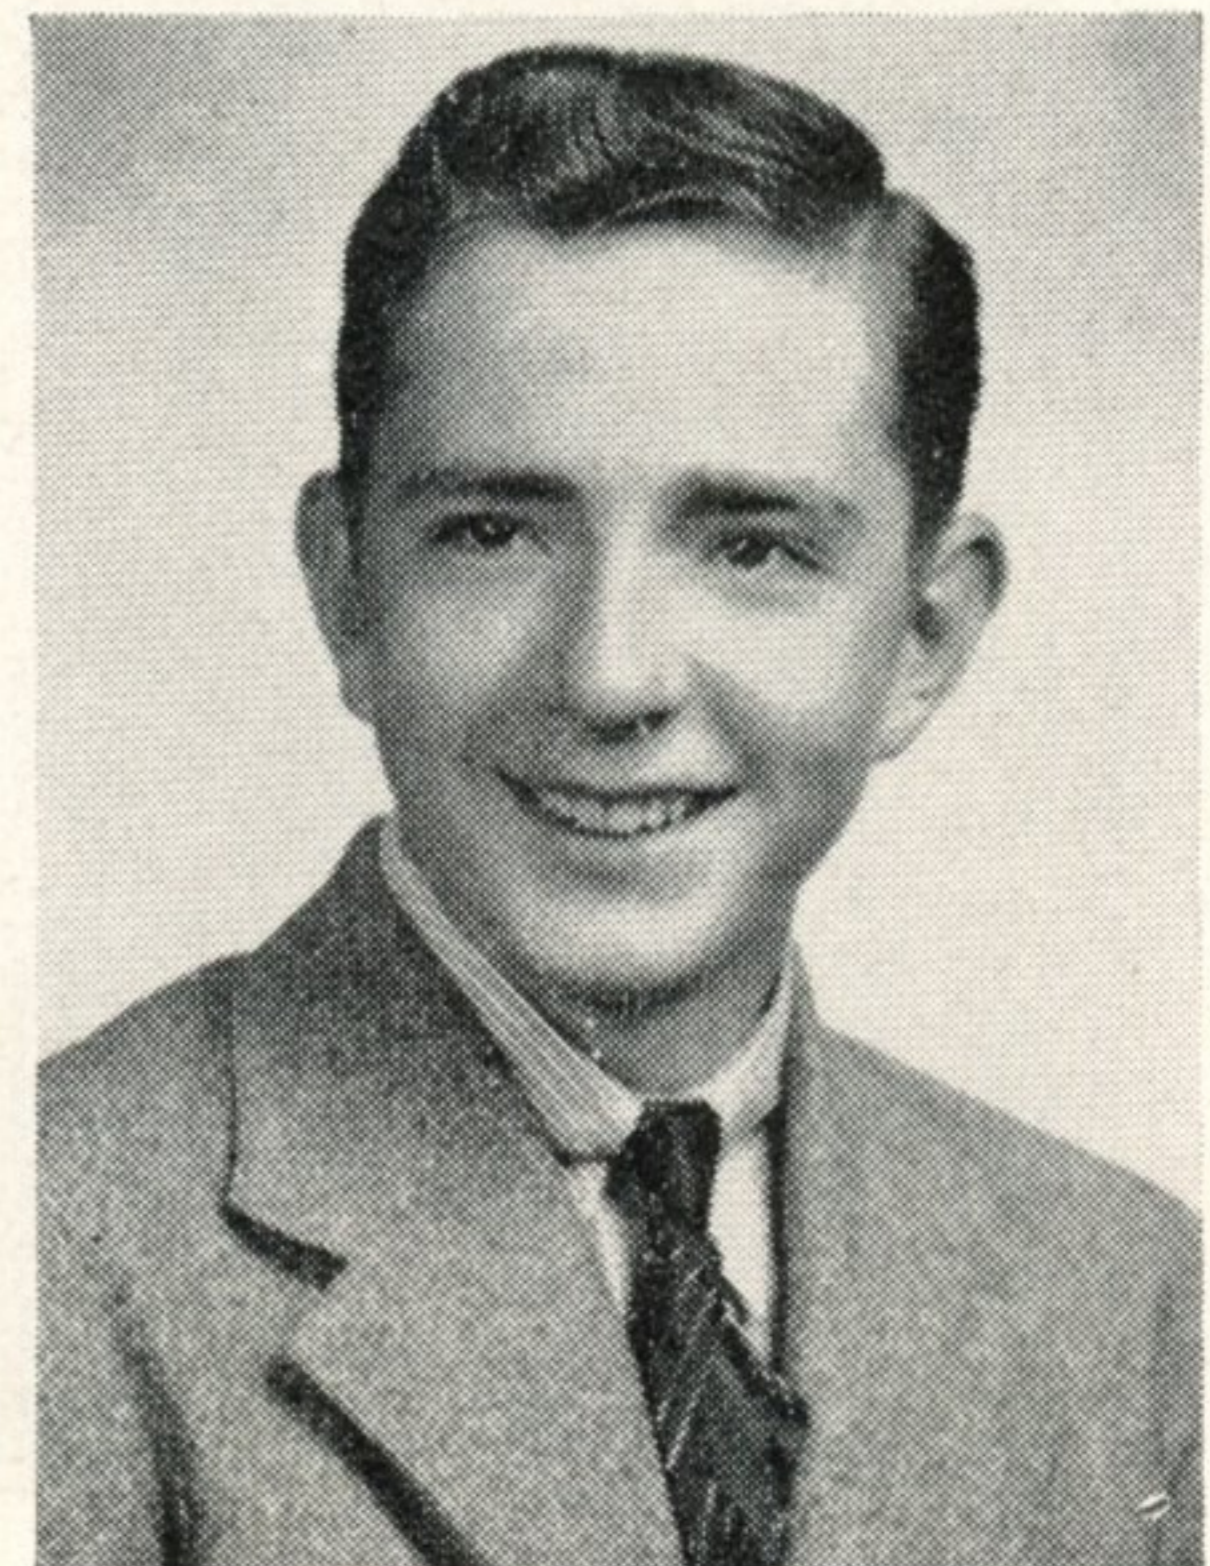

*To go out with Gibbs is her delight.
She thinks that he is just her type.*

DENNIS E. HEATHCOTE, JR.
Seven Valleys, Pennsylvania
"Hezy"

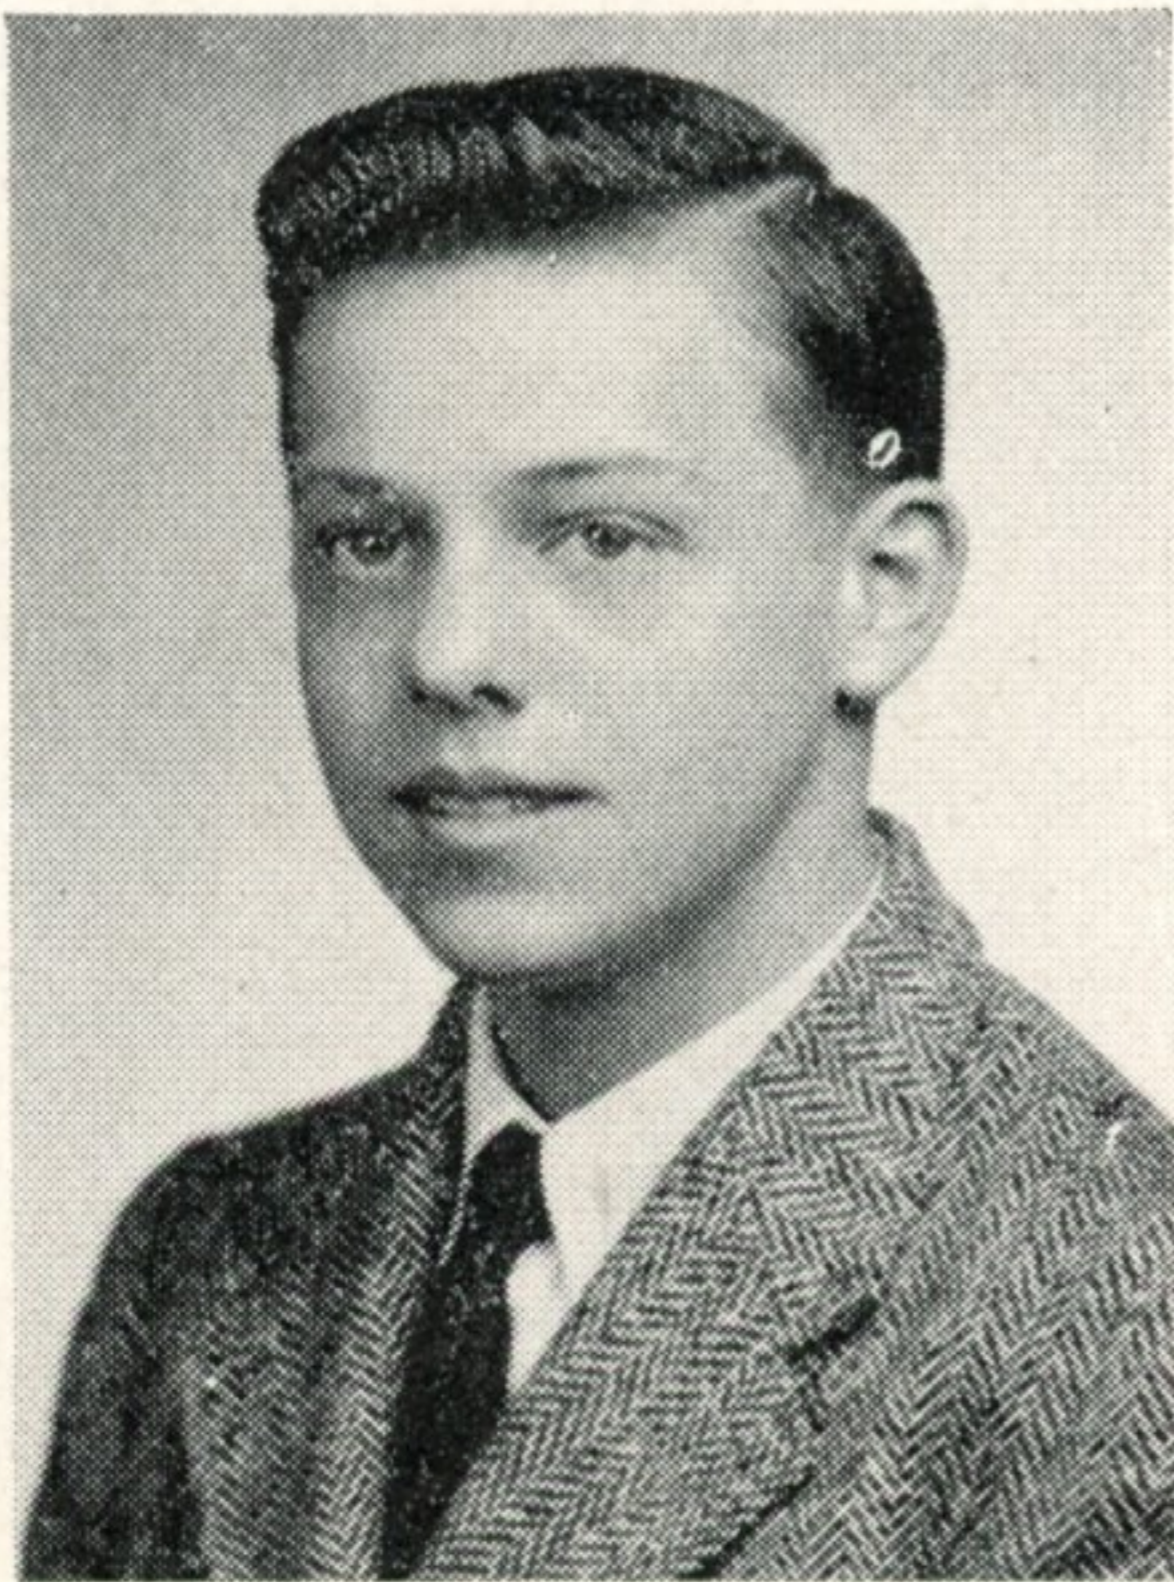

Class Day (4); Chorus (2).

Dennis is known to nearly everyone as Hezy. He has a free outlook on life. On the whole he is a quiet boy, but he likes to play tricks on everyone. He enjoys sports, especially basketball and baseball. He likes to argue and often gets into a P.O.D. debate. He likes to experiment in Chemistry and usually sees that he gets a job in the experiment.

*Dennis is a friendly lad,
Carefree always, never sad.*

SENIORS

MARLYN D. HENRY
Brodbecks, Pennsylvania

Chorus (2, 3, 4); Literary Society (1); Science Club (2, 3, 4); Sergeant-at-Arms (3); Soccer (3, 4); Basketball (2, 3, 4); Baseball (2, 3, 4); Class Day (4); Operetta (4).

Look at this fellow's record and you will note that he is the athlete of the class. In basketball, baseball, and soccer he is tops. We know this lad will succeed in whatever he undertakes.

*In basketball, baseball and soccer he sure is tops,
But Raver is the one who has him stopped.*

GRACE O. HOOVER
Lineboro, Maryland
"Hoover"

Literary Society (3, 4); Science Club (2, 3, 4); Chorus (3, 4); Class Day (4).

Kind, generous and attractive are the best words to use when describing Grace. Her pastime is wisely spent in reading. One can find her name on most all of our library cards.

She likes various types of sports, especially skating. She has proved her musical talent by singing in the chorus for two years.

Grace hopes to become an efficient nurse in the future.

*This brown-eyed girl from Lineboro way
Will make you improve in a marvelous way.*

BETTY M. KLING
Spring Grove R. D. 2, Pennsylvania
"Kling"

Friendly, earnest and talkative best describe Kling, who with her cheerful smile and jolly disposition, is usually the object of much tormenting by the senior boys.

Kling was the shortest one in the class until this summer when she really proved to us that her thyroid gland has not ceased functioning. In height she now exceeds Bensel by an inch.

She acted the part of the faithful maid, Annie, in "China Boy," our junior play.

Her greatest desire is to become a beautician and with the skill she now possesses, we know she will be successful.

*Kling—whose marks are hard to surpass,
Never misses a chance to giggle in class.*

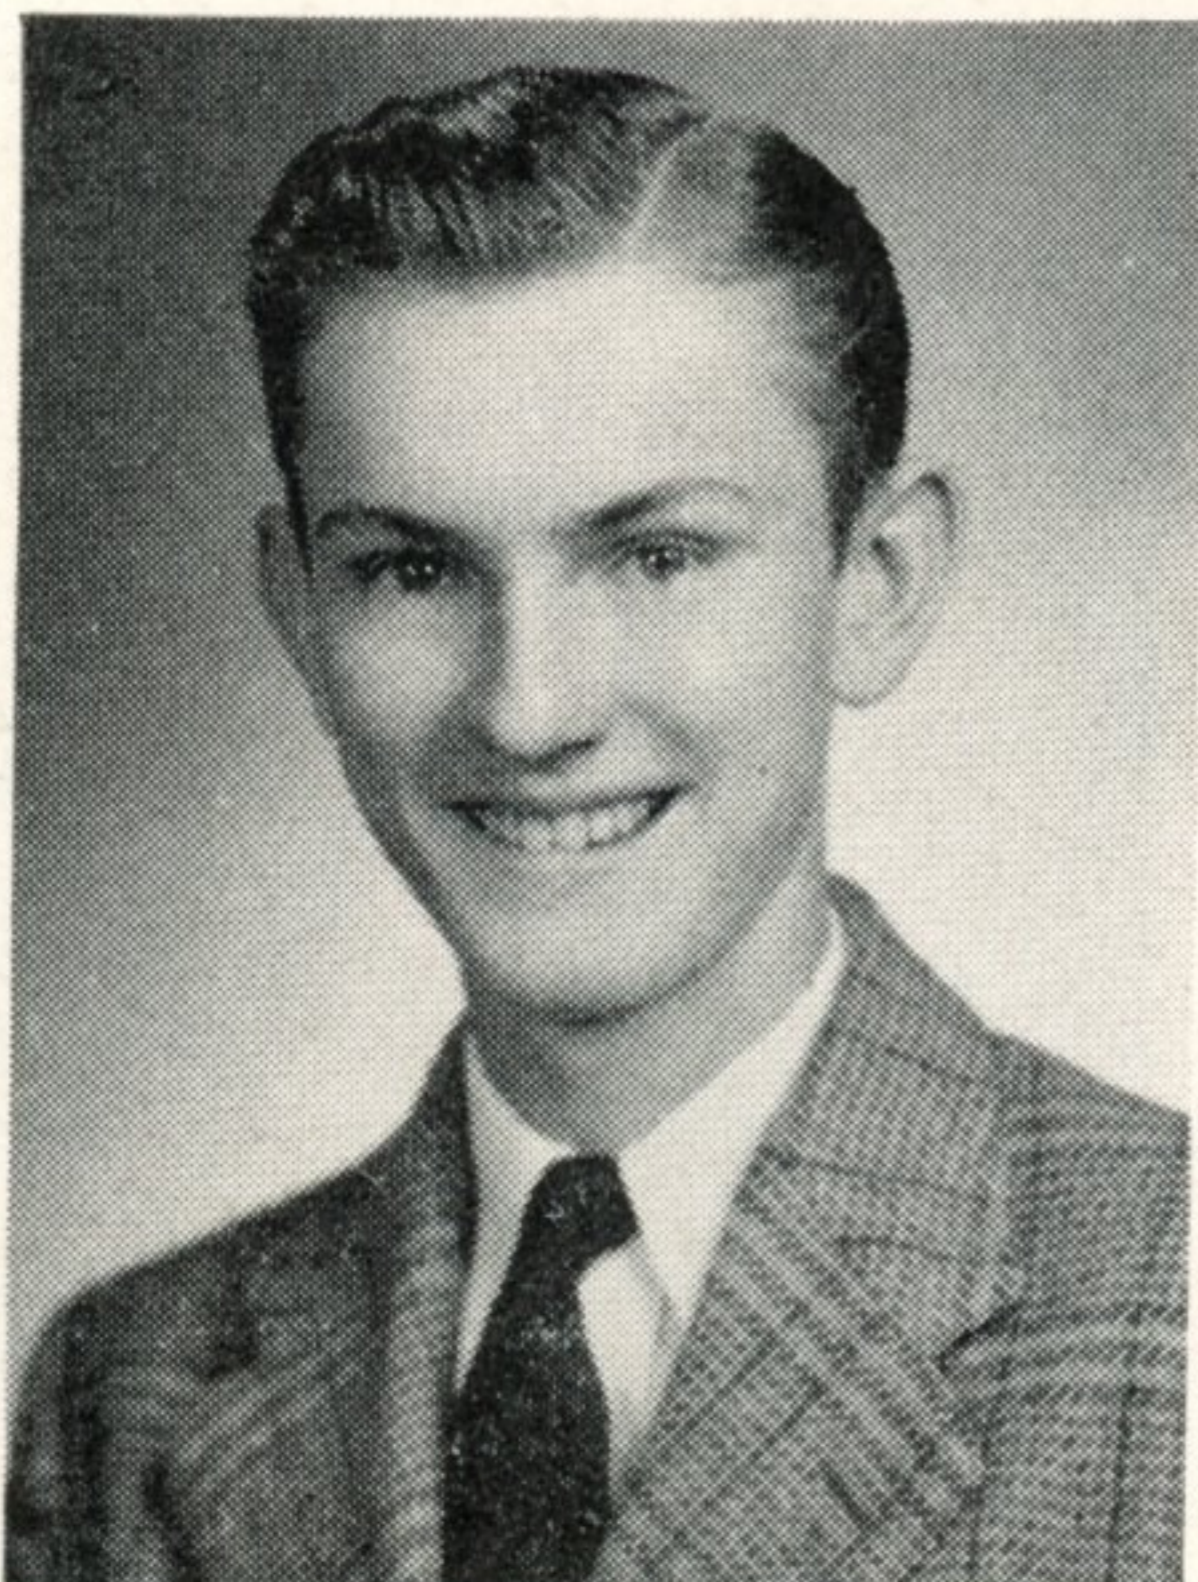

DONALD R. KREBS

Donald is one of the intelligent boys of the class. He has a great athletic talent especially as goal keeper on the soccer team and also played basketball and baseball. He took part in the class play two years. He also likes to argue with the opposite sex.

Donald's plans are to enter Elizabethtown College after graduation.

*To play a horn is what he likes,
To tease a girl is his delight.*

1946

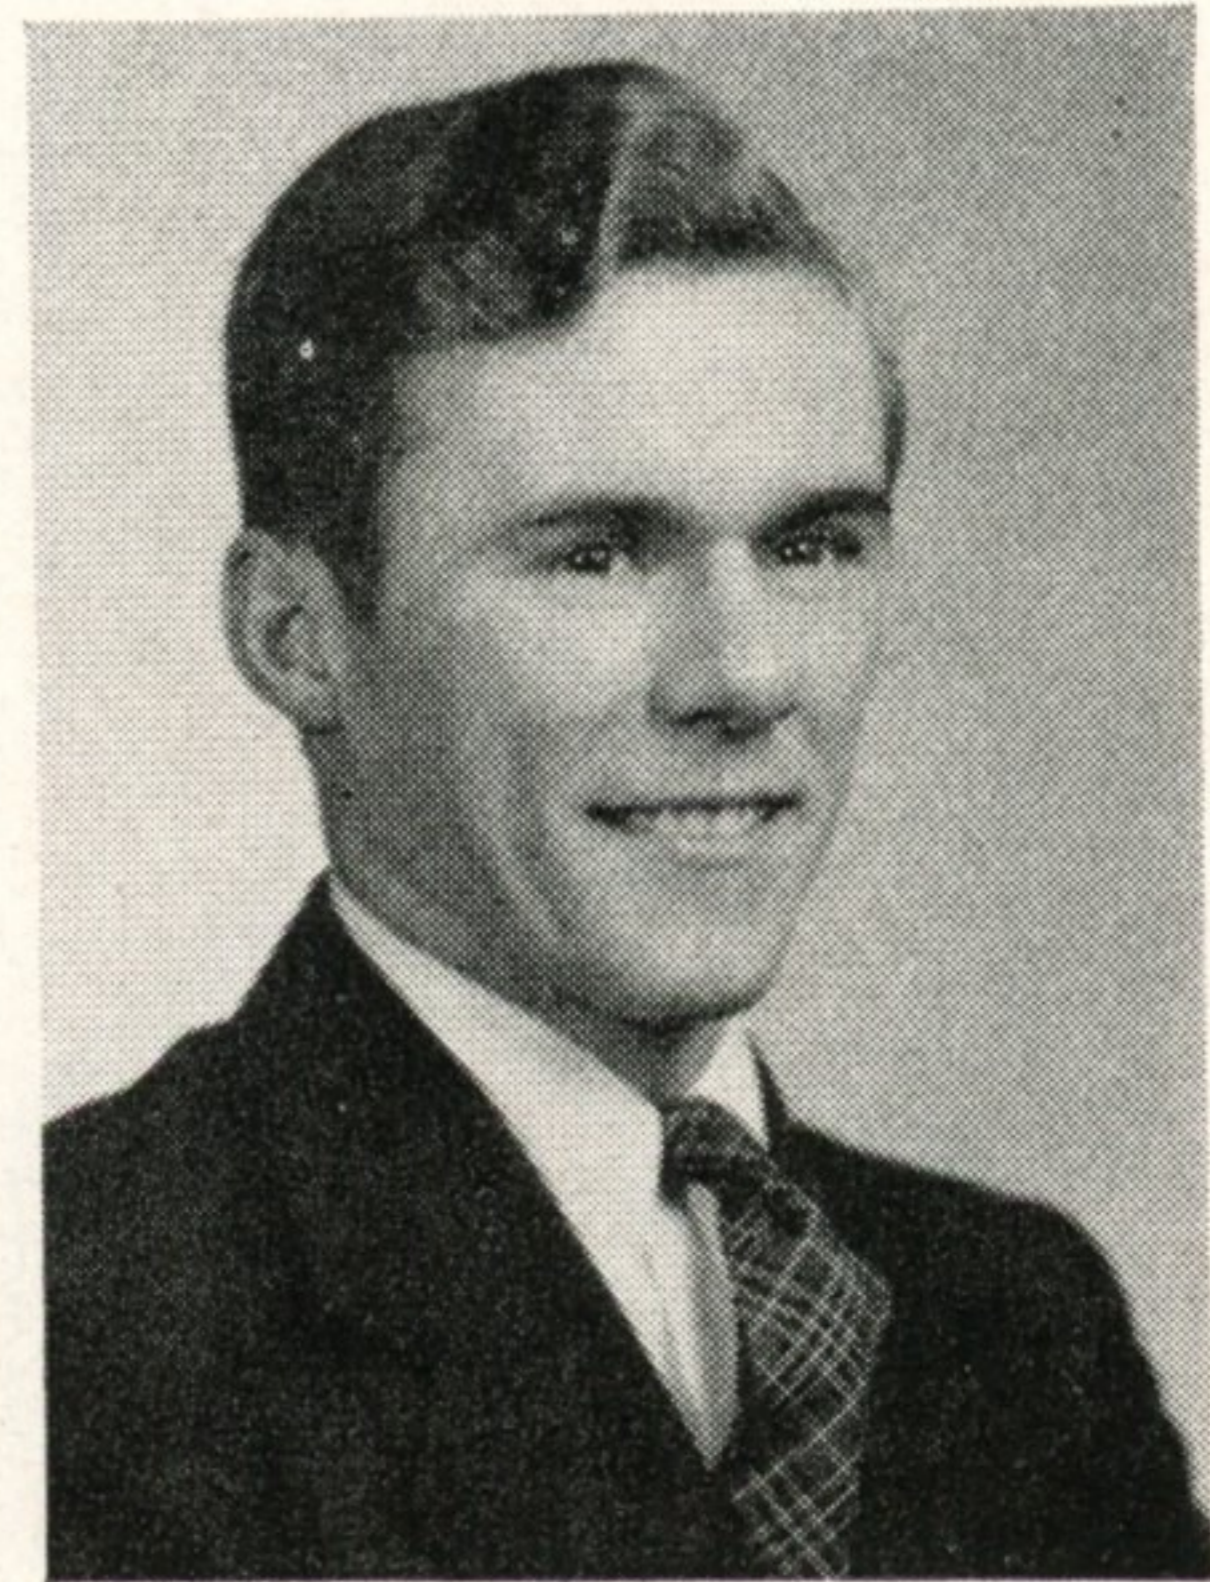

DANIEL M. LEHMAN
Seven Valleys R. D. 1, Pennsylvania
"Danny"

Chorus (2); F.F.A. Reporter (4); Basketball (2); Baseball (2); Soccer (3); Class Play (4); Cass Day (4).

Daniel came into our class a few weeks after school started because of an appendix operation which would have kept him from hard work for nearly a year, and so he decided to start school again after discontinuing his schooling in the mid-term of '44.

Since he has been one of us he has proved his ability in many different fields, and we are glad that he became one of us.

*Danny is a swell guy,
And with the girls he isn't shy.*

NORMA A. LUCABAUGH
Glen Rock R. D. 3, Pennsylvania
"Toot"

Science Club (1, 3, 4); Literary Society (1, 2, 3, 4); Operetta (1, 2, 3, 4); Chorus (1, 2, 3, 4); Class Play (4); Class Day (4); Basketball (2, 3, 4); Volley Ball (2, 3, 4); Librarian (3, 4); Glen Echo (4); Secretary of Science Club (3); Music Festival (2, 4); Leader of Curtis Campaign (4).

Toot is one of the studious persons of the class. She is a friend of everyone and a very lively and active person.

She showed her dramatic ability when she took the part of "Sunbonnet Jane" in the senior play, "Sunbonnet Jane of Sycamore Lane." She did a very nice job of it.

She also has shown her athletic ability while playing on the teams. She has been on the basketball, volley ball and kickball teams. She has also been a cheerleader for the last two years.

Toot's greatest desire is to become a secretary. As you may have noticed, she is wearing a ring on her left hand, and we know that it will not be long now.

*Norma is wearing a ring it is true;
Soon she'll be making the meals for two.*

BETTY J. MARKEL
Seven Valleys R. D. 2, Pennsylvania

Literary Society (1, 2, 3, 4); School Librarian (4); Class Day (4).

Kind and always willing to lend a helping hand describe Betty best of all. Our first impression of Betty was that she seemed rather shy, but knowing her for four years she seems to be the opposite.

We wonder why Betty likes to go to Jefferson? Is it because one of her aunts lives there or is there some other attraction on the same street? ? ? ? Whatever the attraction may be, Betty never neglects her studies.

*Betty's ambition was to be a nurse.
Now she says that Ed comes first.*

DOROTHY M. MILLER
Glenville, Pennsylvania
"Dot"

Literary Society (1, 2, 3, 4); Science Club (1, 2, 3, 4); Class Vice President (1); Reporter (2); Historian (3); Glen Echo (4); Chorus (3, 4); Operetta (3, 4); Basketball (2, 4); Volley Ball (3, 4); Cheerleader (3, 4); Class Day (4); Music Festival (4).

Meet Dot, the reporter of our class, who is willing to help and do her share whenever called upon.

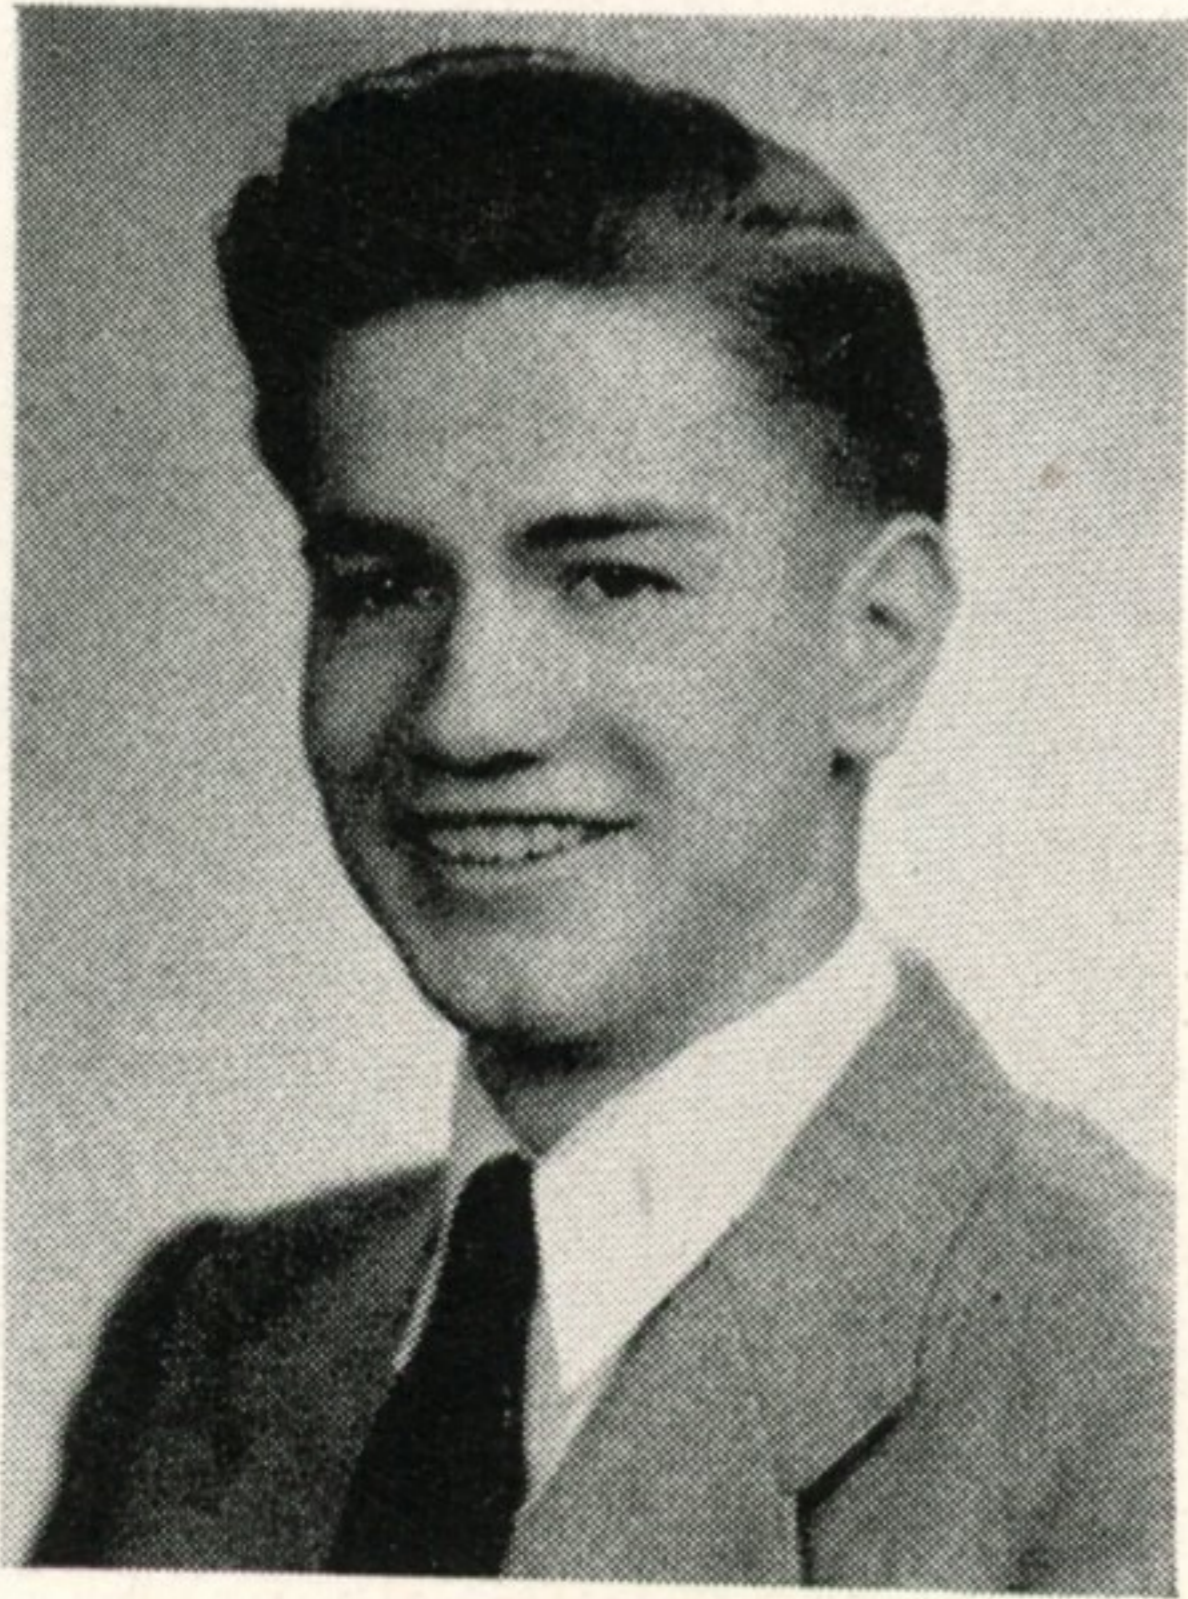

The first impression one has of Dot is that she is rather quiet, but this soon changes. Her pleasing personality has won many friends for her during her school career.

Dot's ambition is to become a nurse.

*"Dot, who knows many a male,
Only thinks of one named Dale.*

SENIORS

EUGENE H. MILLER
Lineboro R. D. 2, Maryland

F.F.A. (1, 2, 3, 4); F.F.A. Chaplain (4); Glen Echo (4); Class Day (4).

Eugene seems to be a quiet lad, but when you get to know him you will soon change your mind. He likes to linger in the hall with a certain freshman or sophomore girl. We wonder who?

*First an Olds and then a Plymouth,
Next will come a Ford by Gimmeth.*

GERALDINE A. MILLER
Seven Valleys R. D. 1, Pennsylvania
"Gerry"

Literary Society (1, 2, 3, 4); Class Play (3, 4); Debate (2, 3, 4); Chorus (1, 2, 3, 4); Operetta (3, 4); Orchestra (1, 2, 3, 4); Class President (2); Class Reporter (1); Treasurer of Literary Society (3); Glen Echo (3, 4); School Librarian (2); Music Festival (1, 2, 4); Class Day (4); Southern District Chorus (4); All State Chorus (4).

Everyone knows Gerry. She is one of the most prominent members of our class and she really "gets around."

She has played the piano in the school orchestra for the past four years, and it can be easily seen that Gerry is musically inclined. She also showed her singing ability in the operetta and her acting ability in the class plays. We'll probably never forget her portrayal of "Crystal" in the senior play.

"Gerry" has a merry disposition and can often be heard giggling around the halls. She takes a lot of kidding and is also very clever in handing it back.

*This cute brunette from Larue
To all her friends will be true.*

TWILA E. MOUL
Codorus, Pennsylvania
"Moul"

Chorus (4); Literary Society (2); Science Club (2); Class Day (4). Twila has appeared to be quiet and shy during her four years at C. T. H. S.; although, she is a friend of everyone. She sang soprano in the Chorus during her senior year.

After graduation she has decided to enter business school.

*Her eyes are gray, her hair is red,
A better friend can not be had.*

EDITH V. RUNK
Spring Grove R. D. 2, Pennsylvania
"Dolly"

Science Club (1, 4); Vice President of Science Club (2, 3); President of Science Club (4); Literary Society (1, 4); Chorus (3, 4); Class Secretary (4); Basketball (4); Volley Ball (4).

Dolly is a friend to every one at C. T. H. S., and is well known for her little tricks, such as tying knots in shoe strings, and breaking off pencil points at the most inconvenient time. She likes sports, and is very fond of basketball. Her favorite pastimes are roller skating and driving her Dad's '38 Plymouth. Speaking of driving, you should see her drive that motor boat around the river. Quite thrilling.

As for the future, Dolly would like very much to be a physical education instructor.

*Although her favorite pastime is skating,
Dolly still finds time for frequent dating.*

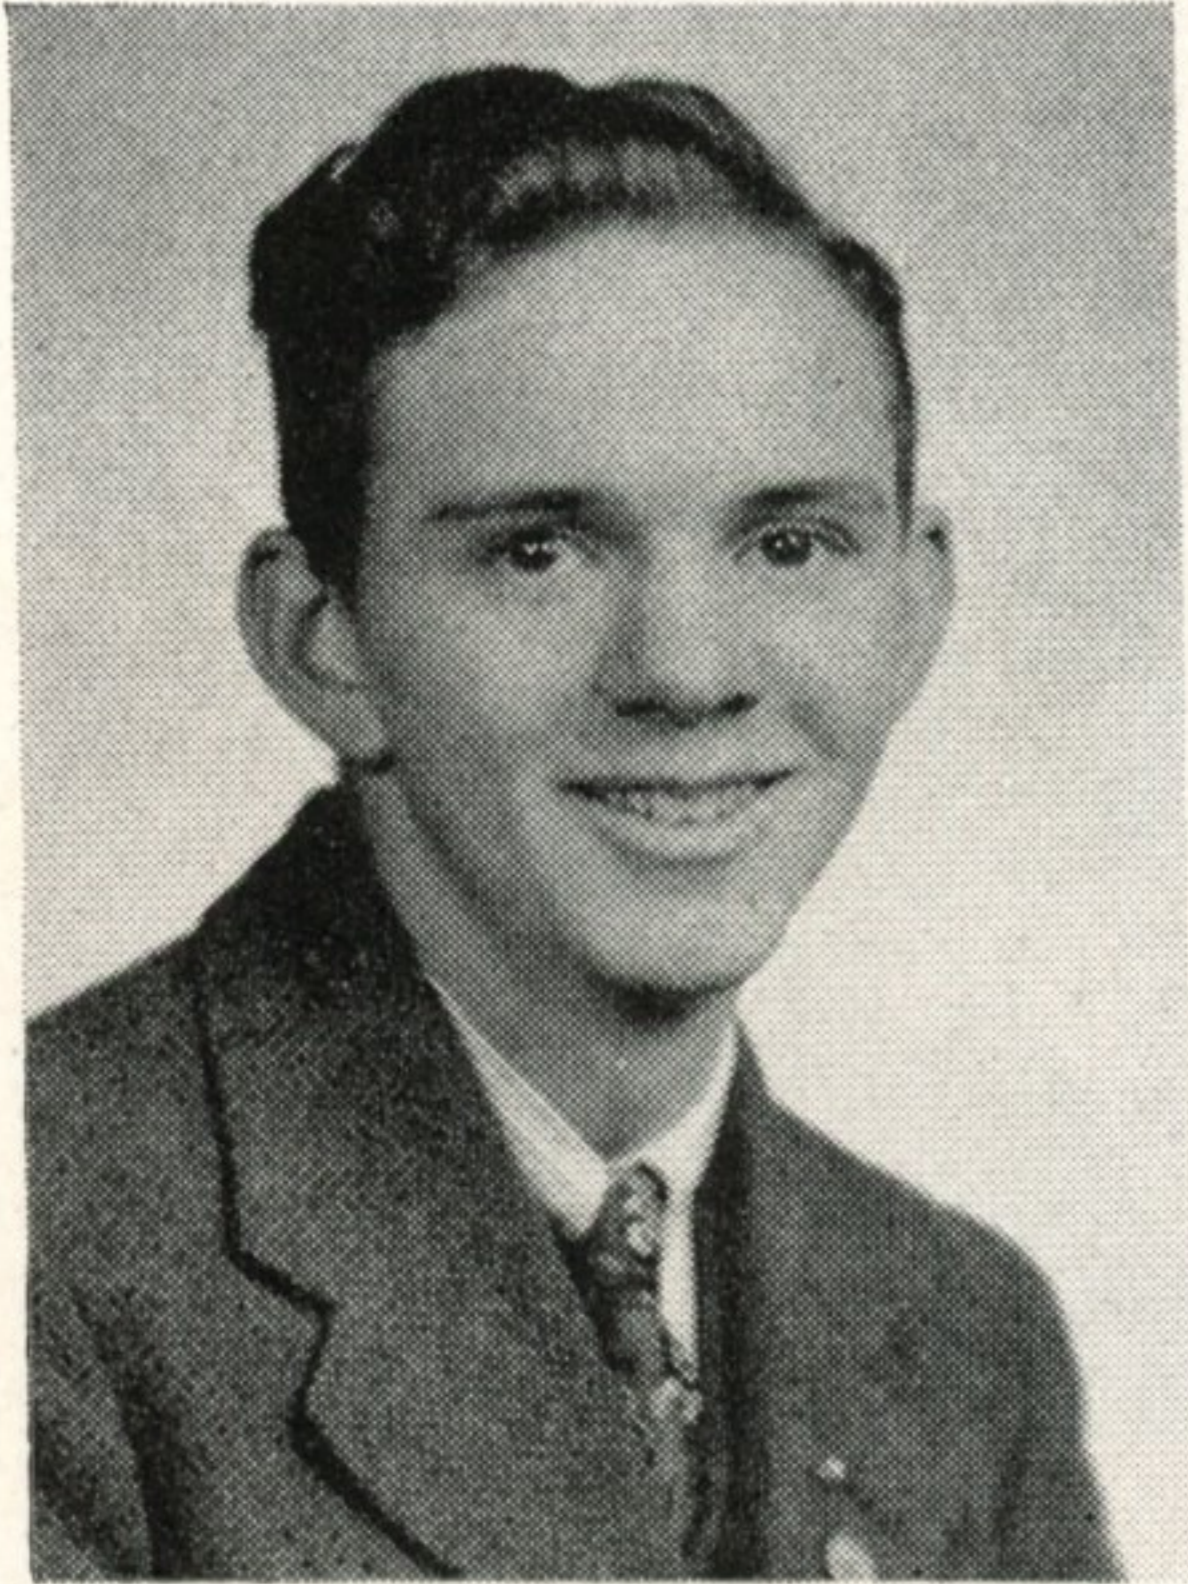

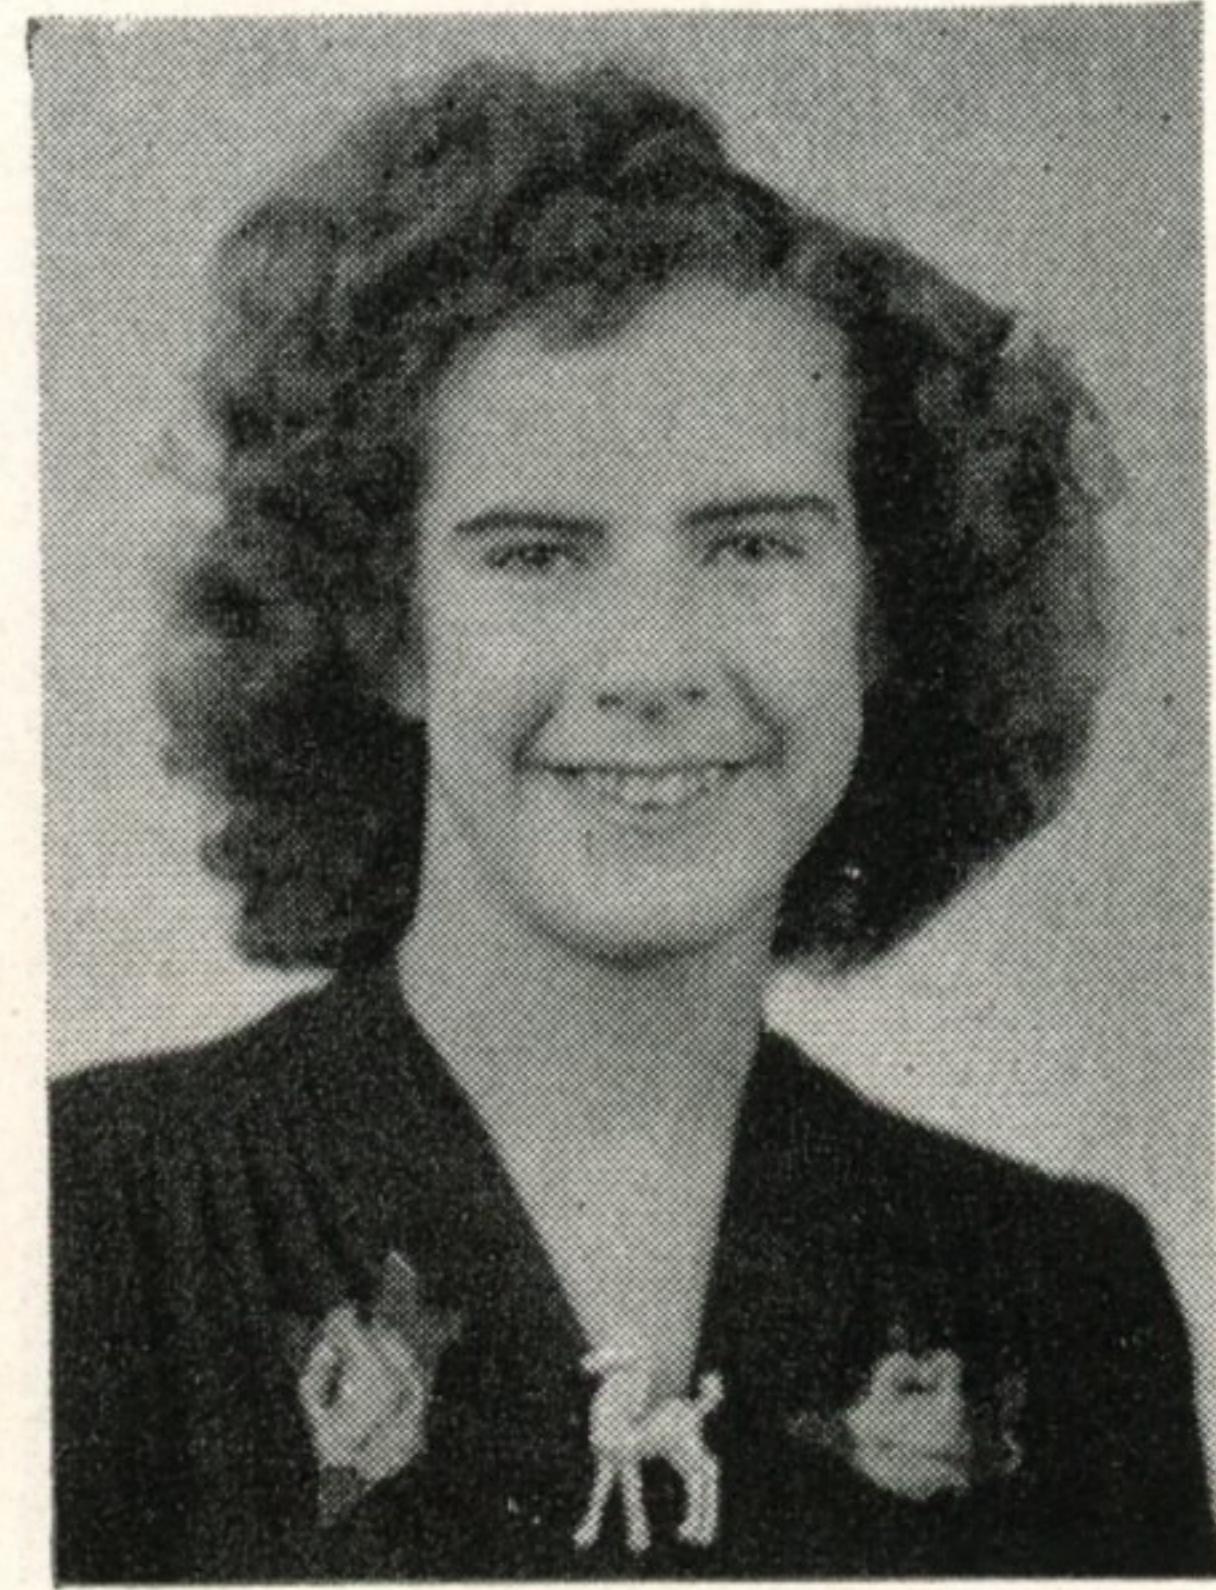

1946

MILDRED N. SHIVE
Seven Valleys R. D. 1, Pennsylvania
"Shive"

Literary Society (1, 2, 3, 4); Chorus (4); Class Day (4).
Most think Shive is quiet and bashful, but she really isn't. She is always willing to help someone in need. Brave, kind and true describe this young lass of Conestoga.
Most of Shive's time is spent in studying. Although some is taken by a certain freshman boy. She likes French the best of her present subjects.

*Meet the youngest of the class.
She is quite an all around lass.*

BERNARD L. STINE
Brodbecks, Pennsylvania
"Stiney"

F.F.A. (1, 2, 3, 4); Class Day (4).
Stiney is a bashful boy. He never talks in any way. His favorite pastime is reading (not P.O.D.)? ? ? Every night he accompanies a certain sophomore girl home. Her name is—Oh! well, he wouldn't want you to know anyway.

*Stiney has a great ambition
To spend his future life in fishing.*

R. BURNELL STRAUSBAUGH
Codorus, Pennsylvania
"Jack"

Class Historian (2, 4); Secretary of Class (3); Orchestra (1, 2, 3, 4); Chorus (2, 3, 4); Literary Society (1); Secretary of Orchestra (4); Librarian of Orchestra (1, 2); Sergeant-at-Arms of Science Club (2); Class Play (3); Science Club (1, 2, 3, 4); Glen Echo (4); Class Day (4).
To meet a lad like Jack is not an opportunity to be had every day. Although Jack is the smallest fellow of the class does not say he hasn't the "go-get 'em" of a fellow twice his size.
Jack proved to us that he can handle himself before the footlights when he portrayed the part of "China Boy" in our junior play.
As trumpeter of our orchestra we are sure there will be quite a difference in the orchestra next year when Jack is no longer here.
Although Jack participated in many extra-curricular activities, he did not forget his studies. Since he is a whiz in books, he should be able to teach pupils a thing or two a few years from now.

*Jack is studious, kind and true.
If you're in trouble, he'll help you through.*

MILDRED E. SWARTZBAUGH
Spring Grove R. D. 2, Pennsylvania
"Mil"

Literary Society (1, 2, 3, 4); Chorus (4); Class Day (4).
Meet this lass who hails from the outskirts of Jefferson. Kind and always willing to lend a hand to someone in need of help describes her best of all.
She is known by the class for her poems, which she can write, and her interest in her studies.
Mil spends a great deal of time playing the piano and writing letters. She takes a great interest in attending basketball games. Her one ambition is to drive her Dad's Plymouth. One expression which she does not like to hear is "Jake's only daughter," although she is proud of it.

*By writing letters, Mil makes friends;
It will bring her happiness in the end.*

During our four years at C. T. H. S. we have found many abilities and much fun in Betty. She has participated in all the girls' sports and served as our senior class president. She was also an active member of the Manhater's Association. Betty is a friend of everyone at C. T. H. S. and is known for her hysterical laughing fits.

If at any time you hear a wild, hysterical laugh echo through the halls, you can readily guess that Betty has either heard or told a new joke.

*Laughing, joking and making fun.
That's Betty, a friend of everyone.*

LeRoy is a rather quiet boy. He is a bit bashful at times, but he gets over that very quickly. His smile has won him scores of friends. He is well liked by everyone, and especially by the opposite sex in Jacobus.

His favorite pastime is driving his '36 Chevrolet; however, he also likes to sleep in Chemistry class.

*Warner in Jacobus can usually be found.
And you can bet he's safe and sound.*

Senior Class History

BY R. BURNELL STRAUSBAUGH, '46

As we look back we remember September 7, 1942, when fifty shy freshmen were seen coming up the campus hill. After acquaintances had been made, we organized the class of 1946. The following officers were elected: President, Charles Grote, Jr.; Vice President, Dorothy Miller; Secretary, Donald Krebs; Treasurer, Sidney Ehrhart; Historian, Betty Warner; Reporter, Geraldine Miller.

Several days later another meeting was held. We selected the red rose as our class flower and brown and white as our class colors. "Climb Though the Rocks Be Rugged" was selected as our class motto. Intramural games were held, and although the freshmen gained no major victories, they gave strong opposition. We liked our class rings which we received in January. We were very proud of our victory in the Curtis Campaign and also the returns.

We found that all but three of us returned at the beginning of our sophomore year. After the first semester, two more discontinued their studies.

Our class officers for 1943-1944 were: President, Geraldine Miller; Vice President, Phyllis Burns; Secretary, Martha Braun; Treasurer, Sidney Ehrhart; Reporter, Dorothy Miller; Historian, Burnell Strausbaugh. We also chose Mr. V. Kyle Trout as our class adviser.

Our class was quite active during the sophomore year. Several of us participated in the annual operetta and some took part in the music festival. Charles Grote, Jr., Geraldine Miller, Martha Braun and Betty Warner represented our class in the debate on the affirmative team. Martha Braun was chosen as the best affirmative speaker.

As we entered C. T. H. S. in the fall of 1944 we found that forty members had returned not only to live down our name of Jolly Juniors, but to strive to work harder for the benefit of ourselves and the school. We were sorry that during the semester two more of our classmates discontinued their studies.

Our class officers for our junior year were: President, Burnell Fisher; Vice President, Sidney Ehrhart; Secretary, Burnell Strausbaugh; Treasurer, Phyllis Burns; Reporter, Donald Krebs; Historian, Dorothy Miller.

We were again represented in the debate by Martha Braun, Geraldine Miller, Charles Grote, Jr., and Donald Krebs. All of these were on the affirmative team.

During our first semester, a representative of the Union Emblem Company asked us to place orders for pennants, emblems, jackets and caps. Due to war times, the company did not have the materials of our class colors, and so our class colors were changed to maroon and grey.

A highlight of the year was the presentation of "China Boy" in the school auditorium. Also four members of our class were chosen as junior cheerleaders.

Our last year at C. T. H. S. started on Labor Day. Our class officers were as follows: President, Betty Warner; Vice President, Sidney Ehrhart; Secretary, Edith Runk; Treasurer, Phyllis Burns; Reporter, Donald Krebs; Historian, Burnell Strausbaugh.

We presented "Sunbonnet Jane of Sycamore Lane" very successfully. On February 11, we wrote our D. A. R. essay on "General Eisenhower—The Man of the Hour." Those written by Martha Braun, Romaine Brenneman and Geraldine Miller were selected as the three best and were entered in the county contest.

Our class is smaller than when it started, but at commencement time we find that we still have thirty-eight.

We are grateful to the faculty, our parents and all others who have helped to make our class what it is. Let us always "Climb Though the Rocks Be Rugged."

Happy Days

BY BETTY WARNER, '46

That very first September day,
When our class climbed the hill,
No one had anything to say;
Each felt strange and kept still.

But this strangeness soon was gone;
We made of each one a friend.
We started each day with a song,
As our high school careers began.

Our Freshman year was really swell,
And we studied oh so hard!
Though our studies didn't go so well,
Nothing could our joys retard.

Our Sophomore year went by too fast,
For we enjoyed ourselves so.
Half of our school days now were past,
Only two years left to go.

Our Junior year, which was our third,
We really got down to our books.
We had the best recitations ever heard;
You should have seen the teachers' looks!

Our Senior year was best of all;
We enjoyed ourselves all year.
Many things that happened in that Hall,
We'll forever hold most dear.

'Tis been said that parting brings sorrow;
In our class it is not so.
As we leave here to face the morrow
Pleasant memories with us go.

High school days indeed have been
The best days of our youth.
Now we continue our search so keen
For further unveiling of light and truth.

Climb Though the Rocks Be Rugged

BY ROMAINE BRENNEMAN, '46

Climb though the rocks be rugged,
Our motto, be it just.
We'll travel through life's weary way
And do the things we must.

Climb though the rocks be rugged
Is what we hope to do.
We'll take our stand in the busy world,
The same as did all of you.

We won't give up but go on
And do the best we can.
We may slow up but never stop.
We'll be real fighting men.

We each have a job to do,
And do it we surely will.
We need only recall our motto
To climb any mountain or hill.

Climb though the rocks be rugged,
To this great motto we'll cling.
Climb though the rocks be rugged,
No matter what tomorrow brings.

The Rose Still Grows

BY MILDRED SWARTZBAUGH, '46

There is not a tint that paints the rose,
Or even decks the lilies fair,
Or makes the humblest flower that grows,
But God alone has placed it there.

The flowers of life are undoubtedly many,
And all of them are oh, so sweet;
From garden roses blooming very gently
To white lilies at my feet.

The sweetest and loveliest lily may close,
The pansy will soon depart;
But oh! the dainty red red rose—
I cherish it deep down in my heart.

Gather ye rosebuds while ye may,
Old time is still a-flying;
This same flower that smiles today,
Tomorrow will be dying.

Like a rose embraced, when it is dead
And thy thoughts when thou art gone;
Its own green leaves heaped for the beloved's bed,
Adieu! Love itself shall slumber on.

Sweet flower! losing its beauty which we adore,
I pluck you out into my hand,
When fragrance will linger more and more,
Little rose—but if I could understand.

The last rose of summer will not depart,
As it fades, o'er the wide blue sea.
All her companions I cherish down in my heart,
While true hearts wither and flee!

Maroon and Grey

BY BURNELL STRAUSBAUGH

M means might;
Let us mighty be,
And use this might
To obtain victory.

A, alone, stands for ambition
Needed to attain our position.
For without this we aren't able
To live a life which is very stable.

R means rank, your place in life,
Whether rich or poor,
But always think before you jump
At moneys beckoning lure.

O is for opportunity,
Which knocks at all doors.
And now my friends be sure to listen
And hear when it knocks at yours.

This O shall mean obedience;
Doing it when you're told,
Even if you be an oversized man,
You don't like to hear mother scold.

Noteworthy, let us try to be,
Accepting our opportunity,
And making the best of every day,
Which presents itself on our life's way.

As for G, let us grateful be
To those who have helped us to see
The way of life which is best to lead,
So our lives will be a memorable deed.

R, may it mean our recompense,
A final gift and reward.
And may our lives after this be lived
Without the use of the sword.

E, as for me, means equity,
Justice for one and all.
If we have chosen this as our path,
We are assured that we won't fall.

Y, as by many, is said to mean youth,
And I agree, that is the truth.
So even should we away to the sky,
Our souls shall never die.

Class Song

We are the class of '46
Embarking on life's sea.
We will try to reach our goal though our pathway hard may be.
Climb—though the rocks be rough and rugged
Through all the days to come
And this is our motto.
To it will we ever cling.

We have our colors, Maroon and Grey,
Our flower, the red, red rose.
We will cherish these forever
Amid our joys and woes.
Lingering memories of our teachers
And classmates so true
Will stay with us always
Till life's glad journey through.

Class Prophecy

BY MARTHA BRAUN AND GERALDINE MILLER

Ten years have made a great change in the town of Glenville. At the present time we see plastic homes, skyscrapers, large stores, and other modern improvements.

As we are admiring the prosperous city, we see a helicopter approaching it. To our surprise we see it land at the mayor's plastic home and Charles Grote and his private secretary, Romaine Brenneman, alight from it. Having entered the house and being announced by the butler, Attorney Grote and his secretary are astonished to find that the mayor is Sidney Ehrhart, an old classmate of theirs.

After a brief business discussion, they decided to go on a tour of the city in Charles's helicopter with Sidney acting as guide.

First, they passed over the newly built high school in which Burnell Strausbaugh is teaching foreign language, Earl Dubs, chemistry, and Betty Warner, English. The new building was constructed by Donald Krebs, who is now a civil engineer.

Continuing their tour they approached the outskirts of town where the prosperous farms of Burnell Fisher, Bernard Stine and Leroy Warner are located. Circling around they return to the residential section of town where Norma Lucabaugh, Betty Markel, Mary Barrick and Corinne Hawkins, now happily married housewives, are living. In this same section of town Sidney informs Charles that Daniel Lehman is a minister in a beautiful church.

They are now in the downtown section of town where Marlyn Henry's clothing store is located, in which Mildred Swartzbaugh is now floorlady and Mildred Shive and Twila Moul are clerks. Helen Braun and Mary Bensel are employed as "Hen's" private secretaries.

Across the street from Henry's Clothing Store is Charles Harbold's Furniture Store. "Charlie" has Doris Garman and Flerene Flemmens employed as his secretaries.

Farther down the street is the broadcasting station where Eugene Miller is in charge of the control room and where Geraldine Miller appears every Sunday night on her own music program.

Not far from the broadcasting station is a beauty salon which is owned by Betty Kling and Phyllis Burns and, as their assistants, they have Adela Fair and Miriam Doll employed. Sidney informs Charles that his wife, the former Edith Runk, is at the beauty salon at the present time having her hair fixed by Phyllis.

They leave the business section of town and come in sight of an enormous building which is the Glenville General Hospital. It is indeed a beautiful hospital but there is one thing which is especially outstanding. It is a huge painting of Florence Nightingale at the entrance, which was painted by Anita Fridinger, who is now a great artist. In the hospital Martha Braun is the supervisor, while Dorothy Miller, Grace Hoover, Arlene Beck and Helen Bortner are nurses.

With their tour completed they return to the mayor's home and are ready to alight from the helicopter when they see a jeep approaching them. The jeep is beside them by the time they alight and a young Army Lieutenant greets them, who is no other than Dennis Heathcote.

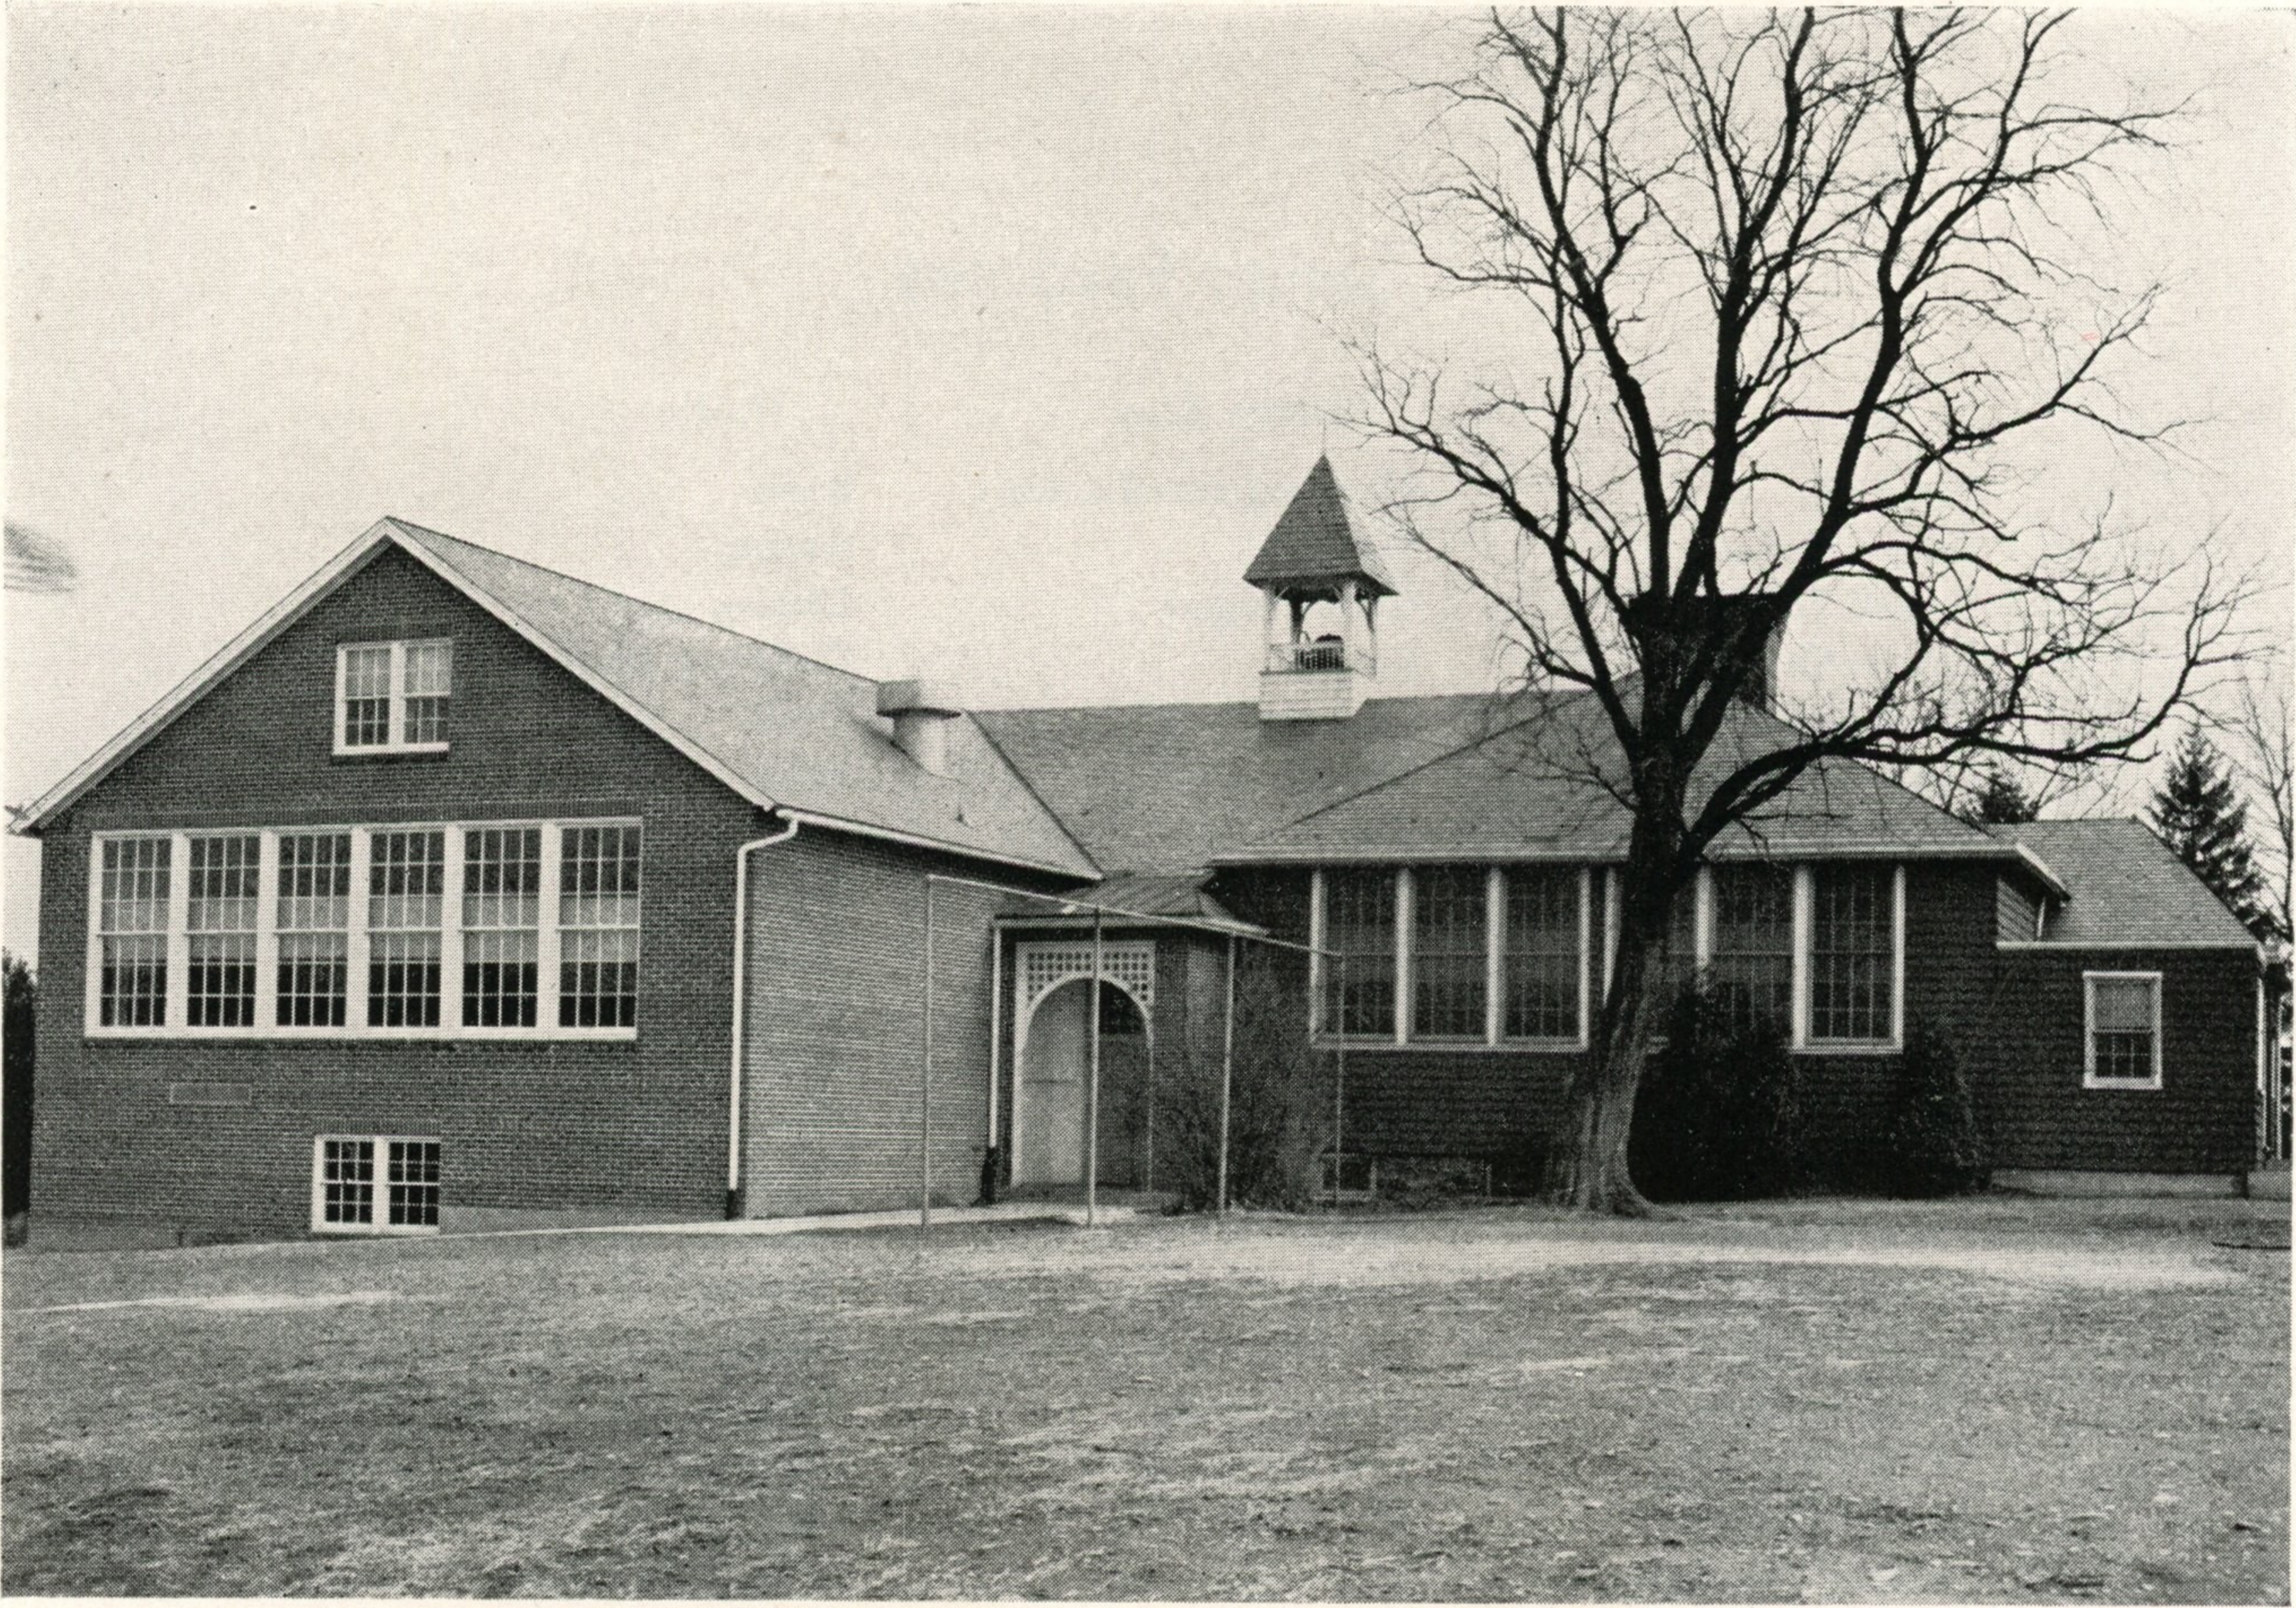

Charles sighs as he leaves Sidney for it was indeed a pleasure to learn the whereabouts of his high school classmates.

Alma Mater

Tune: "Sweet Genevieve"

From hill and dale we daily come
With merry voices blithe and gay,
We sing at home and when at school
Of things we learn to do each day;
We'll boost our school in word and deed,
Codorus High has scores of friends,
For doctors, lawyers, pastors true
Have started here their famed careers.

We now do more than of yore,
Because our standards daily rise,
We know the future has in store
Some marvel and some grand surprise.
We're glad to live in this new day,
When man and nation onward move;
The home and school, the church and state,
We know these all we may improve.

CHORUS

Codorus High, Our Township High,
The days may come, the days may go;
But still to us fond memories cling
Of busy days on Glenville hill.
(To last stanza) Codorus High.

Junior Class History

BY WILLIAM GARMAN, '47

When we returned to C. T. H. S. on September 3, 1945, to be called "Jolly Juniors," there were forty-four members. We learned that Loretta Gingerich, William Brown, and Russell Brenneman, had stopped school. Karl Mesloh had transferred to Avalon High School in Pittsburgh. Henry Miller and Dale Swartz enlisted in the Merchant Marines. After the first six weeks' period, Artie Lucabaugh and Burnell Werner stopped school. Artie enlisted in the U. S. Army.

At the end of our sophomore year, we elected the following officers: President, Wayne Shaffer; Vice President, Phyllis Wolfgang; Secretary, Beatrice Brenneman; Treasurer, Carl Miller; Reporter, Ruth Zech; Historian, William Garman, Jr.

Our class was represented in athletics.

Under the direction of Mr. Bortner, our physics class spent a day at Franklin Institute in Philadelphia.

The five highest members of the American History Class for the first semester were taken to Washington by Mr. Fuhrman.

The highlight of our class was the presentation of a three act play "The Doctor Has a Daughter," by George Baston, in the auditorium on March 14 and 16.

We are looking forward to the time when we will be called dignified seniors and to follow our class motto: "Today we follow; Tomorrow we lead."

We also chose the red carnation for our class flower; blue and white for our class colors, and for our motto we chose, "Patience is the key to success."

The freshmen took part in the annual Curtis Campaign and received an American flag for selling more magazines than any other class.

The wish of our class is that every pupil will continue his studies and do the best that he can.

The Literary Society, which consists of sixty-six members, presented programs before the student body every three weeks. The program presented by the society in the auditorium consisted of poems, musical selections, jokes, readings, truth or consequences and other similar things.

This year the society members also learned how to knit, embroider and crochet. One Friday out of each month all members met in room two. Some fine work was done at that time by the girls.

The officers who were elected are as follows: President, Martha Braun; Vice President, Betty Warner; Secretary, Phyllis Wolfgang; Treasurer, Betty Kling; Custodian, Doris Garmann; Reporter, Beatrice Brenneman; Librarians, Lois Kitts and Norma Mummert.

Science Club

BY MARY JANE FRANK, '48

On Tuesday, December 15, 1925, a new club was organized at C. T. H. S. It was suggested by Dorothy Rebert that the club be named the Faraday Science Club in honor of Michael Faraday, a great experimenter and scientist.

Formerly it was the custom of the club to visit several industrial plants each year in order to learn about the processes involved in the manufacture of their products.

During the past few years, we did not have the opportunity to visit many of the places formerly visited.

This year the following officers have been elected to serve in the Faraday Science Club: President, Phyllis Burns; Secretary, Mary Bensel; Treasurer, Pearl Meckley; Historian, Robert Brenneman; Scout, Sidney Ehrhart; Sergeant-at-Arms, William Garman; Librarians, Treva Myers and Betty Wildasin; Reporter, Mary Jane Frank.

Junior Class Play

BY PHYLLIS WOLFGANG, '47

The Junior Class of Codorus Township High School presented the play, "The Doctor Has a Daughter," by George Batson, on March 14 and 16, 1946, in the high school auditorium, to a large and appreciative audience.

The crowd received a thrill when Cleota, the maid, portrayed by Ruth Newcomer, kissed the young lawyer from New York, portrayed by Carl Miller, who was really in love with Flora Lee Billings, portrayed by Sarah Wilson.

Although Dodo Grant, portrayed by Beatrice Brenneman, liked Chuck Hall very much, portrayed by Wilson Shearer, he did not have eyes for anyone else than Tommy Billings, portrayed by Betty Thoman.

Tommy, a very imaginative girl, tried to help everyone including Miss Thaxter, the school teacher, portrayed by Margaret Schroll, and nearly wrecked her cultural program.

The crowd sympathized very much with Mr. and Mrs. Billings, portrayed by Robert Brenneman and Phyllis Wolfgang, respectively, especially when they learned that Aunt Cassie, a rich spinster, portrayed by Helen Hamme, was coming to visit them.

However, when Tommy began writing letters for Cleota and Aunt Cassie, things really began to happen. When Ed Smith, portrayed by William Garman, Jr., having received a letter supposedly written by Aunt Cassie and Mr. Coddle, Cleota's fiance, portrayed by William Rohrbaugh, Jr., arrived at the Billings home everyone was in a whirl, but things finally straightened out and Tommy realized Chuck was really a nicer beau than she thought.

Geraldine Miller, Phyllis Wolfgang, Sidney Ehrhart, and Wilson Shearer attended a District Music Festival at Millersburg for three days. After these four tried out for the State Music Festival, Geraldine Miller was chosen to attend. This was held at Reading for three days.

The members of the chorus presented the operetta, "When the Moon Rises," in the auditorium of the school, April 25 and 27, 1946.

The chorus rendered several selections at the Commencement exercises, which were held May 16, 1946, at Stone church.

The affirmative team consisted of Martha Braun, Geraldine Miller, and Charles Grote, Jr. The negative team consisted of Phyllis Wolfgang, Mary Jane Frank and James Miller. The two introductions were given by Doris M. Walker and Lucreta Senft.

Martha Braun and Phyllis Wolfgang were chosen the best speakers on their respective teams.

This year our costumes consisted of white flared skirts with a red "C" on the hem and black sweaters. Our captain wore a white turtle neck sweater and a red skirt.

Soccer

BY EARL DUBS, '46

This year our school was represented in the York County Scholastic Soccer League. Our opponents were North York, Dover, Manchester, and Dillsburg.

Although our record of two wins, five losses and one tie is not very impressive, one must consider the fact that the team lacked experience and weight. The players gave tough resistance to even the best teams in the league and showed good sportsmanship throughout the season.

We are hoping for many victories next soccer season when we, who have graduated, will play only as alumni.

Basketball Team

First row, left to right—Nevin Albright, Donald Krebs, Sidney Ehrhart, Burnell Fisher, Marlyn Henry, Charles Grote, Jr., William Garman, Jr.

Second row—Charles Harbold (mgr.), Curtis Parrish, Richard Brenneman, James Miller, Melvin Chronister, Wayne Shaffer, Paul Edris, Robert Brenneman, Dale Werner, Austin Chinault, Mr. Fuhrman (coach).

Basketball

BY MARLEN HENRY, '46

This year we again participated in the Southern Division of the York County Scholastic Basketball League. The varsity was not very successful, losing five out of eight games and being in fifth place. Besides the league games we played a few exhibition games, but we only won one.

The Junior Varsity was not as successful this year as previously with their games, winning only three out of nine. Next year we hope to have a better season.

The scores of the games were as follows:

	<i>Opponents</i>	<i>Codorus</i>
Stewartstown	23	14

BY CHARLES H. GROTE, JR., '46

As in previous years Codorus was again in the Southern Division of the York County Scholastic Baseball League. In 1944, the previous year, Codorus ended in third place in the League. However, in 1945, Codorus ended in second place, showing some improvement on the baseball diamond. Red Lion, who entered the League that year, won the Southern District Championship. Stewartstown dropped from the League.

With only three senior players graduating, Codorus has high hopes for a better season this year than ever before.

The scores for the games were as follows:

Codorus 3	Hanover (Little's Dairy) 2
Codorus 4	New Freedom 1
Codorus 4	Eichelberger 6
Codorus 1	Red Lion 5
Codorus 1	Hanover (Little's Dairy) 4
